The Other World Craig Arceneaux, Anika Leithner, Benjamin F. Timms, Shanruo Zhang, Joseph N. Weatherby, Ira Reed, 2017-07-20 The Other World combines a thematic and area studies approach to explore contemporary global issues in the developing world Accessible and interdisciplinary this text offers political economic social and historical analysis plus case studies on Latin America Sub Saharan Africa Asia and Eurasia and the Middle East and North Africa Highlighting similarities and differences among these regions and focusing on enduring problems The Other World is a practical look at the issues affecting the majority of the world's population New to the 10th Edition Shift of focus from colonialism toward globalization with continued attention to the legacy of colonialism Expanded coverage of Asia Recast connections between conceptual chapters politics economics and culture and regional chapters allowing students and professors to make comparisons and contrasts more readily

Charging Forward Chris Benner, Manuel Pastor, 2024-10-22 A clarion call for justice in the quest for clean energy California's Salton Sea region is home to some of the worst environmental health conditions in the country It is also ground zero for a new lithium gold rush a race to extract a mineral critical to the rapidly expanding electric vehicle and renewable energy storage markets With enough lithium lurking beneath the surface to provide a third of global demand who will benefit from the development of this precious resource A work of stunning analysis and reporting Charging Forward shows that the questions raised by Lithium Valley lie at the heart of the green transition Weaving together movement politics federal policy and global supply chains noted experts Chris Benner and Manuel Pastor stress that extracting lithium is just a first step the real question is whether the region and the nation will address and overcome the environmental degradation labor exploitation and racial injustice that have been as much a part of

the landscape as the Salton Sea itself What happens in Lithium Valley the authors argue will not stay there This tiny patch of California is a microcosm of the broad climate challenges we face understanding Lithium Valley today is the key to grasping the future of our economy and our planet Spaces of Capital/spaces of Resistance Chris Hesketh,2017 Based on fieldwork in Chiapas and Oaxaca Mexico this book examines the production of space within the global political economy Drawing on multiple disciplines Hesketh s discussion of state formation in Mexico takes us beyond the national level to explore the interplay between global regional national and sub national articulations of power The New Yorker Harold Wallace Ross,William Shawn,Tina Brown,David Remnick,Katharine Sergeant Angell White,Rea Irvin,Roger Angell,1929

Revolutionary Social Change in Colombia James J. Brittain,2009-12-09 Although they are one of the most powerful military forces in Latin American history little is known about the Revolutionary Armed Forces of Colombia People s Army FARC EP This book explains why this political military movement came into existence and assesses whether the methods employed by the insurgency have the potential to free those marginalised in Colombia By evaluating the FARC EP s actions ideological construction and their theoretical placement the book gauges how this guerrilla movement relates to revolutionary theory and practice and through what tangible mechanisms if any they are creating a new Colombia **Water** Giulio Boccaletti,2022-10-18 Spanning millennia and continents a revealing history that tackles the most important story of our time our relationship with water in a world of looming scarcity Kelly McEvers NPR Host Far more than a biography of its nominal subject The book stands as a compelling history of civilization itself The Wall Street Journal Book Review Writing with authority and brio Giulio Boc caletti honorary research associate at the Smith School of Enterprise and the Environment Univer sity of Oxford shrewdly combines environmental and social history beginning with the earliest civ ilizations of sedentary farmers on the banks of the Nile the Tigris and the Euphrates Rivers Even as he describes how these societies were made possible by sea level changes from the last glacial melt he incisively examines how this type of farming led to irrigation and multiple cropping which in turn led to a population explosion and labor specialization We see with clarity how irrigation s structure informed social structure inventions such as the calendar sprung from agricultural necessity how in ancient Greece the communal ownership of wells laid the groundwork for democracy how the Greek and Roman experiences with water security resulted in systems of taxation and how the modern world as we know it began with a legal framework for the development of water infrastructure Extraordinary for its monumental scope and piercing insightfulness Water A Biography richly enlarges our understanding of our relationship to and fundamental reliance on the most elemental substance on earth National Geographic History at a Glance National Geographic,2019 Foreword by Amy Briggs executive editor of National Geographic History Jacket **China, Russia and New Eurasian Order** Emil Avdaliani,2023-04-28 This book offers a comprehensive understanding of the Eurasian vision of Russia and China and their perception of each other s Eurasian projects Using the idea of hierarchical order as an analytical framework for the

