Lord, I Want to Be Whole Workbook and Journal Stormie Omartian, 2003-03-03 When the heat is on and the battle is raging know that as long as you are standing strong in the Lord you won't be shot down or burned up by your circumstances Think in terms of God's power As long as you stand with God and don't give up you win Most ministers and psychologists agree that personal change comes from within And that change can only occur if you take a careful look at your own life and experience That's certainly what Stormie Omartian discovered Over thirty years ago she was so depressed she considered suicide Then she went through the seven step process she described in her bestselling book *Lord I Want to Be Whole* Now Stormie makes this process available to you in a personal walk to emotional well being a walk with the truth of Scripture and the power of prayer at your side Throughout your journey you will be observing the lives of some familiar people in the Bible Many of these people had the same faults and suffered the same problems you do The way the Lord guided them will be a path for you to follow Each week you will work through interactive questions and thought provoking Scriptures that will enable you to determine who you are what you're doing and where you're going And then you will establish some guidelines for your future The healing and restoration I found is there for you too Stormie asserts Whether your hurt is from scars as far back as early childhood or from this week's untimely severing of a precious relationship you can be whole spiritually and emotionally This easy to use workbook serves as an excellent guide for either personal devotions or group study Use it as a stand alone Bible study or as a companion to Stormie's book *Lord I Want to Be Whole*

**Hellfire and Destruction** Paul Marston,2023-12-13 To those of us who believe in the inspiration and authority of the Bible it must surely be a concern to know what it says will happen to the millions around us some of whom we love dearly who die without repentance or faith Does Scripture teach that at the last judgment those who remain unrepentant will be consigned to an unending existence of torment without hope Is that truly what Jesus and his apostles believed and taught This book presents basic evidence that what they really taught was that the final judgmental end for such people will be destruction taking its obvious meaning that

they will cease to exist as conscious individuals The arguments are not complex because most of the New Testament writers make plain statements to this effect The book also looks at those parables and Revelation passages sometimes taken to indicate unending torment It links with academic works that in increasing numbers are making the same points but the book is not a contribution to academic scholarship Rather it is a careful readable and accessible account to challenge pastors church leaders and Christians generally to consider what the Bible actually says rather than rely on tradition
