New Democracies In Eastern Europe Party Systems And Political Cleavages

Sten Berglund, Jan Åke Dellenbrant

New Democracies In Eastern Europe Party Systems And Political Cleavages:

The New Democracies in Eastern Europe Sten Berglund, Jan Åke Dellenbrant, 1991 An account of the party systems that have evolved in Eastern Europe since the revolutions of the late 1980s The new political systems of Estonia Latvia Lithuania Poland Czechoslovakia Hungary and Bulgaria are analyzed and compared along with the most recent developments in East Germany

Political Parties in Post-Communist Eastern Europe Paul Lewis, 2002-01-04 Political Parties in Post Communist Eastern Europe is the first textbook to survey the course of party developments in eastern Europe as a whole in the post Communist period This book relates the specifics of the post communist situation to the broader picture of the early stages of party development in western Europe and also to contemporary models of party organisation in established democracies The book includes a brief historical introduction to the context of post communist change the process of competitive party formation and democratic elections the development of independent parties their ideologies and electoral volatility the structure and level of organisation developed by new parties an analysis of stable party systems which have emerged in eastern Europe and the contribution they make to emerging democracies in the region Party Politics in Post Communist Eastern Europe will be a comprehensive and invaluable resource accessible to undergraduates of politics and European studies as well as the non specialist reader

The Consolidation of Democracy in East-Central Europe Karen Dawisha, Bruce Parrott, 1997-06-13 Edited by two of the world's leading analysts of post communist politics this book brings together distinguished specialists on the Baltic states Estonia Latvia and Lithuania Poland the Czech Republic Slovakia and Hungary The authors analyse the patterns of post communist democratization in these countries paying particular attention to the process of party formation electoral politics the growth of civil society and the impact of economic reform on the emergence of interest groups Karen Dawisha and Bruce Parrott provide theoretical and comparative chapters on post communist political development across the region This book will provide students and scholars with detailed analysis by leading authorities plus the latest research data on recent political and economic developments in each country

Party Systems in East Central Europe Ladislav Cabada, Vít Hloušek, Petr Jurek, 2014-01-23 Party Systems in East Central Europe analyzes the formation of political parties in the nations of this region In the first part the authors concentrate on the key periods and turning points in this development connecting them with the democratization of the countries in the region in the last third of the nineteenth century This includes a look at the period before World War I between the wars and particularly in the times after the fall of the communist regimes The analysis focuses chiefly on the ideological background that gave way to the rise of political parties in the region In relation to this the authors base their writing mainly on the socio political theory of Stein Rokkan The second part of the book is a political analysis of the key aspects related to party politics First the authors examine the ties of political parties to broad social processes using the classic theories of Giovanni Sartori and Stein Rokkan Next they continue with the analysis of the operation of parties within governments with a special focus on

the creation of coalition governments functioning of coalitions and coalition governance Last some defects are reflected upon as well as unfinished processes related to the fast establishment of political parties in the region e g absence of firm links with social groups high volatility instability of parties etc The Handbook of Political Change in Eastern Europe Sten Berglund,2013-04-01 Lots has changed in Eastern Europe in the past quarter century and the new edition of this major study of the region sets out these changes in directions for the better and for the worse Richard Rose University of Strathclyde UK This Handbook offers a historically informed systematic account of the political development in Central and Eastern Europe Two chapters lay out a framework for comparison 26 specialists provide analyses for 19 countries In an appendix each of these country chapters documents election results government composition the electoral system and the constitutional framework The concluding chapter synthesizes the major results The Handbook is the most comprehensive source for an up to date analysis of all Central and Eastern European countries within the sphere of influence of the European Union It is a must have for students and scholars interested in how to evaluate the state of democracy in this region of the globe Hans Dieter Klingemann New York University Abu Dhabi UAE and Social Science Research Center Berlin Germany This third edition of The Handbook of Political Change in Eastern Europe provides an authoritative and thorough analysis of the political changes which have occurred in Central and Eastern Europe since the demise of communism It offers an historical comparative perspective of the region and focuses on the social consequences of the democratisation process The country specific chapters are written by scholars with well documented area expertise on their respective cases Estonia Latvia Lithuania Poland The Czech Republic Slovakia Hungary Slovenia Romania Bulgaria Croatia Bosnia Serbia Montenegro Macedonia Albania Ukraine Moldova and Georgia Each chapter includes detailed examinations of elections the formation of governments electoral systems and constitutional arrangements These in depth and up to date analyses are supplemented by conclusions on the party systems and emerging political structures in the region as a whole as well as the consolidation of democracy in a post communist setting The revised and expanded version of The Handbook of Political Change in Eastern Europe provides a state of the art companion which will be indispensable for students and scholars in the social sciences including political science comparative politics European studies and political history as well as for policy makers and practitioners *The New Democracies in Eastern Europe* Sten Berglund,Jan Åke Dellenbrant,1994 Now fully revised and updated for the second edition this unique and authoritative account of the party systems in Eastern Europe examines their development from the revolutions of the late 1980s to the present day *The New Democracies in Eastern Europe* presents a genuinely comparative perspective on the old and new party systems Featuring detailed assessment and analysis of the situation in Estonia Latvia Lithuania Poland the Czech Republic Slovakia Hungary Romania and Bulgaria the volume draws upon research and opinion from a distinguished group of European scholars Recognising that many of the social and political problems of the inter war period continue to make themselves felt the authors contend that the breakdown of the old

