winds than you anticipated Do you feel stuck between a former somewhere to which you cannot return and a new somewhere that you cannot seem to reach Welcome to the gap You are living in a messy but miraculous patch of real estate albeit in the unstable element of the baptismal waters of life s transitions that lies between your current reality and the location of your desired destiny Traversing this gap is a vital step in the journey of all human beings regardless of their race gender or creed The assumption that God is in control of absolutely everything in our life will be challenged as we enter the gap to find that this notion isn t necessarily so Rather the choices we make determine the outcomes we receive When you arrived on this planet you weren t handed a script to memorize and follow You have had to walk by faith from the moment you learned to put one foot in front of the other You were surely created with a grand design in mind one that includes your capacity to invoke evoke and provoke personal destiny Calling your destiny into being requires your intentional participation and cooperation Through LifeQuest seasoned people helper semiotician professional certified coach and master consultant Dr Mark Chironna will guide you in charting a course for your life s journey He will help you to ask the right questions encourage you to explore the mysterious gap between your current reality and your future destiny and show you that change is not your enemy Get started on your LifeQuest today

Why Average People Stay Broke- The Overlooked Truths About Money Margaret Atwood, Terri Havens ,2025-09-26 Why Average People Stay Broke The Overlooked Truths About Money If working harder was the secret to wealth everyone would be rich by now Yet millions grind every day and still live paycheck to paycheck Why Because the real rules of money aren t taught in schools shared at dinner tables or revealed in your 9 to 5 job Why Average People Stay Broke uncovers the hidden truths about money that keep everyday people trapped in financial struggle while the wealthy play a completely different game This isn t about luck talent or even intelligence it s about understanding the unspoken principles that separate the broke from the financially free Inside you ll discover Why hard work alone will never make you rich The mindset shifts that unlock opportunity most people ignore The traps of consumer culture that silently drain your wealth How to start building assets instead of debts no matter your income level The overlooked habits that quietly determine your financial destiny This book isn t another get rich quick manual It s a wake up call a brutally honest yet empowering guide that shows you why average people stay broke and how you can break the cycle once and for all If you re tired of doing everything right and still ending up behind it s time to learn the truths about money that no one ever told you

Making Strangers: Outsiders, Aliens and Foreigners Abbes Maazaoui,2019-04-05 Studies on foreignness have increased substantially over the last two decades in response to what has been dubbed the migration refugee crisis Yet they have focused on specific areas such as regions periods ethnic groups and authors Predicated on the belief that this so called twenty first century problem is in fact as old as humanity itself this book analyzes cases based on both long term historical perspectives and current occurrences from around the world Bringing together an international group of scholars from Australia Asia Europe and North America it examines a variety of examples and strategies mostly from world literatures

ranging from Spain's failed experience with consolidation as a nation state type entity during the Golden Age of Castile to Shakespeare's rhetorical subversion of the language of fear and hate to Mario Rigoni Stern's random status at the unpredictable Italian Austrian borders to Lawrence Durrell's ambivalent approach to noticing the physically visible other to the French government's ongoing criminalization of hospitality to Sandra Cisneros's attempt at straddling two countries and cultures while belonging to neither one to the illusive legal limbo of the DREAMers in the United States We are not born foreigners we are made The purpose of the book is to assert as denoted by the title this fundamental premise that is the making of strangers is the result of a deliberate and purposeful act that has social political and linguistic implications The ultimate expression of this phenomenon is the compulsive labeling of people along artificial categories such as race gender religion birthplace or nationality A corollary purpose of the book is to help shed light worldwide on one of the most pressing issues facing the world today the place of the other amid fear mongering and unabashedly contemptuous acts and rhetoric toward immigrants refugees and all those excluded within because of race gender national origin religion and ethnicity As illustrated by the examples examined in this book humans have certainly evolved in many areas dealing with the other might not have been one of those It is hoped that the book encourages reflection on how the arts and especially world literatures can help us navigate and think through the ever present crisis the place of the stranger among us
