

Lopez Rega

**Klaus Friedrich Veigel**

## **Lopez Rega:**

**Masters of War** Clara Nieto, 2011-01-04 In *Masters of War* Clara Nieto adeptly presents the parallel histories of the countries of Latin America histories that are intertwined each reflecting the United States coherent policy of intervention set into motion by the Monroe Doctrine As the value of this continued policy comes increasingly into question Nieto argues for the need to evaluate the alarming precedent set in Latin America the institution of client dictatorships the roles played by the interests of U S corporations the enormous tolls taken on civilian populations and the irreversible disruption of regional stability Drawing from an impressive array of documents and sources as well as from her unique first hand insights as a participant in crucial meetings and negotiations in the region from the mid 1960s through the mid 1980s Nieto chronicles the Cuban Revolution the CIA sponsored coup against popularly elected President Allende in Chile the U S invasions of Panama and Grenada U S support for the cultivation and training of paramilitary death squads in Nicaragua El Salvador and Colombia as well as similarly severe but less well known situations in other countries such as Uruguay Venezuela Argentina Peru Bolivia Honduras and Guatemala *Masters of War* offers from an informed perspective perhaps for the first time a distanced objective analysis of recent Latin American history Clara Nieto s depth of knowledge and understanding is an invaluable resource at a time when the media is seen as unapologetically aligned with the interests of major corporations and policymakers and the American public has reached a new height of apprehension regarding the intentions behind and consequences of its government s policies

**Argentina's Foreign Policy** Edward S Milenky, 2019-06-03 The crises of industrialization and nation building have produced varying foreign policies and associated domestic images in Argentina Classic liberals see the country as a Western European society whose difficulties will be resolved through fuller and more effective participation in world affairs Statist nationalists see a dependent developing *Juan Perón* Jill Hedges, 2021-04-08 Within Argentina Juan Domingo Perón continues to be the subject of exaggerated and diametrically opposed views A dictator a great leader the hero of the working classes and Argentina s first worker a weak and spineless man dependent on his stronger-willed wife a Latin American visionary a traitor responsible for dragging Argentina into a modern socially just 20th century society or conversely destroying for all time a prosperous nation and fomenting class war and unreasonable aspirations among his client base Outside Argentina Perón remains overshadowed by his second wife Evita The life of this fascinating and unusual man whose charisma political influence and controversial nature continue to generate interest remains somewhat of a mystery to the rest of the world Perón remains a key figure in Argentine politics still able to occupy so much of the political spectrum as to constrain the development of viable alternatives Jill Hedges explores the life and personality of Perón and asks why he remains a political icon despite the negatives associated with his extreme personalism

**Populism and Ethnicity** Raanan Rein, 2020-06-03 Juan Perón s decade long regime from 1946 to 1955 is often presented as Nazi fascist and antisemitic claims that are strongly rooted in Argentina s collective unconscious and popular culture

Challenging this widely held view Raanan Rein asserts that there was greater Jewish support for Peron than previously believed and that fewer antisemitic incidents took place in Argentina during Peron's rule than during any other period in the twentieth century Recovering the silenced voices of Jewish Argentines who supported Peronism from the beginning Populism and Ethnicity is a historical sociological and political analysis that describes the many positive changes experienced by the Jewish community as a direct result of Peron's presidencies Peron and his wife Eva gave numerous speeches denouncing antisemitism and Peron's Argentina was the first Latin American country to open an embassy in the newly established State of Israel Arguing that no president before Peron so unambiguously rejected discrimination against Jews Rein shows that many Jews secured more important posts in government in the 1940s and 1950s than in previous years among them members of the Argentine Jewish Organization which became a section of the ruling Peronist party Deconstructing the myth of antisemitism during Peron's regime Populism and Ethnicity looks deep into the heart of international memory for the truth behind Jewish Argentine relations *Dictatorship, Democracy, and Globalization* Klaus Friedrich Veigel, 2010-11-01 The collapse of the Argentine economy in 2001 involving the extraordinary default on 150 billion in debt has been blamed variously on the failure of neoliberal policies or on the failure of the Argentine government to pursue those policies vigorously enough during the 1990s But this is too myopic a view Klaus Veigel contends to provide a fully satisfactory explanation of how a country enjoying one of the highest standards of living at the end of the nineteenth century became a virtual economic basket case by the end of the twentieth Veigel asks us to take the long view of Argentina's efforts to recreate the conditions for stability and consensus that had brought such great success during the country's first experience with globalization a century ago The experience of war and depression in the late 1930s and early 1940s had discredited the earlier reliance on economic liberalism In its place came a turn toward a corporatist system of interest representation and state led inward oriented economic policies But as major changes in the world economy heralded a new era of globalization in the late 1960s and early 1970s the corporatist system broke down and no social class or economic interest group was strong enough to create a new social consensus with respect to Argentina's economic order and role in the world economy The result was political paralysis leading to economic stagnation as both civilian and military governments oscillated between protectionism and liberalization in their economic policies which finally brought the country to its nadir in 2001 **The Economic Accomplices to the Argentine Dictatorship** Horacio Verbitsky, Juan Pablo Bohoslavsky, 2016 This book uncovers how banks individuals and companies worked as economic accomplices to the oppressive Argentinian dictatorship

**Operation Massacre** Rodolfo Walsh, 2013-08-27 1956 Argentina has just lost its charismatic president Juan Peron in a military coup and terror reigns across the land June 1956 eighteen people are reported dead in a failed Peronist uprising December 1956 sometime journalist crime fiction writer studiously unpoliticized chess aficionado Rodolfo Walsh learns by chance that one of the executed civilians from a separate secret execution in June is alive He hears that there may be more

than one survivor and believes this unbelievable story on the spot And right there the monumental classic Operation Massacre is born Walsh made it his mission to find not only the survivors but widows orphans political refugees fugitives alleged informers and anonymous heroes in order to determine what happened that night sending him on a journey that took over the rest of his life Originally published in 1957 Operation Massacre thoroughly and breathlessly recounts the night of the execution and its fallout **Argentina** Jill Hedges,2011-06-30 In the early 20th century Argentina possessed one of the world's most prosperous economies yet since then Argentina has suffered a series of boom and bust cycles that have seen it fall well behind its regional neighbours At the same time despite the lack of significant ethnic or linguistic divisions Argentina has failed to create an overarching post independence national identity and its political and social history has been marred by frictions violence and a 50 year series of military coups d'etat In this book Jill Hedges analyses the modern history of Argentina from the adoption of the 1853 constitution until the present day exploring political economic and social aspects of Argentina's recent past in a study which will be invaluable for anyone interested in South American history and politics

Dictatorship in South America Jerry Dávila,2013-02-25 Dictatorship in South America explores the experiences of Brazilian Argentine and Chilean experience under military rule Presents a single volume thematic study that explores experiences with dictatorship as well as their social and historical contexts in Latin America Examines at the ideological and economic crossroads that brought Argentina Brazil and Chile under the thrall of military dictatorship Draws on recent historiographical currents from Latin America to read these regimes as radically ideological and inherently unstable Makes a close reading of the economic trajectory from dependency to development and democratization and neoliberal reform in language that is accessible to general readers Offers a lively and readable narrative that brings popular perspectives to bear on national histories Selected as a 2014 Outstanding Academic Title by CHOICE On a Night of a Thousand Stars Andrea Yaryura Clark,2022-03-01 In this moving emotional narrative of love and resilience a young couple confronts the start of Argentina's Dirty War in the 1970s and a daughter searches for truth twenty years later New York 1998 Santiago Larrea a wealthy Argentine diplomat is holding court alongside his wife Lila and their daughter Paloma a college student and budding jewelry designer at their annual summer polo match and soiree All seems perfect in the Larreas world until an unexpected party guest from Santiago's university days shakes his usually unflappable demeanor The woman's cryptic comments spark Paloma's curiosity about her father's past of which she knows little When the family travels to Buenos Aires for Santiago's UN ambassadorial appointment Paloma is determined to learn more about his life in the years leading up to the military dictatorship of 1976 With the help of a local university student Franco Bonetti an activist member of H I J O S a group whose members are the children of the desaparecidos or the disappeared men and women who were forcibly disappeared by the state during Argentina's Dirty War Paloma unleashes a chain of events that not only leads her to question her family and her identity but also puts her life in danger In compelling fashion On a Night of a Thousand Stars speaks to relationships morality

and identity during a brutal period in Argentinian history and the understanding and redemption people crave in the face of tragedy Includes a Reading Group Guide      **International Relations in Latin America** Andrea Oelsner,2013-10-11 This work studies the development of bilateral relations in two pairs of states dyads Argentina Brazil and Argentina Chile It takes on a moderate constructivist approach that incorporates into the analysis of international relations the role of identities ideas and perceptions as well as of material forces and understands that the former are affected and changed during interaction It also uses to securitization theory to explain how issues come or cease to be considered security matters through social constructions      **Encyclopedia of War Crimes and Genocide** Leslie Alan Horvitz,Christopher Catherwood,2014-05-14 Entries address topics related to genocide crimes against humanity and peace and human rights violations profile perpetrators including Joseph Stalin Pol Pot and Idi Amin and discuss institutions set up to prosecute these crimes in countries around the world      Argentina's "Dirty War" Donald C. Hodges,2014-01-30 Argentines ask how their ultracivilized country reputedly the most European in Latin America could have relapsed into near barbarism in the 1970s This enlightening study seeks to answer that question by reviewing the underlying political events and intellectual foundations of the dirty war 1975 1978 and overlapping Military Process 1976 1982 It examines the ideologies and actions of the main protagonists the armed forces guerrillas and organized labor over time and traces them to their roots In the most comprehensive treatment of the subject to date Hodges examines primary materials never seen by other researchers including clandestinely published guerrilla documents and interviews important actors in Argentina s political drama His wide ranging scholarship traces the origins of the national security and national salvation doctrines to the Spanish Inquisition sixteenth century witch hunts and nineteenth century reactions to the modernizing ideologies of liberalism democracy socialism and communism Hodges posits that the dirty war Military Process and revolutionary war to which they responded represented the culmination of social tensions that arose in 1930 with the launching of the Military Era by Argentina s first successful twentieth century coup He offers the disquieting hypothesis that as long as the Argentine Question remains unsettled the military may intervene again the resistance movement will remain strong and violence may continue even under a democratic government      **Argentina's Lost Patrol** María José Moyano,1995-01-01 An excellent analysis of Argentine guerrilla movements in the 1960s 70s based on a wide range of printed sources and extensive interviews with members of the groups Rather than describing all the activities of the various groups this study attempts to explain the rationale for their behavior Handbook of Latin American Studies v 58      **Perón and the Enigmas of Argentina** Robert D. Crassweller,1987 A study of the life of Juan Peron focusing on the values emotions and psychological links of the appeal of Peronism and its mythology and longevity      **Evita, First Lady** John Barnes,2007-12-01 The story of one of the most fascinating women of all time Maria Eva Duarte who rose from poverty to become one of the richest most powerful women in the world Eva Per n was a star and a legend during her lifetime one of the most alluring women of the twentieth century

