**Reconstructing the Psychological Subject** Betty M Bayer, John Shotter, 1998-01-12. This major book offers a comprehensive overview of key debates on subjectivity and the subject in psychological theory and practice. In addition to social construction's long engagement with social relations, this volume addresses questions of the body, technology, intersubjectivity, writing, and investigative practices. The internationally renowned contributors explore the tensions and opposing viewpoints raised by these issues and show how analyzing the psychological subject interrelates with reforming the practices of psychology. Drawing on perspectives that include feminism, dialogics, poststructuralism, hermeneutics, Lacanian psychoanalysis, and cultural or social studies of science, readers are guided through pivotal

**Therapeutic Voicework** Paul Newham, 1998. *Learning Through Theatre* Tony Jackson, 1993. In the two decades since the publication of the second edition, *Learning Through Theatre* has further established itself as an indispensable resource for scholars, practitioners, and educators interested in the complex interrelations between teaching and learning the performing arts and society at large. Theatre in Education (TIE) has consistently been at the cutting edge of the ever-growing field of Applied Theatre; this comprehensively revised new edition makes an international case for why and how it will continue to shape ways in which the participatory arts contribute to the learning of young people and increasingly adults in the 21st century. Drawing on the experiences and insights of theorists and practitioners from across the world, *Learning Through Theatre* shows how theatre can and does promote participatory engagement, the use of innovative theatrical form, work with young people and adults in a range of educational settings, and social and personal change. Now transatlantically edited by Anthony Jackson and Chris Vine, *Learning Through Theatre* offers exhilarating new reflections on the book's original aim to define, describe, and debate the salient features and wider political context of one of the most important and radical developments in contemporary theatre.
