for sacrifice in contemporary Christianity Michael Phillips began writing *A Sacrifice of Obedience* in 2002 more than a decade before it was published As the world moved further into the twenty first century the message of his book took on a more profound urgency Christians everywhere including Phillips himself seem resistant the imperatives of sacrifice and obedience Yet they remain the bull s eye of the Christian faith Now after revisiting and expanding on his original manuscript Phillips shares his candid and perceptive thoughts on the difficult yet deeply rewarding life all Christians are called to live

**Practical Essential Christianity** Michael Phillips,2013-12-14 This concise yet thorough analysis of core Christian principles cuts through doctrinal debates to illuminate the essentials of faith Much of Christendom functions on the basis of formulas catechisms recipes of spirituality and widely varying lists of what is considered acceptable doctrine This brief discussion simplifies the vast scope of Christian truth by identifying eight essential principles that can be embraced and practiced by all Christians and churches across the spectrum of belief Devotional author Michael Phillips uses these universal truths as a springboard for investigating the fundamentals of the Christian faith for both beginner and theologian simple yet life changing and profound He also includes a parallel exploration of several common pitfalls that have infiltrated the church through history as counterfeit indicators of spirituality [Bold Thinking Christianity](#) Michael Phillips,2023-01-25 Inspired by C S Lewis s classic *Mere Christianity* the renowned Christian author presents a bold new vision of faith in modern times In 1952 C S Lewis s *Mere Christianity* turned the tide of public debate surrounding the validity of Christian faith In a series of essays Lewis made compelling arguments for the existence of God and the divinity of Jesus answering popular criticisms of the era Now author Michael Phillips takes up the mantle going beyond mere Christianity to present intellectually rigorous faith as an essential component of contemporary life Once an avowed atheist Lewis found spiritual inspiration in the spiritual writings of George MacDonald As the leading authority on MacDonald s work Michael Phillips draws from the same wellspring of wisdom to provide an equally stimulating examination of Christian theology [Make Me Like Jesus](#) Michael Phillips,2017-09-13 The bestselling author serves up a marvelous full bodied repast for those Christians who seek God s presence rather than any blessings he might bestow Publishers Weekly Most of us want to know God more intimately But are we willing to boldly face the challenge of what that means Are we truly willing to pray a prayer that may be dangerous in ways we cannot anticipate Are we willing to ask God to make us like Jesus Author Michael Phillips shares from his own life how he has learned to take up that challenge Then he examines key decisions in the life of Jesus Christ that illuminate what it means for each one of us to be conformed to the image of his son to love like Jesus think like him pray like him and trust the Father like him If status quo spirituality is for you do not read this book It is a dangerous book dangerous to the flesh for the journey toward Christlikeness may be painful and costly Yet that journey leads to the ultimate purpose God intends for all his children conformity to the image of his son This book is a gem written from the heart by a man I have called brother and friend for twenty years *Make Me Like Jesus* gives us an open honest look at what it really means to walk truthfully with
