Movements and Social Transformation Samta P. Pandya, 2018-12-11 This book examines the role of Hindu inspired faith movements HIFMs in contemporary India as actors in social transformation It further situates these movements in the context of the global political economy where such movements cross national boundaries to locate believers among the Hindu diaspora and others In contemporary neoliberal India HIFMs have become important actors and they realize themselves by making public assertions through service The four pillars of the contemporary presence of such movements are gurus sociality hegemony and social transformation Gurus who spearhead these movements create a matrix of possible meanings in their public discourses which their followers pick up to create messages of personal and social change Sociality is a core strategy of proliferation across such movements and implies social service which is qualified by memories of the guru and what they are believed to embody Hegemony is reflected in the fact that social service in such movements often ominously imbibes right wing or far right Hinduism They propose a model of Hindu inspired social transformation involving faith building into and transforming the civil society The book discusses in a nuanced way several Hindu inspired faith movements of various hues which have made national and international impact This topical book is of interest to students and researchers in the fields of sociology anthropology social work and social psychology with a special interest in the study of religious movements

Religion and Social Change Gerhard Falk, 2018-12-01 Despite America's famous separation of Church and State religion obviously holds an enormous influence on nearly all aspects of society Prof Falk looks at major traditional religious groupings in the US and discusses how they influence the family education government the economy philanthropy violence music and the media Western society is becoming less religious more secular every day as science answers some of the profound questions that inspired a belief in the supernatural But society requires more than the laws of physics to hold it together of course and so far religion is the institution that has provided the most clear cut moral guidelines even for non believers Religion has also inspired many of our greatest artistic endeavors But religion can also be used for crass commercial interests or worse to divide people and fuel violence Drawing parallels and contrasts between Catholicism mainline Protestantism and Judaism Dr Falk talks about history and philosophy political campaigns social movements popular music literature and life He shows how religious traditions influence us and how they impact politics social stratification and even the military

Religious Education as Social Transformation Allen J. Moore, 1989 Religion, Media, and Social Change Kennet Granholm, Marcus Moberg, Sofia Sjö, 2014-09-19 In an era of heightened globalization macro level transformations in the general socioeconomic and cultural makeup of modern societies have been studied in great depth Yet little attention has been paid to the growing influence of media and mass mediated popular culture on contemporary religious sensibilities life and practice Religion Media and Social Change explores the correlation between the study of religion media and popular culture and broader sociological theorizing on religious change Contributions devote serious attention to broadly defined media including technologies institutions and social and cultural environments as well as mass

mediated popular culture such as film music television and computer games This interdisciplinary collection addresses important theoretical and methodological questions by connecting the study of media and popular culture to current perspectives approaches and discussions in the broader sociological study of religion **Religion, Social Change, and Fertility Behaviour** R. Jayasree,1989 This Book Based On A Study Carried Out In The Travancore Region Of Kerala Attempts To Explain The Differential Influences Of Many Demographic Developmental And Cultural Variables That Influence Social Change Among Different Religious Groups And Also Ultimately The Fertility Behaviour *Women, Religion, and Social Change* Yvonne Yazbeck Haddad, Ellison Banks Findly, 1985-01-01 De bijdragen in dit boek onderzoeken welke rol vrouwen van diverse religieuze achtergronden hebben gespeeld in revoluties en sociale veranderingen Er wordt nagegaan hoe religies de deelname van vrouwen aan het sociale veranderingsproces stimuleren of belemmeren Alle grote wereldgodsdiensten en hun verschillende lokale invullingen komen aan bod **Troubling the Social** Jeremy Punt, 2024-09-25 These papers from the annual Summer Spring School of the IRTG revolve around the theme of troubling the social exploring the complex relationships between religion social worlds and transformation from the vantage point of the postcolony not so much as a geographical location but rather as a way to understand the world The contributions examine the coloniality inherent within the academic enterprises related to religion but also what how and why religious experiences worldviews and engagements count as knowledge and the implications this has for understanding examining and activating social transformation processes Processes of transformation have been prominent within the continent in the last decade and still animate crucial debates and knowledge production In these religion has figured paradoxically as the blind spot or occupied a default and marginal position However religion participates through a complex assemblage of practices subjectivities and meaning making processes in the creation of social worlds social imagination and social transformations They also explore how the decolonial renaissance is troubling the social and epistemic origins of religion and the social sciences as well as its imagined relation to social transformation Contributors are from Southern Africa and Germany societies with histories of colonialism and segregation both of which have experienced postcolonial transformations to the social fabric of their societies and both have increasingly seen calls also for critical research on coloniality religion and social transformation *Social Change and Religious Faith* Cynthia A. Hawkinson, Alden L. Weight, 2020-12-15 Making social change is difficult and sometimes dangerous work and therefore not many people choose to take the risk of becoming visible agents of change This volume provides case studies of modern individuals who are making social change motivated by their religious faith *Media, Spiritualities and Social Change* Stewart M.
