One Woman's War Eve-Ann Prentice, 2000 Through her portraits of Serbs of all backgrounds emerges an unusual nation with great flair from their leaders such as the now indicted Bosnian Serb war criminal Radovan Karadzic with whom she happens to share a cab ride to the sympathetic doctor Goran Zdravkovic who treats Eve Ann Prentice and days later becomes a refugee and Ivan Novkovic a weather presenter who called for the Yugoslav President Slobodan Milosevic to resign in a rogue broadcast In the great tradition of Michael Herr's famous record of the Vietnam war *Dispatches* Eve Ann Prentice draws a definitive picture of the Balkan war's twisted psychology as only an expert with unparalleled contacts can hope to achieve **BOOK JACKET** Bibliography of the History of Medicine , **A Traditionalist History of the Great War, Book**

II Alexander Wolfheze, 2021-01-27 This book analyzes the world of 1914 by combining the approaches of traditionalist hermeneutics and 20th century geopolitics The juxtaposition of these two frameworks incorporated in the principles of Sacred Geography and Sea Power allows for a Traditionalist perspective on the choices facing the Ten Great Powers on the eve of the Great War The book's multifaceted approach follows the iconoclastic culture critique method of the Traditional School that was developed by René Guénon, Frithjof Schuon and Julius Evola it shows the pre war world as essentially different from the post war world Thus the Ten Great Power protagonists of the Great War may be understood on their own terms rather than through a backward projection of politically correct values on the existentially different human life world of 1914 Dislodging the historical materialist progress premise that underpins contemporary academic historiography this book reasserts the highest claim of the Art of History meta narrative meaning **The Lonely War** Nazila Fathi, 2014-10-14 In the summer of 2009 as she was covering the popular uprisings in Tehran for the New York Times Iranian journalist Nazila Fathi received a phone call They have given your photo to snipers a government source warned her Soon after with undercover agents closing in Fathi fled the country with her husband and two children beginning a life of exile In *The Lonely War* Fathi interweaves her story with that of the country she left behind showing how Iran is locked in a battle between hardliners and reformers that dates back to the country's 1979 revolution Fathi was nine years old when that uprising replaced the Iranian shah with a radical Islamic regime Her father an official at a government ministry was fired for wearing a necktie and knowing English to support his family he was forced to labor in an orchard hundreds of miles from Tehran At the same time the family's destitute uneducated housekeeper was able to retire and purchase a modern apartment all because her family supported the new regime As Fathi shows changes like these caused decades of inequality especially for the poor and for women to vanish overnight Yet a new breed of tyranny took its place as she discovered when she began her journalistic career Fathi quickly confronted the upper limits of opportunity for women in the new Iran and earned the enmity of the country's ruthless intelligence service But while she and many other Iranians have fled for the safety of the West millions of their middleclass countrymen many of them the same people whom the regime once lifted out of poverty continue pushing for more personal freedoms and a renewed relationship with the outside world Drawing on over two decades of reporting and

extensive interviews with both ordinary Iranians and high level officials before and since her departure Fathi describes Iran's awakening alongside her own revealing how moderates are steadily retaking the country
