Lord Im Not Smart Enough:

Take Hold of the Faith You Long For Sharon Jaynes, 2016-05-03 On the outside many women are well put together Christians with trendy shoes beautiful children and wide white smiles On the inside those same women are little girls cowering at the edge of the playground hoping no one notices them yet still wishing they could join in They've professed faith and know the right things but they struggle to truly take hold of the life more abundant that Jesus offers Instead they settle for a life that's less than what God has promised them In this liberating book Sharon Jaynes reveals the most common reasons women get stuck with a mediocre mundane faith Then she shows women how to break free and move forward leaving behind the feelings of inferiority inadequacy and insecurity that are holding them hostage She uncovers untapped sources of confidence and courage equipping women to move from knowing the truth to actually believing it and living it out boldly in a life marked by true freedom *Illustrations* David W. Jones, Three frogs are sitting on a log Two decide to jump How many frogs are left Three Deciding to jump means nothing Action is everything Poignant stories parables and quotes can not only bring life to a sermon speech or presentation they can help the hearers to take flight and go from listeners to doers

The Wholehearted Wife Erin Smalley, Greg Smalley, Gary Smalley, 2014-06-20 Although it takes two to have a great marriage an important truth for any marriage partner to realize is that he or she can really change no one other than him or herself Nevertheless changes in just one person can have an amazing impact on a marriage relationship Instead of focusing on How do I have a better marriage this book embraces that truth and helps women ponder the question How can I be the best wife I can be It provides every woman with skills information and encouragement to make a positive difference to this and future generations by wholeheartedly investing in her marriage and her relationship with her husband today The Wholehearted Wife is written by Erin and Greg Smalley along with Gary Smalley the creator and presenter of Keys to a Loving Relationship one of the best selling video series of all time Recognizing that most if not all married women have either experienced a time when her marriage felt lifeless or sat with another female friend or family member who was experiencing that situation this book is also a wonderful resource for those times

Love God, Love Yourself Faith Bolde, 2025-02-04 Through my own personal struggles I had been writing verses on sticky notes adhering them to my bathroom mirror to look at each day One day I was reading one and I thought why don't I just write my own devotional I started with those verses and created a journal entry that related to each one The process became therapeutic while I was still dealing with my own

insecurities A wide variety of topics are shared about my experiences with skin issues body image comparison security in relationships friendships and trying to control everything when all I could truly do was surrender all those things to God I am certainly not perfect and I am not a pastor or seminary student but I felt the Holy Spirit leading me to author this book I pray that these verses and journal writings are not only a reminder to me but to the reader as well

A Suitable Replacement Megan Derr, After three years abroad on an arduous expedition Maximilian is happy to be home where he can pursue his studies in peace and enjoy not living in a dusty tent He has arrived in time to attend his twin sister s wedding in a few months and to finally meet her fianc Kelcey But instead of reuniting with his sister he is instead accosted by her irate fianc who wants to know where she has run off to and why When they confirm the wedding is most definitely canceled Max has no choice but to fulfill the runaway clause in the marriage contract he must find Kelcey a new spouse But instead of a simple matter of escorting a man around town and arranging a suitable match he instead finds himself swept up in all the trouble his infuriating sister left behind

Hearing God Every Day Doug Addison, 2019-03-19 Hearing God is not complicated We often think the process of hearing God s voice is more complex than it really is We may be straining to hear God speak in one specific way when in fact He is communicating in creative and unique ways which we must learn to discern As you discover the different ways God speaks you can position yourself

The Problem with God Peter Steinberger, 2013-07-02 Whether people praise worship criticize or reject God they all presuppose at least a rough notion of what it means to talk about God Turning the certainty of this assumption on its head a respected educator and humanist shows that when we talk about God we are in fact talking about nothing at all there is literally no such idea and so all of the arguments we hear from atheists true believers and agnostics are and will always be empty and self defeating Peter J Steinberger s commonsense account is by no means disheartening or upsetting leaving readers without anything meaningful to hold on to To the contrary he demonstrates how impossible it is for the common world of ordinary experience to be all there is With patience clarity and good humor Steinberger helps readers think critically and constructively about various presuppositions and modes of being in the world By coming to grips with our own deep seated beliefs we can understand how traditional ways asserting denying or even just wondering about God s existence prevent us from seeing the truth which it turns out is far more interesting and encouraging than anyone would have thought
