Mothers Love A Special Bible For Expectant Mothers New Testament And Psalms:

A Women's Lectionary for the Whole Church Year C Wilda C. Gafney, 2024-07-02 The final installment in the critically acclaimed lectionary series that focuses on women's stories In this third volume of a three volume lectionary widely praised womanist bible scholar and priest Wilda Gafney selects scripture readings that emphasize women's stories Focusing especially on the Gospel of Luke Year C of A Women's Lectionary features Gafney's fresh inclusive and thought provoking translations of every reading alongside commentary on each reading Designed for liturgical use or scriptural study this resource offers a new perspective on the Bible and the liturgical year Gafney's paradigm shifting scholarship will influence biblical preaching and teaching for generations to come National Catholic Reporter *A Women's Lectionary for the Whole Church Year B* Wilda C. Gafney, 2023-07-18 In this project I propose at least two new lectionaries a year W a women's readings year that can be added to the current Episcopal or Revised Common RCL Lectionaries and a new three year cycle How would a lectionary centering women's stories chosen with womanist and feminist commitments in mind frame the presentation of the scriptures for proclamation and teaching More simply what would it look like if women built a lectionary focusing on women's stories How is the story of God told when stories of women's brutalization and marginalization are moved from the margins of canon and lectionary and held in the center in tension with stories of savvy and strong women women whose contribution is not limited to or does not even include childbearing There are more than two billion Christians in the world according to the Pew Research Center demographic projections Pew Research Center's Forum on Religion and Public Life Global Religious Landscape December 2012 2.3 billion in 2015 With Roman Catholics making up an estimated 1.2 billion and accounting for Orthodox Christians Anglicans Episcopalians Methodists Presbyterians Lutherans and other Reformed traditions along with some Baptist and congregational churches that use a lectionary the overwhelming majority of Christians receive their scripture mediated through a lectionary Based on the numbers in the Pew Research Center's 12 May 2015 report America's Changing Religious Landscape as much as sixty percent of American Christians attend services in churches that use lectionaries Those lectionaries are not simply as androcentric as are the scriptures but in my experience as a congregant and priest women are even less well represented than they are in the biblical text For example there are one hundred and eleven named women in the Hebrew Scriptures which is itself under represented in preaching lectionaries not accounting for the numbers of unnamed women and girls The lectionary is a catechetical tool All many congregants know of the bible is the texts they hear read from their respective lectionary As a biblical scholar it is my hope to see congregants exposed to the bible more broadly and deeply and see them equipped to engage the sacred texts of their tradition critically with nuance This book will be for use in liturgical contexts in parishes and the institutions of the Church in seminary classrooms particularly worship and liturgy and for individual devotional use *A Women's Lectionary for the Whole Church Year W* Wilda C. Gafney, 2021-08-17 What would it look like if women built a lectionary focusing on women's stories What

does it look like to tell the good news through the stories of women who are often on the margins of scripture and often set up to represent bad news How would a lectionary centering women s stories chosen with womanist and feminist commitments in mind frame the presentation of the scriptures for proclamation and teaching The scriptures are androcentric male focused as is the lectionary that is dependent upon them As a result many congregants know only the biblical men s stories told in the Sunday lectionary read in their churches A more expansive more inclusive lectionary will remedy that by introducing readers and hearers of scripture to women s stories in the scriptures A Women s Lectionary for the Whole Church when completed will be a three year lectionary accompanied by a stand alone single year lectionary Year W that covers all four gospels

The Publishers' Trade List Annual ,1978 The Friend ,1869 **Thinking Like a Planet** J. Baird Callicott,2014-01-06 Bringing together ecology evolutionary moral psychology and environmental ethics J Baird Callicott counters the narrative of blame and despair that prevails in contemporary discussions of climate ethics and offers a fresh more optimistic approach Whereas other environmental ethicists limit themselves to what Callicott calls Rational Individualism in discussing the problem of climate change only to conclude that essentially there is little hope that anything will be done in the face of its perfect moral storm in Stephen Gardiner s words Callicott refuses to accept this view Instead he encourages us to look to the Earth itself and consider the crisis on grander spatial and temporal scales as we have failed to in the past Callicott supports this theory by exploring and enhancing Aldo Leopold s faint sketch of an Earth ethic in Some Fundamentals of Conservation in the Southwest a seldom studied text from the early days of environmental ethics that was written in 1923 but not published until 1979 after the environmental movement gathered strength

The Prophetic Call to Love and Justice Arnold H. De Graaff,2025-06-20 Scripture s compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives
