New Directions in Dream Interpretation Gayle Delaney, 1993-09-21 This book presents in detail seven contemporary approaches to dream interpretation as they are actually practiced by highly skilled and experienced psychiatrists and psychologists who have worked with dreams for at least a decade The reader can sample radically different approaches from various schools of interpretation and gain the tools for making meaningful comparisons The contributors describe their theoretical roots and how they have departed from them when confronted with the real world of real dreamers Each chapter teaches the reader in practical terms what to do when trying to understand a dream of one's own or one's friend colleague or client Readers are taken behind the curtain of theory into the consultation room where the work of interpretation takes place This book provides a variety of contemporary non dogmatic practical ways to work with dreams Each contributor emphasizes not theory but interpretive method and practical application of dream interpretation Contributors to this volume include John E Beebe Eric Craig Gayle Delaney Loma K Flowers Ramon Greenberg Milton Kramer Joe Natterson Chester Arthur Pearlman Montague Ullman and Stephen J Walsh

New Directions in Dream Interpretation Gayle M. V. Delaney, 1993-01-01 A menu of seven approaches to dream interpretation as practiced by psychiatrists and psychologists emphasizing the practical aspects of actually doing it rather than the theory Each of the contributors has used the system they describe for at least two decades and includes case studies and transcripts of therapy sessions A basic text for mental health students and professionals but also accessible to general readers No index Paper edition unseen 18 95 Annotation copyright by Book News Inc Portland OR

The Oxford Handbook of Tantric Studies Payne, 2023-11-15 Since the earliest encounters between tantric traditions and Western scholars tantra has posed a challenge Representation of tantra has tended to emphasize the antinomian decadent aspects which as attention grabbing as they were for Western audiences hampered the study of the field The Oxford Handbook of Tantric Studies is intended to overcome these obstacles facilitating collaboration between scholars working on different forms of tantra and in different disciplines With more than forty chapters and a global pool of contributors the Handbook aims to be the definitive reference work in the field exploring core topics such as action transformation embodiment art language and social movements The first chapter provides an overview of major issues confronting the field today including debates regarding the definition and category of tantra historical origins and dating and recent developments in gender studies and tantra ethnography and lived tantra and cognitive approaches to the study of tantra Using a topical framework the opening section explores the concept of action one of the most prominent features of tantra which includes performing rituals practicing meditation chanting embarking on a pilgrimage or reenacting moments from a sacred text From there the sections cover broad topics such as transformation e g soteriology and healing gender and embodiment extraordinary beings such as deities and saints art and visual expressions language and literature social organizations and the history and historiography of tantra Keywords tantric studies tantra Buddhism Hinduism Jainism ritual

Sheriff, 2020-10-08 This book presents new directions in contemporary anthropological dream research surveying recent theorizations of dreaming that are developing both in and outside of anthropology It incorporates new findings in neuroscience and philosophy of mind while demonstrating that dreams emerge from and comment on sociohistorical and cultural contexts The chapters are written by prominent anthropologists working at the intersection of culture and consciousness who conduct ethnographic research in a variety of settings around the world and reflect how dreaming is investigated by a range of informants in ever more diverse sites As well as theorizing the dream in light of current anthropological and psychological research the volume accounts for local dream theories and how they are situated within distinct cultural ontologies It considers dreams as a resource for investigating and understanding cultural change dreaming as a mode of thinking through contesting altering consolidating or escaping from identity and the nature of dream mentation In proposing new theoretical approaches to dreaming the editors situate the topic within the recent call for an anthropology of the night and illustrate how dreams offer insight into current debates within anthropology s mainstream This up to date book defines a twenty first century approach to culture and the dream that will be relevant to scholars from anthropology as well as other disciplines such as religious studies the neurosciences and psychology *Dreaming and the Self* Jeannette Marie Mageo, 2012-02-01 Drawing upon original fieldwork cultural theory and psychological research *Dreaming and the Self* offers new approaches to the self particularly to subjectivity identity and emotion Through an investigation of dreams in various cultures the contributors explore how people as subjects actually experience cultural life how they forge identities out of their cultural and historical experiences how the cultural and historical worlds in which they live shape even their bodily habits and responses and how the person as agent responds to and imaginatively recreates his or her culture These essays demonstrate that dreams reflect tellingly on topics of great currency in anthropology such as how people personally manage postcolonialism transnationalism and migration Actual dreams are examined including dreams of Samoan young people about race of a Haitian priestess about vodou deities of a Pakistani about spiritual teachers of psychoanalytic clients in Los Angeles and San Diego about cars witches and sex and of a young Balinese mother about a neglected dog Among All These Dreamers Kelly Bulkeley, 1996-01-01 This multidisciplinary volume examines the cultural and social relevance of dream studies looking at various ways that the field can contribute to the resolution of the modern West s most troubling social issues The essays offer novel insights on education sexual abuse ecology crime race gender religion politics death and cross cultural conflict The contributors argue that the study of dreams can provide valuable resources to regain a vibrant trustworthy sense of moral and spiritual orientation in life **Dreams and the Invisible World in Colonial New England** Ann Marie Plane, 2014-10 From angels to demonic specters astonishing visions to devilish terrors dreams inspired challenged and soothed the men and women of seventeenth century New England English colonists considered dreams to be fraught

