expensive solutions or need an on the go option **Let's Perform... Sacred! BOOK 1 - Baritone/Euphonium** B. C. Terry Schipplein,2013-08-31 This book is designed to take you from the first steps of learning to perform to the actual performance With each solo listed you will learn how to play the solo the words to the song the notes and fingering rhythm singing music theory interpretation and how to practice You will also be guided through the performance process with tips Coordinates with first year method book of choice A separate piano accompaniment book is available Brass in Color Sean Burdette,2018-10-29 Euphonium Baritone Book Two of the Brass in Color Beginner Method Series uses a color coded tablature Color Fingerings to help students learn the fingerings of the euphonium baritone and apply them to notes in the Low Range The Low Range begins with the notes Bb A notated on the staff and the remaining notes of the Low Range are presented in a descending chromatic order and end with the note E that is notated below the staff For each lesson the notes of the Low Range will be introduced relative to the notes of the Middle Range and these notes will correspond with the Color Fingerings In this way students will be able to see how the same fingerings are used to play different notes on the euphonium baritone In addition to learning the notes of the Low Range students will be introduced to the music concepts of slurs eighth notes and scales Standard music notation has also been included with each lesson to help the instructor know which notes to play and to teach students how to read the notes as they match them with the fingerings of the euphonium baritone Breath marks articulation dynamics and tempi are not noted in the lessons and may be added by the instructor as needed Also key signatures are not used so that students will focus primarily on listening and learning the fingerings associated with the notes This beginner method series for euphonium baritone also has a companion website www.brassincolor.com On the website you will find audio for each lesson as well as different activities videos and other resources to help students learn to play the euphonium baritone Do It! James O. Froseth,2000 **Long Tone Duets for Euphonium** David Vining,2009-05 Long Tone Duets provides an opportunity for euphonium players to play long tones together learning to blend tone quality balance dynamics and play in tune Long Tone Duets contains a duet in every major key and provides the perfect forum for teachers to discuss details of intonation tone quality blend and balance with their students Additionally the Long Tone Duets editions for euphonium euphonium TC and tuba are designed to coordinate with one another If you have the euphonium edition for example you can play along with a tuba player who has the tuba edition *Etudes for Euphonium* Wesley Jacobs,2015-08-24 The etudes in this book have been chosen because they are musically interesting and technically challenging I have made an effort to be certain that all of these etudes can be performed well on the tuba Care has been taken to arrange for breathing and phrasing to make these etudes musically enjoyable to perform The composers of these etudes remain unknown In my research I discovered that each etude has at least two people that claim to have composed it I have therefore decided not to give credit to any one composer for creating these studies I have presented each etude at least three times in this book Each version is in a different key One of the versions is also in a different meter This was done

because of the great technical benefits to be derived from learning the same etude in different keys By using the meter changes one can learn to perform music that looks somewhat different than it sounds Practice and learn one etude at a time Make certain that you have mastered each etude in all different keys before going on to another Try to make each version of the etude sound the same as the other versions
