Selected Pathways to God: Colliston R. Rose, 2013-09-18

Everyone is not at the same level of intellectual or spiritual development. In order to assist the Creator, Soul, a product of God, needs co-worker training largely experiential that separates knowledge from belief. Since 1965, three pathways with subsets of elementary, intermediate, and advanced components surfaced that can potentially take one to specific levels of God's kingdoms. These pathways are the Intellectual, Psychic, and Spiritual. Eckankar or Advanced Religion Instructors teach dream travel, Soul Travel, karma reincarnation, by which a current illness can be anchored to the past mind, passions, and development of the spiritual senses. An experiment given allows testing of the hypothesis that access to God's kingdoms is from within and not from without.