messages sent by nature God or the Devil Indians of the region often welcomed dreams as events of tremendous significance Whether the inspirational vision of an Indian sachem or the nightmare of a Boston magistrate dreams were treated with respect and care by individuals and their communities Dreams offered entry to invisible worlds that contained vital knowledge not accessible by other means and were viewed as an important source of guidance in the face of war displacement shifts in religious thought and intercultural conflict Using firsthand accounts of dreams as well as evolving social interpretations of them Dreams and the Invisible World in Colonial New England explores these little known aspects of colonial life as a key part of intercultural contact With themes touching on race gender emotions and interior life this book reveals the nighttime visions of both colonists and Indians Ann Marie Plane examines beliefs about faith providence power and the unpredictability of daily life to interpret both the dreams themselves and the act of dream reporting Through keen analysis of the spiritual and cosmological elements of the early modern world Plane fills in a critical dimension of the emotional and psychological experience of colonialism Books in Print ,1994 **Anthropology Newsletter** ,1994 *An Ideological Death* Rachel S. Harris,2014-08-15 An Ideological Death Suicide in Israeli Literature examines literary challenges to Israel s national narratives The centrality of the army the mythology of the new Jew the vision of the first Israeli city Tel Aviv and the very process by which a nation s history is constructed are confronted in fiction by many prominent Israeli writers Using the image of suicide A B Yehoshua Amos Oz Etgar Keret Yehudit Katzir Alon Hilu Yaakov Shabtai Benjamin Tammuz and Yehoshua Kenaz each engage in a critical and rhetorical process that examines the nation s formation and reconsiders myths at the heart of the Zionist project In Israeli literature suicide represents a society s compulsion to create impossible ideals that leave its populace disappointed and deluded Yet as Rachel S Harris shows even at their harshest these writers also represent the idealism that helped build Israel as a modern nation state **The Success Ethic, Education, and the American Dream** Joseph L. DeVitis,John Martin Rich,1996-07-03 The Success Ethic Education and the American Dream analyzes interprets and critically evaluates various success ethics and their impact on American culture and education It also formulates new models of the success ethic for the future The quest for success propels persons down diverse life paths as they seek the American Dream In this quest informal education follows the blandishments of self improvement formulas that promise wealth mobility status and respect Self improvement literature which began in America with Benjamin Franklin proliferated in the nineteenth century and has since developed a number of different genres Earlier studies provided nineteenth and early twentieth century embodiments of the success ethic and biographical material but neglected many important figures and offered largely uncritical presentations This book identifies and explores the contributions of these neglected figures and critically assesses the different success ethics from three perspectives psychological philosophical and social Unequal Crime Decline Karen F. Parker,2008-10-01 2009 Choice Outstanding Academic Title Crime in most urban areas has been falling since 1991 While the decline has been well documented few scholars have analyzed which groups have