authoritarian system was a by product of a built in and progressively worsening legitimacy crisis Despite the great progress made by some East European countries recent events confirm the view that authoritarianism has not lost its appeal As an up to date and comprehensive survey of political change and development in Eastern Europe rapidly produced to present the most recent information this book will be welcomed by researchers teachers and students Post-Communist Party Systems Herbert Kitschelt, 1999-08-13 Examines democratic party competition in four post communist polities in the 1990s The work illustrates developments regarding different voter appeal of parties patterns of voter representation and dispositions to join other parties in alliances Wider groups of countries are also compared **Party Organization and Electoral Volatility in Central and Eastern Europe** Sergiu Gherghina, 2014-10-17 Political parties in post communist countries have very high levels of electoral volatility In these environments political factions fail to establish long term connections with the electorate and thus regularly rise and fall from the political arena This book provides an organizational explanation for the variations in party level electoral volatility It looks comparatively at 29 political parties in six Central and Eastern European democracies between 1990 and 2008 to examine how political parties can influence their electoral environment Using empirical evidence Gherghina tests the effect of candidate selection procedures membership organizations and re nomination of incumbent MPs on voters loyalty and in doing so demonstrates how party organization greatly affects electoral stability Including case studies from Bulgaria Czech Republic Hungary Poland Romania and Slovakia this book will be of interest to students and scholars of comparative politics party politics democratization elections and Central and Eastern European politics Party Structure and Organization in East-Central Europe Paul G. Lewis, 1996-01-01 this volume represents one of the best works written to date on party organizational development in east central Europe and is essential reading for all political scientists interested in party politics in postcommunist systems John T Ishiyama Slavonic Review Party Structure and Organization in East Central Europe focuses on the origin and development of new political parties within different countries in East Central Europe The book has a clear focus on party structure and organization It is one of the first books to present empirical studies of the development of political parties in Eastern Europe Whilst making a distinctive contribution it also feeds into the broader debate about party development and links with other issues of political theory **Radical Right** Pippa Norris, 2005-08-22 This book first published in 2005 explains why radical right parties have advanced in a diverse array of democracies **The American Bibliography of Slavic and East European Studies** Patt Leonard, Rebecca Routh, 2020-02-27 This bibliography first published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social sciences life sciences and technology *Revolution and Change in Central and Eastern Europe* Minton F. Goldman, 1997-01-15 A comprehensive analysis of the progress and problems of post communist development attending to aspects of transition in the region as a whole and to specific issues in Albania Bulgaria the Czech and Slovak Republics East

Germany Hungary Poland Rumania and Yugoslavia Goldman political science Northeastern U diagrams the commonalities of development and the diversity of the various countries rejection of communism setting forth the difficulties in moving from communist monolithic authoritarianism to pluralistic democracy coping with threats to progress and stability and the international implications of these transitions Paper edition 758 5 32 95 Annotation copyrighted by Book News Inc Portland OR

Understanding the Transformation of Germany's CDU Simon Green,Ed Turner,2016-02-05 This book analyses the Christian Democratic Union of Germany CDU one of Europe s most successful and influential political parties The CDU might have been expected to struggle in the circumstances of a more diverse secular reunified Germany yet it has prospered to an extent almost unparalleled in western Europe Chapters consider the CDU s policies the factors driving them their variation across Germany the relationship to women and the welfare state its organisational development and change and its position within the party system Contributors particularly emphasise the diversity of the CDU and the way it varies across Germany s regions The CDU is compared to other Christian Democratic parties and special consideration is given to the CDU s Bavarian sister party the Christian Social Union CSU This book was published as a special issue of German Politics

The Handbook of Electoral System Choice J. Colomer,2016-01-05 The topic of electoral reform is an extremely timely one The accelerated expansion of the number of new democracies in the world generates increasing demand for advice on the choice of electoral rules at the same time a new reformism in well established democracies seeks new formulae favouring both more representative institutions and more accountable rulers The Handbook of Electoral System Choice addresses the theoretical and comparative issues of electoral reform in relation to democratization political strategies in established democracies and the relative performance of different electoral systems Case studies on virtually every major democracy or democratizing country in the world are included

