and cheers of USA could be heard from the gallery The Ryder Cup began to resemble the Super Bowl and it quickly became evident that this match was about more than just golf In The War by the Shore veteran golf writer and bestselling author Curt Sampson chronicles this pivotal competition He interviewed dozens of key players from both Team USA and Team Europe and provides historical context to explain why the tension was ratcheted so high at this particular Ryder Cup Well researched engrossing and deeply entertaining The War by the Shore is the story of when golf lost its manners and to some extent its mind **The American Magazine** ,1914 *Playing All 50* Christopher R.