Through the hit Broadway musical *Evita* by Andrew Lloyd Webber her story became famous and with the release of the film starring Madonna as Eva Perón her life became a media obsession once again *Evita* as she preferred to style herself was the beautiful and legendary woman who rose up from poverty to become the hypnotically powerful first lady of Argentina To millions of poor people she was a savior to her enemies she was a monstrous dictator In this riveting biography John Barnes explores the astonishing paradox of this champion of the poor who attacked the rich and in the process made herself the wealthiest woman in the world

[Argentine Jews or Jewish Argentines?](#) Raanan Rein,2010-01-25 The essays gathered here challenge essentialist concepts and overemphasis on Jewish particularity as well as the common discourse of Jewish victimology At the same time they reveal how the Jews like other ethnic groups are not monolithic but fragmented by place of origin social class political ideologies and gender The topics discussed include the non political Zionism espoused by Sephardic Jews during the first half of the 20th century Argentine neutrality during World War II the entry of Nazi war criminals to Argentina the regime of Juan Perón and its attitudes towards Jewish Argentines and the state of Israel the reactions of Jews to the anti Semitic wave in Argentina following the kidnapping of Adolf Eichman by Mossad agents the Latin American community in Israel and protests by Argentine exiles in Israel against the 1978 world cup soccer games played in Argentina during a brutal military regime Argentine Jews or Jewish Argentines Essays on Ethnicity Identity and Diaspora is a critical contribution encouraging more subtle approaches to studying the identities of Jewish populations in Latin America Steven Hyland Jr Wingate University

*Last Tango in Buenos Aires* David Marsh,2016-01-07 Enjoy travel writing Read *Last Tango in Buenos Aires* and travel through Argentina with David Marsh Meet pilgrims and Indians poets and nuns teachers priests veterans of the war in the South Atlantic gold diggers coal miners and ranchers those bereaved by the Dirty War and apologists for it and those nostalgic for the time when theirs was one of the world's richest countries or *Evita* held half the nation spellbound Everyone has an image of Argentina or its people be it tango dancers or gauchos riding the pampa football and the hand of God the snowcapped Andes or the Patagonian vast Don't Cry For Me Argentina or beef and Malbec The Argentinians themselves are wont to joke that theirs would be the most wonderful country in the world were it not for its 42 million inhabitants David Marsh goes beyond this self deprecating take and delves into the Argentinian psyche in *Last Tango in Buenos Aires* which takes an intimate look into an often misunderstood country Everyone I met seemed to have a tale to tell or a point to make said David Marsh when discussing his travels through Argentina Their voices breathe authentic life into *Last Tango in Buenos Aires* a compelling book that will appeal to fans of travel writing It covers not only Argentina's geographical and cultural diversity its beauty history politics and paradoxes but also the Argentinians of diverse backgrounds and walks of life that David met during his travels

**Combating Terrorism** Yonah Alexander,2002 A unique survey and assessment of counterterrorism strategies across the globe by prominent experts

[Modernity of Religiosities and Beliefs](#) Pablo Alberto Baisotti,Ricardo Martínez Esquivel,2021-09-23 Modernity of Religiosities and Beliefs A

New Path in Latin America From the Nineteenth to Twenty First Century synthesizes new research on various phenomena related to religions and beliefs in Latin America The contributors provide comprehensive analytical interpretations of Latin American spheres of religious ideas and worldviews and show that they are a key element to understanding the history of the region Overall this book gives an account of the whole spectrum of religious phenomena in Latin American societies providing a global interpretation that will contribute to the study of political economic and cultural modernities in Latin America
