Hollywood began to emerge The phone s not ringing so much these days and Sue is forced to face the inevitable truth the credits roll sooner than you think The Plays of Euripides: Translator's preface. Memoir of Euripides. Rhesus. Medea. Hippolytus. Alcestis. Heracleidae. The suppliants. The Trojan women. Ion. Helen Euripides,1891 The Sinner's Guide to Confession Phyllis Schieber,2008-07-01 From the author of Willing Spirits a novel of three women their deepest longings and their most profound secrets Barbara Kaye and Ellen longtime friends are inseparable but each nurtures her own secret As a widowed mother Barbara hides her persona as a writer of erotica Kaye is having an extramarital affair that reawakens her passion but fills her with conflict Ellen has lost her husband to a younger woman who is now pregnant a painful blow since Ellen and her husband were never able to conceive But she is not childless Ellen is still haunted by the memory of the baby girl she had at sixteen and was forced to relinquish at birth Estranged from her family Ellen realizes that if she is ever to find her lost daughter now a grown woman herself she will have to confront her shame and rely on her dearest friends The Nonviolent Atonement, Second Edition J. Denny Weaver,2011-01-26 A provocative study that cuts to the very heart of Christian thought The Nonviolent Atonement challenges the traditional Anselmian understanding of atonement along with the assumption that heavenly justice depends on Christ s passive innocent submission to violent death at the hands of a cruel God Instead J Denny Weaver offers a thoroughly nonviolent paradigm for understanding atonement grounded in the New Testament and sensitive to the concerns of pacifist black feminist and womanist theology While many scholars have engaged the subject of violence in atonement theology Weaver s Nonviolent Atonement is the only book that offers a radically new theory rather than simply refurbishing existing theories Key features of this revised and updated second edition include new material on Paul and Anselm expanded discussion on the development of violence in theology interaction with recent scholarship on atonement and response to criticisms of Weaver s original work Praise for the first edition The best current single volume on reconstructing the theology of atonement S Mark Heim in Anglican Theological Review Weaver provides an important contribution to atonement theories by seriously inserting the contemporary concerns of pacifist feminist womanist and black theologians into the centuries old christological conversation A provocative but faithful proposal benefiting any student of christology Religious Studies Review A noteworthy contribution to the literature on the atonement Weaver provides a useful critique of the history of atonement motifs he does a fine job of placing Anselm s theology in its historical context he creatively fuses a singular biblical vision from the earthly narrative of the Gospels and the cosmic perspective of the Apocalypse and he attempts to relate discussions of the atonement to Christian social ethics Trinity Journal This is a superb succinct survey and analysis of classical and contemporary theories of the atonement ideal for students and general readers A clearly written passionately expressed introduction to current debates on the atonement Excellent resource Reviews in Religion and Theology *Mis-Directing the Play* Terry McCabe,2008-12-16 Arguing for a radical reorganization of the stage director s view of his role Terry McCabe challenges the notion that a play is the director s vehicle for self

expression The idea of the director as centerpiece of the theatre he declares distorts plays and oppresses the actors Mr McCabe explores what it means to direct a play when directing is properly understood as a process of self effacement and faithfulness to the playwright s vision An eminently sensible polemic delivered with cogent examples and equally cogent arguments Nicholas Rudall A call to responsibility and dare I say it adulthood It is also the fuel for what could be some constructive arguments among colleagues Jeffrey Sweet
