Nonfictional Romantic Prose Steven P. Sondrup, Virgil Nemoianu, Gerald Gillespie, 2004

Nonfictional Romantic Prose Expanding Borders surveys a broad range of expository polemical and analytical literary forms that came into prominence during the last two decades of the eighteenth century and the first half of the nineteenth They stand in contrast to better known romantic fiction in that they endeavor to address the world of daily empirical experience rather than that of more explicitly self referential fanciful creation Among them are genres that have since the nineteenth century come to characterize many aspects of modern life like the periodical or the psychological case study others flourished and enjoyed wide spread popularity during the nineteenth century but are much less well known today like the almanac and the diary Travel narratives pamphlets religious and theological texts familiar essays autobiographies literary critical and philosophical studies and discussions of the visual arts and music all had deep historical roots when appropriated by romantic writers but prospered in their hands and assumed distinctive contours indicative of the breadth of romantic thought

SPECIAL OFFER 30% discount for a complete set order 5 vols The Romanticism series in the Comparative History of Literatures in European Languages is the result of a remarkable international collaboration The editorial team coordinated the efforts of over 100 experts from more than two dozen countries to produce five independently conceived yet interrelated volumes that show not only how Romanticism developed and spread in its principal European homelands and throughout the New World but also the ways in which the affected literatures in reaction to Romanticism have redefined themselves on into Modernism A glance at the index of each volume quickly reveals the extraordinary richness of the series total contents

Romantic Irony sets the broader experimental parameters of comparison by concentrating on the myriad expressions of irony as one of the major impulses in the Romantic philosophical and artistic revolution and by combining cross cultural and interdisciplinary studies with special attention also to literatures in less widely diffused language streams Romantic Drama traces creative innovations that deeply altered the understanding of genre at large fed popular imagination through vehicles like the opera and laid the foundations for a modernist theater of the absurd Romantic Poetry demonstrates deep patterns and a sharing of crucial themes of the revolutionary age which underlie the lyrical expression that flourished in so many languages and environments Nonfictional Romantic Prose assists us in coping with the vast array of writings from the personal and intimate sphere to modes of public discourse including Romanticism s own self commentary in theoretical

statements on the arts society life the sciences and more Nor are the discursive dimensions of imaginative literature neglected in the closing volume Romantic Prose Fiction where the basic Romantic themes and story types the romance novel novella short story and other narrative forms are considered throughout Europe and the New World This enormous realm is seen not just in terms of Romantic theorizing but in the light of the impact of Romantic ideas and narration on later generations As an aid to readers the introduction to Romantic Prose Fiction explains the relationships among the volumes in the series and carries a listing of their tables of contents in an appendix No other series exists comparable to these volumes which treat the entirety of Romanticism as a cultural happening across the whole breadth of the Old and New Worlds and thus render a complex picture of European spiritual strivings in the late eighteenth and the nineteenth centuries a heritage still very close to our age

Europe on the Path to Self-Destruction Jack L. Schwartzwald, 2022-07-19 Between the years 1815 and 1945 Europe achieved unrivaled global dominance only to see it shattered by two world wars This frenetic rise and fall was attended by immense societal change In 1815 Europe remained largely agricultural and dependent upon horsepower By 1945 the power of the atom had been unleashed Two industrial revolutions occurred in the interim the first founded upon coal iron and steam the second upon oil steel electricity and internal combustion The implications for humanity were profound This concise yet comprehensive study is divided into three sections In section one the map of Europe emerges in its modern visage as unrestrained nationalist fervor gives rise to an assemblage of new nation states In section two the continent attains global hegemony as massive industrialization fuels a mad scramble for colonial markets and raw materials In section three a cauldron of national ethnic and class hatreds spawn the rise of totalitarianism and the overthrow of European hegemony in two calamitous world wars By tracing the events and undercurrents of this vital period in European history this book offers trenchant insights for the lay reader and the student of history alike

