church into a spiritual fitness center the fire of faith can be rekindled in each of us When the War Came Home Bill Newman,2014-11-26 Bring the War Home which had been a rallying cry of the anti Vietnam War movement was transformed on May 4 1970 into a macabre irony when the Ohio National Guard opened fire on student anti war protesters at Kent State killing four and wounding nine Many certainly not all of the anti war student activists were chauvinist privileged white men Those cadres of the movement got a lot wrong then but as the LGBT environmental and anti war movements that followed have proven they also had some core beliefs that were right And while those 1960s activists most assuredly won't achieve anything close to the idealism they purportedly believed in at that time their kids just might When the War Came Home tells that story About this book Noam Chomsky writes Drawing from rich personal engagement vividly portrayed Bill Newman captures the courage and commitment of the young activists of the 1960s the civilizing effect on the country in the years that have followed and the shameful abuses that plague the society today An enlightening collection inspiring and often shocking Bill Newman has been the Director of the Western Massachusetts Office of the American Civil Liberties Union for more than a quarter century **More Davids Than Goliaths** Harold Ford, Jr.,2010-08-10 Harold Ford Jr has long distinguished himself as a charismatic results oriented politician with fresh ideas His career began at age 26 after he won his father's Congressional seat serving his Tennessee district for ten years He stepped into the national spotlight with his electric keynote at the 2000 Democratic National Convention and in 2006 his reputation was further shaped during the closest Senate race in Tennessee's history which he lost Ford feels passionately that our country's best days are ahead and in *More Davids Than Goliaths* he presents his mission statement for America Reflecting on what he's learned from his extended political family the slings and arrows of the campaign trail and those across our nation who inspire him *More Davids Than Goliaths* explains Ford's conviction At its best leadership in government can solve inspire and heal Along the way Ford reminds us that in America there are more Davids than Goliaths more solutions than problems more that unites us than divides us *The Boycott* Melissa Hall,2021-09-02 *The Boycott* By Melissa Hall Trace Ferris is an ordinary guy living an ordinary life He has lived in the same small town all his life and works as a delivery truck driver He visits his mother every weekend and spends his free time after work with his old high school buddies at the local dive bar Trace is content with his life for the most part And things get even better when Felicity Holmes walks into his life a self assured intelligent funny and drop dead gorgeous woman and the first woman he's dated in a long time As Felicity and Trace enjoy the beginning of their relationship the political election season looms and it brings with it a torrent of harsh smear campaigns fear tactics and pandering politicians Sick of all the constant political drama the couple decides to take a stand for the sake of their own peace of mind They are boycotting all things politics When people in the community start seeing how much happier they are they join in on the boycott As the movement grows Trace and Felicity catch the attention of frustrated politicians who fear the disastrous effects it could have on the election American Newspaper Comics Allan Holtz,2012 The most
