Lord Goodman:

Lord Goodman Brian Brivati,1999 For just over a decade from 1963 to the mid 1970s Arnold Goodman was the most powerful non elected figure in Britain His power was based on access to the top political and social figures in the age of Harold Wilson and Edward Heath He was skilled at extracting the most fulsome apologies in libel cases and even more skilled in stopping unwelcome stories before they appeared He also chaired the Arts Council brokered for the Observer and performed several other notable services Brian Brivati's study is fair minded and often sympathetic as he tracks Goodman's many acts of kindness and personal patronage and his genuine and pervasive sense of humor But also included is a full account of Goodman's financial dealings with the Portman family funds and of his acting as middleman when Mohammed Fayed paid for Norman Tebbit then Secretary of State for Industry to have a new car for his wife

Akenson,1994 Conor Cruise O'Brien is recognized internationally for having lived a series of controversial public lives scapegoated UN representative during the Belgian Congo crisis champion of academic freedom at the University of Ghana courageously independent political activist gadfly among the New York intelligentsia of the 1960s leading Irish nonfiction writer of the twentieth century This sampler brings together for the first time classic pieces originally published on both sides of the Atlantic The essays and two early poems included here address topics from the challenges of African politics to Yeats's relationship with fascism to fashionable varieties of Americocentrism **Conor, Volume I** Donald Harman

Akenson,1994-09-07 The career of Conor Cruise O'Brien reads like the work of several people not just one Having served as a diplomat under Sean MacBride he came to world prominence as special representative to Dag Hammarskjöld Secretary General of the United Nations in the then Congo Squeezed ruthlessly by big power politics he resigned and wrote *To Katanga and Back* 1962 a classic in modern African history and still the only book to get behind the polished marble facade to reveal how the United Nations works O'Brien then became Vice Chancellor of the University of Ghana and battled for academic freedom against one of the most amiable of tyrants Kwame Nkrumah He moved on to become the first incumbent of the Schweitzer Chair at New York University His relations with the New York intellectuals of the time were productive acrimonious sometimes comic and part of a central chapter in the intellectual history of America in the 1960s From 1969 to 1977 O'Brien was probably the most hated person in Ireland as well as one of the most heroic One of the first to see the fascistic nature of the Provisional IRA he began an unrelenting campaign against its terrorism In that campaign he called into question the basic myths upon which the Irish republic was constructed His *States of Ireland* 1972 is the most publicly influential piece of Irish historical writing since John Mitchel's *The Last Conquest of Ireland* 1860 and many students of Irish history believe that O'Brien's work in the 1970s was crucial to averting civil war in Ireland Whatever one thinks about this extraordinary man one cannot ignore him He may well be the most important Irish nonfiction writer of the twentieth century with writings as widely scattered as they have been influential Volume I Narrative is the biography of one of the most controversial engaging and courageous individuals of this century Volume II Anthology brings together his best short pieces many of which originally appeared in such periodicals as the *Spectator* the *New Republic* Harper's the *Atlantic* the *New Statesman* the *Observer* and the *New York Review of Books* and have never been reprinted A complete bibliography of O'Brien's work is also provided *Britain and the Politics of Rhodesian Independence* Elaine Windrich,2024-08-30 First published in 1978 *Britain and the Politics of Rhodesian Independence* is a study of British policy towards Rhodesia and an

account of the failure of both Labour and Conservative governments to find a satisfactory solution to its decolonization The essential bar to a solution was that the British government had in Rhodesia responsibility but no power Force being ruled out and sanctions ineffective nothing remained but the diplomacy of detente while the two sides in Rhodesia itself moved closer and closer to deadlock This study provides a balanced and clear analysis of the developments essential to an understanding of the events in Rhodesia Covering the period 1964-77 with an introduction to the issue as it arose in 1962-3 the attitudes of successive British governments are examined and the pressures affecting their responses considered A concluding section looks at the international repercussions in 1976-7 and the reactions of the United Nations to the situation then This book will be of interest to students and researchers of history politics and international relations **For No One** Alan

Bradley,2013-12-20 The Beatles were one of the most important musical phenomena of the twentieth century and together with their manager Brian Epstein it can truly be stated that they changed the world But there were dark aspects to the Beatles story to go along with the million sellers and the record breaking tours Lost opportunities millions of pounds lost or squandered or stolen and the involvement of some very unpleasant characters For No One is the story of the Beatles rise to super stardom and their descent into a petty squabbling break up and a decline highlighted by tragic death and squalid murder and a host of unanswered questions **Culture and Consensus (Routledge Revivals)** Robert

The Official History of Criminal Justice in England and Wales Paul Rock, 2019-04-30 Volume II of The Official History of Criminal Justice in England and Wales traces for the first time the genesis and early evolution of two principal institutions in the criminal justice system the Crown Court and the Crown Prosecution Service This volume examines the origins and shaping of two critical institutions the Crown Court which rose from the ashes of the Courts of Assize and Quarter Sessions and the Crown Prosecution Service which replaced a rather haphazard system of police prosecuting solicitors The 1971 Courts Act and the 1985 Prosecution of

Offences Act were to reconfigure the architecture of criminal justice transforming the procedures by which people were charged prosecuted and in the weightier cases demanding a judge and jury tried in the criminal courts of England and Wales One stemmed from a crisis in a medieval system of travelling justices that tried people in the wrong places and for inadequate lengths of time The other was precipitated by a scandal in which three men were wrongly convicted for the murder of a bisexual prostitute Theirs is an as yet untold history that can be explored in depth because it is recent enough in the words of Harold Wilson to have been written while the official records could still be supplemented by reference to the personal recollections of the public men who were involved This book will be of much interest to students of criminology and British history politics and law
