New Health Partners Renewing The Leadership Of Physician Practice:

The New Health Partners Stephen E. Prather, 1999-06-25 Since managed care revolutionized the health care industry the physician's traditional leadership role has come under intense scrutiny. In this resource Dr Prather, a renowned medical management consultant, offers physicians, executives, and directors the information they need to hone their leadership skills to thrive within the managed care environment. The New Health Partners is filled with effective techniques and practical advice.

Catholicism and Health-Care Justice Philip S. Keane, 2002 Of Catholic principles for health care justice. Managed care definition, history, and moral successes. Managed care problems and potential solutions. Ethics of mergers, joint ventures, and other reconfigurations. Public policy and contemporary health care. Some particular problems in health care justice. Toward some overall conclusions about health care justice today.

Health Care in the New Millennium Ian Morrison, 2000-01-24 From the bestselling author of *The Second Curve* and *Future Tense* comes an eye-opening look at the health care industry and its unparalleled opportunity to positively impact our communities as we embark upon a new millennium. This book will provide a concise and easily digested synthesis of current health policy and then systematically explain to professionals how to face the leadership challenges of today's health care industry.

Physician Profiling Neil F. Piland, Kerstin B. Lynam, 1999-06-29 Many health care leaders believe that defining and measuring physician work efforts and linking those efforts to practical and measurable clinical outcomes. Physician profiling will not only improve patient satisfaction and increase the quality of care, it will revolutionize the health care industry. Physician Profiling brings together twenty-one of the nation's most prominent physician researchers and executive medical group administrators giving health care leaders and physician practice administrators the tool they need to evaluate and implement a physician profiling system, unlocking this powerful technique for use in their own organizations. Reducing clinical variation among physicians is the name of the game in improving health care. This book provides an overview that you shouldn't miss of the state of the art in this rapidly developing field. Dean C.
