single fact of the French Academy having lately published a new edition of their Dictionary entirely revised and greatly enlarged shows in an obvious point of view the call that is made for a new and improved French Grammar My plan in this publication has been to give everything useful and nothing superfluous About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **New**