Revolution and Change in Central and Eastern Europe Andrew Goldman,2016-09-16 A comprehensive introduction to the nations of Central and Eastern Europe over a half century of turbulent change from post war subjugation by the Soviet Union to both shared and divergent experiences of post Communist transition to free market democracies

Party Formation in East--Central Europe Gordon Wightman,1995 a welcome addition to our stock of knowledge regarding the process of democratization the real value of the book lies in the empirical details and occasional suggestive comparisons rather than in a consistently convincing conceptual rendering of the opening pages of the new chapter in East Central European history Frank A Kunz Canadian Journal of Political Science Party Formation in East Central Europe is an excellent book It is encouraging that many of the articles were written by scholars who are of Eastern European origins and live in the area Ann Griffiths International Insights Party Formation in East Central Europe is one of the first books to present detailed studies of politics in Czechoslovakia Hungary Poland and Bulgaria during the initial three years of post communist rule

Eastern Europe in the Twentieth Century - And After R. J. Crampton,2002-04-12 Covering all key Eastern European states and their history right up to the collapse of communism this

second edition of *Eastern Europe in the Twentieth Century And After* is a comprehensive political history of Eastern Europe taking in the whole of the century and the geographical area Focusing on the attempt to create and maintain a functioning democracy this new edition now examines events in Bosnia and Herzegovina includes a new consideration of the evolution of the region since the revolutions of 1989 91 surveys the development of a market economy analyzes the realignment of Eastern Europe towards the West details the emergence of organized crime discusses each state individually includes an up to date bibliography *Eastern Europe in the Twentieth Century And After* provides an accessible introduction to this key area which is invaluable to students of modern and political history *Movements, Migrants, Marginalisation* Heiko

Pleines, Sabine Fischer, Hans-Henning Schröder, 2012-02-24 The end of socialism posed a historical challenge to European societies The former socialist Central and East European countries were faced with what has been called a triple transformation Mutually dependent changes in the political economic and social spheres At the same time the old EU member states had to develop strategies to react to these developments and integrate former socialist societies This post socialist transformation of Europe coincided with a number of broader trends in the political economic and social spheres which are often collectively referred to as globalisation Success or failure to adapt to these changes creates winners and losers The focus of this edited volume is on various groups of losers and the challenges they face as a result of their marginalisation This book presents the results of the Changing Europe Summer School on Justice as a societal and political matter Equality social and legal security as conditions for democracy and the market that took place in Berlin in July 2006 The Summer School brought together more than 30 young scholars from all over the world who work on issues related to Central and Eastern European societies and the enlarged EU *Democratic Phoenix* Pippa Norris, 2002-09-02 Conventional

wisdom suggests that citizens in many countries have become disengaged from the traditional channels of political participation Commentators highlight warning signs including sagging electoral turnout rising anti party sentiment and the decay of civic organizations But are these concerns justified This book compares systematic evidence for electoral turnout party membership and civic activism in countries around the world and suggests good reasons to question assumptions of decline Not only is the obituary for older forms of political activism premature but new forms of civic engagement may have emerged in modern societies to supplement traditional modes The process of societal modernization and rising levels of human capital are primarily responsible although participation is also explained by the structure of the state the role of agencies and social inequalities **Ethnicity and Party Politics in Turkey** Berna Öney, 2019-07-12 Delving into Turkey's

political playing field this book examines how an ethnic party increased its vote shares The case study looks at the rise of the Kurdish party in Turkey's 2011 national elections in relation to the mainstream political parties strategies The research explores the strategy of the dominant Justice and Development Party that garnered the majority in three consecutive elections introduced a new political issue and even initiated an opening process Investigating the reasons behind why such a

dominant party would put itself at risk with this bold strategy and why it still lost votes to the ethnic party in the process the book traces Turkey's handling of the Kurdish issue Combining a detailed analysis of election results speeches and social survey findings the volume offers a novel approach and a rare example of the application of process tracing methodology Additionally the study is one of the first to utilize unsupervised model of scaling texts on the ethnic issue dimension As the first systematic analysis of the Kurdish opening process the book will be of interest to students and scholars researching in qualitative methodology text analysis ethnic and party politics Turkey and the Middle East

Whispering the Strategies of Language: An Psychological Journey through **New Democracies In Eastern Europe Party Systems And Political Cleavages**

In a digitally-driven world wherever monitors reign supreme and quick communication drowns out the subtleties of language, the profound strategies and emotional subtleties concealed within phrases frequently go unheard.
