Religion Homosexuality And Literature:

Religion, Homosexuality and Literature Gary David Comstock, Jeffrey J. Kripal, 1992-12-01 *Religion, Homosexuality, and Literature*, 1992 Homosexuality and Religion Jeffrey S. Siker, 2006-11-30 Few issues today cause more public and private debate than the interaction of homosexuality and religion From the question of gay marriage to the place of gays and lesbians within faith communities religious leaders and lay members must deal with these issues for now and for years to come What is the historical position of the major denominations How are people of faith balancing their beliefs This encyclopedia provides an overview of the various attitudes and responses that religions have had to the presence of gay lesbian bisexual and transgendered persons within their communities This is the most comprehensive volume to date on the intersections between religion and homosexuality **Male Homosexuality in Literature**, 1980 Public Religion and the Politics of Homosexuality in Africa Adriaan van Klinken, Ezra Chitando, 2016-04-14 Issues of same sex relationships and gay and lesbian rights are the subject of public and political controversy in many African societies today Frequently these controversies receive widespread attention both locally and globally such as with the Anti Homosexuality Bill in Uganda In the international media these cases tend to be presented as revealing a deeply rooted homophobia in Africa fuelled by religious and cultural traditions But so far little energy is expended in understanding these controversies in all their complexity and the critical role religion plays in them This is the first book with multidisciplinary perspectives on religion and homosexuality in Africa It presents case studies from across the continent from Egypt to Zimbabwe and from Senegal to Kenya and covers religious traditions such as Islam Christianity and Rastafarianism The contributors explore the role of religion in the politicisation of homosexuality investigate local and global mobilisations of power critically examine dominant religious discourses and highlight the emergence of counter discourses Hence they reveal the crucial yet ambivalent public role of religion in matters of sexuality social justice and human rights in contemporary Africa *Gay Religion* Scott Thumma, Edward R. Gray, 2004-12-10 Conflicts over homosexuality and gay rights threaten to break apart denominations if not North American society These heated theological and political debates have as well obscured the fact that many gays and lesbians are religiously active individuals *Gay Religion* is the first book to give a straightforward presentation of the spiritual lives practices and expressions of gays lesbians bisexuals and transgender Drawing from a wide range of religious traditions new and established scholars explore the range of gay religious expression in denominations sects and even outside recognized religious institutions The essays ask what these religious innovations mean to the continually evolving religious environment of North America With its helpful section introductions and an appendix providing profiles of organizations involved *Gay Religion* is a unique and compelling resource for anyone interested in homosexuality and American religion **Religion in America Since 1945** Patrick Allitt, 2003 Discusses the Cold War communism Eisenhower the civil rights movement African Americans and religion Mormons Vietnam Catholics feminism cults creationism

and evolution American Islam home schooling abortion homosexuality and religion and the Christian Right **Library of Congress Subject Headings** Library of Congress, Library of Congress. Subject Cataloging Division, Library of Congress. Office for Subject Cataloging Policy, 2013 **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office, 2001

Willa Cather's Sexual Aesthetics and the Male Homosexual Literary Tradition

John P. Anders, 1999-01-01 In this first full length study of male homosexuality in Cather's short stories and novels John P. Anders examines patterns of male friendship ranging on a continuum from the social to the sexual. He reveals how Cather's work assumes an unexpected depth and complexity by drawing on both the familiar tradition of friendship literature inspired by classical and Christian texts and a homosexual legacy that is part of yet distinct from established literary traditions. Anders argues that Cather's artistic achievement is distinguished by her sexual aesthetics, an elusive literary style inextricably associated with homosexuality. His analysis demonstrates how a homosexual ethos and eros helped Cather develop a sensitivity to human variation and a style to accommodate it and thus became the objective correlative of her art, dramatizing the diversity of human nature as it deepens the mystery of her work.

Secular Faith Mark A. Smith, 2015-09-11 When Pope Francis recently answered "Who am I to judge" when asked about homosexuality, he ushered in a new era for the Catholic church. A decade ago it would have been unthinkable for a pope to express tolerance for homosexuality. Yet shifts of this kind are actually common in the history of Christian groups. Within the United States, Christian leaders have regularly revised their teachings to match the beliefs and opinions gaining support among their members and larger society. Mark A. Smith provocatively argues that religion is not nearly the unchanging conservative influence in American politics that we have come to think it is. In fact, in the long run, religion is best understood as responding to changing political and cultural values rather than shaping them. Smith makes his case by charting five contentious issues in America's history: slavery, divorce, homosexuality, abortion, and women's rights. For each, he shows how the political views of even the most conservative Christians evolved in the same direction as the rest of society, perhaps not as swiftly but always on the same arc. During periods of cultural transition, Christian leaders do resist prevailing values and behaviors, but those same leaders inevitably acquiesce, often by reinterpreting the Bible if their positions become no longer tenable. Secular ideas and influences thereby shape the ways Christians read and interpret their scriptures. So powerful are the cultural and societal norms surrounding us that Christians in America today hold more in common morally and politically with their atheist neighbors than with the Christians of earlier centuries. In fact, the strongest predictors of people's moral beliefs are not their religious commitments or lack thereof but rather when and where they were born. A thoroughly researched and ultimately hopeful book on the prospects for political harmony, *Secular Faith* demonstrates how, over the long run, boundaries of secular and religious cultures converge.