The Ideological Origins of Great Power Politics, 1789-1989 Mark L. Haas, 2018-09-05 How do leaders perceive threat levels in world politics and what effects do those perceptions have on policy choices Mark L Haas focuses on how ideology shapes perception He does not delineate the content of particular ideologies but rather the degree of difference among them Degree of ideological difference is he believes the crucial factor as leaders decide which nations threaten and which bolster their state s security and their own domestic power These threat perceptions will in turn impel leaders to make particular foreign policy choices Haas examines great power relations in five periods the 1790s in Europe the Concert of Europe 1815 1848 the 1930s in Europe Sino Soviet relations from 1949 to 1960 and the end of the Cold War In each case he finds a clear relationship between the degree of ideological differences that divided state leaders and those leaders perceptions of threat level and so of appropriate foreign policy choices These relationships held in most cases regardless of the nature of the ideologies in question the offense defense balance and changes in the international distribution of power

real world differences that block the resolution of conflict Publishers Weekly [The War for the Public Mind](#) Robert J. Goldstein,2000-03-30 From 1815 to 1914 European governments and their political oppositions were engaged in a constant war for the minds of the general population especially the working classes The German socialist newspaper Hamburger Echo declared on September 27 1910 In waging our war we do not throw bombs Instead we throw our newspapers amongst the masses of the working people Printing ink is our explosive The most comprehensive study ever published about European censorship practices during the 1815 1914 period this book discusses the censorship of books newspapers caricatures theater and film through an analytical introductory survey and six chapters by leading specialists who summarize 19th century censorship practices in the six major countries of continental Europe Germany Italy France Austria Russia and Spain As a result of the massive transformation of European life in the post Napoleonic period and the simultaneously rapid growth in industrialization urbanization literacy transportation and communication the average European emerged quite suddenly as a potential player who could no longer be ignored by the ruling elite **The Meek and the Militant** Paul N. Siegel,2005 An invaluable critical analysis of how religion shapes politics encouraging both submission and at times revolution

Political Repression in 19th Century Europe Robert Justin Goldstein,2013-06-17 Originally published in 1983 The nineteenth century was a time of great economic social and political change As Europe modernized previously ignorant and apathetic elements in the population began to demand political freedoms There was pressure also for a freer press for the rights of assembly and association The apprehension of the existing elites manifested itself in an intensification of often brutal form of political repression The first part of this book summarizes on a pan European basis the major techniques of repression such as the denial of popular franchise and press censorship This is followed by a chronological survey of these techniques from 1815 1914 in each European country The book analyzes the long and short term importance of these events for European historical development in the 19th and 20th centuries [The Causes of War](#) Alexander Gillespie,2023-12-14 This is the fifth volume in a series charting the causes of war from 3000 BCE to the present day written by a leading international lawyer While contextualised in the conflicts and patterns of the period this work as drawn directly from the treaties and the negotiations which led up to them shows what made both war and peace The period covered in this volume 1800 to 1850 brings this series into the start of the modern world From the Napoleonic Wars through to the international mechanisms that followed the first efforts at global cooperation to maintain peace between the major powers were unique So too the spread of colonialism the expansion of the United States the weakening of the Ottoman Empire and the disintegration and reforming of South America Each of these external actions that were often linked to war were mirrored by changes within societies as the values each society fought for often became just as contentious within countries as they were between them **History of Military Occupation from 1792 to 1914** Peter M. R. Stirk,2016-03-04 An understanding of military occupation as a distinct phenomenon first emerged in the 18th century This book shows how this understanding developed

and the problems that the occupiers the occupied commentators and the courts encountered It covers all major occupations including France Sicily Greece Belgium Syria Mexico Bosnia Herzegovina Cyprus Egypt Korea Peking the Boer Republics Latin America and those related to the Napoleonic Wars the Mexican American War the American Civil War the Franco Prussian War the Russo Turkish War and the Spanish American War **Schubert's Vienna** Raymond Erickson, 1997-01-01 The Vienna in which Franz Schubert lived for the thirty one years of his life was not just a city of music dance and coffeehouses a centre of important achievements in the arts It was also the capital of an empire that was constantly at war in the composer s youth and that became a police state during his maturity **Good Governance and Civil Society** Adam Jarosz, 2015-01-12 The concept of governance is a key issue for public sector work at all levels In today s environment of globalization and the growing significance of communication and participatory managing methods public service provisions and dialogue with citizens have to be developed Governance provides an answer to these challenges it combines cooperative forms of governing involving both the private sector and social partners which can form networks to develop policies in different fields Good governance is generally seen as an outcome of transparent and efficient governing methods as well as multi level governance utilising both state instruments and other institutions such as supranational organisations and local and regional governments This book is devoted to these questions and research problems The contributors are predominantly young scientists and examine a wide range of different examples issues and case studies in order to analyse various elements and aspects of the concept of governance The book provides interdisciplinary and multidimensional research in order to analyse the numerous different facets of this broad term As such the contributors to this volume are drawn from the various fields of politics the economy society and communication in order to provide a well rounded and in depth analysis of governance
