It focuses on Washington in order to be listed an organization must have an office in the Washington metropolitan area. These descriptions are not boilerplate advertising material from the organizations; rather, they are hand-crafted by a talented freelance research team. In addition, WID pulls together 55 organization charts for federal agencies, congressional resources related to each chapter topic, hotline and contact information for various specific areas of interest and an extensive list of active congressional caucuses and contact details. WID has two appendices: one with thorough information on congresspersons and committees and the second with governors and embassies.      **Monthly Catalog of United States Government Publications** United States.