[Homosexuality and Religion](#) Richard L. Hasbany, 2013-12-19 Here is a comprehensive historical overview of the recent discussion in the Judeo-Christian religions regarding homosexuality. Breaking new ground in the

scholarship about Judeo Christian religion and homosexuality this wide ranging volume features insightful new perspectives on the relationship between the church and homosexuals Aimed at scholars religious professionals counselors and therapists Homosexuality and Religion provides valuable information on both historical and contemporary religious thought and life and homosexuality Some of the provocative topics include gay and lesbian clergy psychological pastoral counseling for lesbians and gay men and the church and homophobia

Literary Visions of Homosexuality Stuart Kellogg, 2016-12-05 An important contribution to the rapidly growing field of gay literary criticism and scholarship this volume contains well written and intelligently argued essays on the the homosexual tradition in Western literature The first book of its kind Essays on Gay Literature investigates the ways in which homosexuality has been viewed by a variety of authors from the Middle Ages to the present including William Shakespeare Christopher Marlowe E M Forster James Merrill Henry James and William Faulkner

Library of Congress Subject Headings Library of Congress. Subject Cataloging Division, 1980 **Reader's Guide to Lesbian and Gay Studies** Timothy Murphy, 2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report

Religion and American Cultures Gary Laderman, Luis León, 2014-12-17 This four volume work provides a detailed multicultural survey of established as well as new American religions and investigates the fascinating interactions between religion and ethnicity gender politics regionalism ethics and popular culture This revised and expanded edition of Religion and American Cultures Tradition Diversity and Popular Expression presents more than 140 essays that address contemporary spiritual practice and culture with a historical perspective The entries cover virtually every religion in modern day America as well as the role of religion in various aspects of U S culture Readers will discover that Americans aren't largely Protestant Catholic or Jewish anymore and that the number of popular religious identities is far greater than many would imagine And although most Americans believe in a higher power the fastest growing identity in the United States is the none those Americans who elect none when asked about their religious identity thereby demonstrating how many individuals see their spirituality as something not easily defined or categorized The first volume explores America's multicultural communities and their religious practices covering the range of different religions among Anglo Americans and Euro Americans as well as spirituality among Latino African American Native American and Asian American communities The second volume focuses on cultural aspects of religions addressing topics such as film Generation X public sacred spaces sexuality and new religious expressions The new third volume expands the range of topics covered with in depth essays on additional topics such as interfaith families religion in prisons belief in the paranormal and religion after September 11 2001 The fourth volume is devoted to complementary

primary source documents **Social Work with Lesbians and Gay Men** Helen Cosis-Brown, Christine Cocker, 2011-01-19
The book clearly links knowledge and practice and is structured in such a way so that theories relevant to social work practices with lesbians and gay men are covered before specific areas of practice are addressed **LGBT Studies and Queer Theory** Karen Lovaas, 2013-05-13 Find out how the tension between LGBT studies and queer theory exists in the classroom politics communities and relationships LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain examines the similarities and differences between LGBT studies and queer theory and the uneasy relationship between the two in the academic world This unique book meets the challenge that queer theory presents to the study and politics of gay and lesbian studies with a collection of essays from leading academics who represent a variety of disciplines These original pieces place queer theory in social and historical contexts exploring the implications for social psychology religious studies communications sociology philosophy film studies and women s studies The book s contributors address queer theory s connections to a wide range of issues including the development of capitalism the evolution of the gay and lesbian movement and the study of bisexuality and gender Many scholars working in gay and lesbian studies still question the intellectual and political value of queer theory As a result queer theory has often been concentrated in the humanities while gay and lesbian studies are concentrated in the social sciences and history But this has begun to change in the past 10 15 years as documented by the 12 essays presented in LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain includes historical notes on LGBT studies and queer theory some continuing tensions between LGBT studies and queer theory doubts about whether queer theory can lead to social change an analysis of the current state of proto fields of LGBT studies and queer studies in religion concerns that queer theory s erasure of identity feeds into late capitalism an analysis of variability in social psychologists studies of anti homosexual prejudice an exploration of the commodification of queer identities in independent cinema how and why the category of bisexuality has been marginalized a historical review and assessment of recent bisexual theory a case study of Provincetown Massachusetts an investigation of the interarticulation of race ethnicity and gender a case study of the struggle to introduce LGBT studies in the curriculum at West Chester University and much more LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain is an essential read for researchers academics and practitioners involved in exploring multifaceted aspects of LGBT Studies and Queer Theory and their points of convergence and divergence *Library of Congress Subject Headings* Library of Congress. Office for Subject Cataloging Policy, 1992 *A Subject Index to Current Literature* Australian Public Affairs Information Service,

As recognized, adventure as well as experience not quite lesson, amusement, as competently as contract can be gotten by just checking out a books **Religion Homosexuality And Literature** next it is not directly done, you could understand even more in this area this life, roughly the world.

We present you this proper as with ease as simple pretentiousness to get those all. We offer Religion Homosexuality And Literature and numerous books collections from fictions to scientific research in any way. among them is this Religion Homosexuality And Literature that can be your partner.
