Tennessee Williams: Mad Pilgrimage of the Flesh John Lahr,2014-09-22 National Book Critics Circle Award Winner Biography Category National Book Award Finalist 2015 Winner of the Sheridan Morley Prize for Theatre Biography American Academy of Arts and Letters Harold D Vursell Memorial Award A Chicago Tribune Best Books of 2014 USA Today 10 Books We Loved Reading Washington Post 10 Best Books of 2014 The definitive biography of America s greatest playwright from the celebrated drama critic of The New Yorker John Lahr has produced a theater biography like no other Tennessee Williams Mad Pilgrimage of the Flesh gives intimate access to the mind of one of the most brilliant dramatists of his century whose plays reshaped the American theater and the nation s sense of itself This astute deeply researched biography sheds a light on Tennessee Williams s warring family his guilt his creative triumphs and failures his sexuality and numerous affairs his misreported death even the shenanigans surrounding his estate With vivid cameos of the formative influences in Williams s life his fierce belittling father Cornelius his puritanical domineering mother Edwina his demented sister Rose who was lobotomized at the age of thirty three his beloved grandfather the Reverend Walter Dakin Tennessee Williams Mad Pilgrimage of the Flesh is as much a biography of the man

who created *A Streetcar Named Desire*, *The Glass Menagerie* and *Cat on a Hot Tin Roof* as it is a trenchant exploration of Williams's plays and the tortured process of bringing them to stage and screen. The portrait of Williams himself is unforgettable: a virgin until he was twenty-six, he had serial homosexual affairs thereafter as well as long-time bruising relationships with Pancho Gonzalez and Frank Merlo. With compassion and verve, Lahr explores how Williams's relationships informed his work and how the resulting success brought turmoil to his personal life. Lahr captures not just Williams's tempestuous public persona but also his backstage life where his agent Audrey Wood and the director Elia Kazan play major roles and Marlon Brando, Anna Magnani, Bette Davis, Maureen Stapleton, Diana Barrymore and Tallulah Bankhead have scintillating walk-on parts. This is a biography of the highest order: a book about the major American playwright of his time written by the major American drama critic of his time. *Private Readings/public Texts* Kenneth Krauss, 1993. In this volume, Kenneth Krauss maintains that if readers are to comprehend playscripts as plays, they must imagine the theatre audience so vital to the staging of any script but conspicuously absent from the text itself. Krauss examines what has been written about reading playscripts or playreading and proposes four possible ways founded on a reception-oriented approach to theatre communication and spectator response that playreaders may construct a sense of theatre audiences. *Performance Cultures as Epistemic Cultures, Volume II* Torsten Jost, Erika Fischer-Lichte, Milos Kosić, Astrid Schenka, 2023-04-07. This volume investigates performance cultures as rich and dynamic environments of knowledge practice through which distinctive epistemologies are continuously re-generated, cultivated and celebrated. Epistemologies are dynamic formations of rules, tools and procedures not only for understanding but also for doing knowledges. This volume deals in particular with epistemological challenges posed by practices and processes of interweaving performance cultures. These challenges arise in artistic and academic contexts because of hierarchies between epistemologies. European colonialism worked determinedly violently and often with devastating effects on instituting and sustaining a hegemony of modern Euro-American rules of knowing in many parts of the world. Therefore, *Interweaving Epistemologies* critically interrogates the impossibilities of interweaving epistemologies in artistic and academic contexts today. Writing from diverse geographical locations and knowledge cultures, the book's contributors, philosophers and political scientists as well as practitioners and scholars of theater performance and dance, investigate prevailing forms of epistemic ignorance and violence. They introduce key concepts and theories that enable critique of unequal power relations between epistemologies. Moreover, contributions explore historical cases of interweaving epistemologies and examine innovative present-day methods of working across and through epistemological divides in nonhegemonic, sustainable, creative and critical ways. Ideal for practitioners, students and researchers of theater performance and dance, *Interweaving Epistemologies* emphasizes the urgent need to acknowledge, study and promote epistemological plurality and diversity in practices of performance making as well as in scholarship on theater and performance around the globe today. *Symposium of the Whole* Jerome Rothenberg, Diane

Rothenberg,2016-04-19 EDWARD L SCHIEFFELIN From The Sorrow of the Lonely and the Burning of the Dancers     The American Play Marc Robinson,2009-05-26 In this brilliant study Marc Robinson explores more than two hundred years of plays styles and stagings of American theater Mapping the changing cultural landscape from the late eighteenth century to the start of the twenty first he explores how theater has and has not changed and offers close readings of plays by O'Neill Stein Wilder Miller and Albee as well as by important but perhaps lesser known dramatists such as Wallace Stevens Jean Toomer Djuna Barnes and many others Robinson reads each work in an ambitiously interdisciplinary context linking advances in theater to developments in American literature dance and visual art The author is particularly attentive to the continuities in American drama and expertly teases out recurring themes such as the significance of visuality He avoids neatly categorizing nineteenth and twentieth century plays and depicts a theater more restive and mercurial than has been recognized before Robinson proves both a fascinating and thought provoking critic and a spirited guide to the history of American drama     *Catalogue of Periodicals and Continuations* ,1993     **The Cambridge Companion to Tennessee Williams** Matthew C. Roudané,1997-12-11 This is a collection of thirteen original essays from a team of leading scholars in the field In this wide ranging volume the contributors cover a healthy sampling of Williams's works from the early apprenticeship years in the 1930s through to his last play before his death in 1983 *Something Cloudy Something Clear* In addition to essays on such major plays as *The Glass Menagerie* *A Streetcar Named Desire* and *Cat on a Hot Tin Roof* among others the contributors also consider selected minor plays short stories poems and biographical concerns The Companion also features a chapter on selected key productions as well as a bibliographic essay surveying the major critical statements on Williams