most benefited from the crime decline and which are still on the frontlines of violence and why that might be In Unequal Crime Decline Karen F Parker presents a structural and theoretical analysis of the various factors that affect the crime decline looking particularly at the past three decades and the shifts that have taken place and offers original insight into which trends have declined and why Taking into account such indicators as employment labor market opportunities skill levels housing changes in racial composition family structure and drug trafficking Parker provides statistics that illustrate how these factors do or do not affect urban violence and carefully considers these factors in relation to various crime trends such as rates involving blacks whites but also trends among black males white females as well as others Throughout the book she discusses popular structural theories of crime and their limitations in the end concentrating on today s issues and important contemporary policy to be considered Unequal Crime Decline is a comprehensive and theoretically sophisticated look at the relationship among race urban inequality and violence in the years leading up to and following America s landmark crime drop

On Dreams and Dreaming Sudhir Kakar, 2011-07-19 Mapping the uncharted territory at the edges of psychological knowledge these fascinating essays explore compelling aspects of dreams and dreaming They discuss topics as diverse as memorable dreams lucid dreaming the role of dreams in the evolution of human consciousness and the relationship between dreams and the waking state In The Dream and Its Embedding psychoanalyst Patrick Mahony demonstrates with absorbing case studies how dreams can become effective therapeutic tools while dream scholar Kelly Bulkely concludes in Big Dreams that ultimately the function of dreams is to make the brain grow Luigi Zoja dream analyst explores the profusion of nightmares among soldiers prisoners and other victims of war in Nightmares And Madhu Tandan who lived for seven years at an ashram in the foothills of the Himalayas explains how dreams can access a level of consciousness beyond the psychological This volume is the first in the Boundaries of Consciousness series which under the leadership of Sudhir Kakar seeks to bring together psychoanalysts philosophers religious studies scholars and neuroscientists in order to expand the frontiers of current psychological understanding Subsequent volumes will spring from symposia held at Wasan Island Canada on the supernatural death and dying and creativity and imagination Edited and introduced by Sudhir Kakar On Dreams and Dreaming will be of interest to scholars and to all who dream and seek to understand why

role they will continue to play in politics and the economy This in depth examination of a large and relatively understudied population will be of interest to scholars and students who study disparities in health and education opportunities as well as the political and economic climate among Latinos and other groups in Nevada and beyond A political economic and demographic profile this book Explores the history growth and diversity of the Latinx population Draws on an array of census data voter surveys statistics interviews and health education employment wages and immigration statistics Evaluates key trends in employment education religion and health Analyzes the dynamics of political participation including implications of a growing Latino political electorate in a western swing state Assesses key determinants of health disparities educational inequities and civic engagement among Latinos in the state Demonstrates the impact of the Great Recession of 2008 and provides a preliminary assessment of the COVID 19 pandemic on Latino employment

Fear, Anomaly, and Uncertainty in the Gospel of Mark Douglas W. Geyer, 2002 Douglas Geyer's illuminating analysis of Mark 4:35-6:56 explains why the Gospel ends as it does in the earliest manuscripts abruptly at 16:8 with the words for they were afraid This ending with women fleeing the empty tomb in trembling and astonishment has long been considered problematic and in the several attempts to rewrite it Mark 16 has become a source of unending mischief Geyer's work draws on a vast literature of fear anomaly terror and dread in the ancient world to demonstrate that this ending is a consistent overriding theme of Mark's Gospel In Mark we see and hear the story of Jesus through the eyes and ears of the Roman world Geyer brings to bear the literature of that world in a way that helps his readers to understand what Mark is doing and how the story that Mark tells continues to touch his readers and hearers ancient and modern and postmodern Geyer guides the reader through a vast and uncharted primary literature demonstrating its relevance for New Testament study In so doing he clearly proposes a fresh and original understanding of Mark that cuts across many of the critical controversies and renews its purpose and usefulness as good news Gospel for the terrors and uncertainties of our own time