Crossing Borders Ali Noorani,2022-03-28 Advance praise from public figures Jos Andr s Al Franken Jonathan Blitzer of *The New Yorker* and Russell Moore of *Christianity Today* Find the moving stories of American immigrants and their journeys in Ali Noorani's chronicle In an era when immigration on a

global scale defines the fears and aspirations of Americans Crossing Borders presents the complexities of migration through the stories of families fleeing violence and poverty the government and nongovernmental organizations helping or hindering their progress and the American communities receiving them Ali Noorani who has spent years building bridges between immigrants and their often conservative communities takes readers on a journey to Honduras Ciudad Juarez in Mexico and Texas meeting migrants and the organizations and people that help them on both sides of the border He reports from the inside on why families make the heart wrenching decision to leave home Going beyond the polemical partisan debate Noorani offers sensitive insights and real solutions Crossing Borders will appeal to a broad audience of concerned citizens across the political spectrum faith communities policymakers and immigrants themselves **Interstices** Alexander Alberro, 2025-06-17

An exploration of innovative practices flourishing at the margins of Western art With this book Alexander Alberro engages decolonial theory to explore the dynamic exchanges that occur where the ideals and values of different artistic frameworks meet Resisting notions of a singular art world and global contemporary art Alberro explores what lies outside of Western art's hegemonic presence recognizing the rich multitude of art formations at its periphery each with its own artistic narratives and conventions Alberro brings into focus the complex negotiations that are cultivating innovation and transformation at the margins of Western art showing how this seemingly monolithic framework is both crucial to and insufficient for a comprehensive understanding of contemporary art His examples include artists and collectives from around the world including Iosu Aramburu Subhankar Banerjee Yto Barrada Mabe Beth nico El Colectivo Maria Galindo and Mujeres Creando Bouchra Khalili Multiplicity Lucy Orta Raqs Media Collective Tracey Rose Doris Salcedo Yinka Shonibare World of Matter and Yin Xiuzhen As notions of transculturation and decoloniality continue to drive conversations about contemporary art Interstices offers a critical explanation of what is at stake showing how the tensions at the edges of the Western art framework are pushing it toward its discursive limits **The Return of Marco Polo's World** Robert D. Kaplan, 2019-05-21

A bracing assessment of U S foreign policy and world disorder over the past two decades from the bestselling author of The Revenge of Geography and The Coming Anarchy Kaplan has emerged not only as an eloquent defender of foreign policy realism but as a grand strategist to whom the Pentagon turns for a tour d horizon The Wall Street Journal In the late thirteenth century Marco Polo began a decades long trek from Venice to China along the trade route between Europe and Asia known as the Silk Road a foundation of Kublai Khan's sprawling empire Now in the early twenty first century the Chinese regime has proposed a land and maritime Silk Road that duplicates exactly the route Marco Polo traveled Drawing on decades of firsthand experience as a foreign correspondent and military embed for The Atlantic Robert D Kaplan outlines the timeless principles that should shape America's role in a turbulent world that encompasses the Chinese challenge From Kaplan's immediate thoughts on President Trump to a frank examination of what will happen in the event of war with North Korea these essays are a vigorous reckoning with the difficult choices the United States will face in the years ahead Praise

for The Return of Marco Polo's World Elegant and humane a prophecy from an observer with a depressingly accurate record of predictions Bret Stephens The New York Times Book Review These essays constitute a truly pathbreaking brilliant synthesis and analysis of geographic political technological and economic trends with far reaching consequences The Return of Marco Polo's World is another work by Robert D Kaplan that will be regarded as a classic General David Petraeus U S Army Ret Thoughtful unsettling but not apocalyptic analyses of world affairs flow steadily off the presses and this is a superior example Presented with enough verve and insight to tempt readers to set it aside to reread in a few years Kirkus Review starred review An astute powerfully stated and bracing presentation Booklist This volume compiles sixteen major essays on America's foreign policy from national security commentator Kaplan An overview of thoughtful multilayered positions and perspectives evolving through changing circumstances Publishers Weekly Who's who in America John W. Leonard, Albert Nelson Marquis, 1928 Vols 28-30 accompanied by separately published parts with title Indices and necrology

China at War Xiaobing Li, 2012-01-10 This comprehensive volume traces the Chinese military and its experiences over the past 2 500 years describing clashes with other kingdoms and nations as well as internal rebellions and revolutions As the first book of its kind *China at War* An Encyclopedia expands far beyond the conventional military history book that is focused on describing key wars battles military leaders and influential events Author Xiaobing Li an expert writer in the subjects of Asian history and military affairs provides not only a broad chronological account of China's long military history but also addresses Chinese values concepts and attitudes regarding war As a result readers can better understand the wider sociopolitical history of the most populous and one of the largest countries in the world and grasp the complex security concerns and strategic calculations often behind China's decision making process This encyclopedia contains an introductory essay written to place the reference entries within a larger contextual framework allowing students to compare Chinese with Western and American views and approaches to war Topics among the hundreds of entries by experts in the field include Sunzi's classic *The Art of War* Mao Zedong's guerrilla warfare in the 20th century Chinese involvement in the Korean War and Vietnam War and China's nuclear program in the 21st century
