**The War Within** Brian V Wieck, 2018-08-31 The War Within was written as a series of individual papers of encouraging faith As Brian Wieck puts them together in his debut book The War Within he learns to rebuke the lies he believed to be true and turn his life over to Jesus Christ The War Within begins each paper with a lie and ends with the truth through a rediscovered faith in Jesus Christ Brian Wieck literally changes his mind as he progresses through each paper and draws closer to God As the book progresses so does the healing power of Jesus Christ *The Time of Miracles* Borislav Pekić, 1994 Borislav Pekic spent six years in jail as a political prisoner his only reading material the Bible In 1965 ten years after his pardon his first novel The Time of Miracles was published and became an overnight sensation A set of parables based on the miracles of the New Testament the book rewrites the story of Jesus from the perspective of Judas who is obsessed with the idea prophecy must be fulfilled and from that of the individuals upon whom miracles were performed without their consent and in most cases to their eventual dissatisfaction Filled with humor and poignancy The Time of Miracles is a trenchant commentary on the power of ideology in one's life upon what it means to hold beliefs and upon the nature of faith
