The Virgin Mary and Catholic Identities in Chinese History Jeremy Clarke, 2013-08-01 The Chinese Catholic Church traces its living roots back to the late sixteenth century and its historical roots back even further to the Yuan dynasty This book explores paintings and sculptures of the Virgin Mary and the communities that produced them over several centuries It argues for the emergence of distinctly Chinese Catholic identities as artistic representations of the Virgin Mary at different times and in different places absorbed and in turn influenced representations of Chinese figures from Guanyin to the Empress Dowager At other times indigenous styles have been diluted by Western influences following the influx of European missionaries in the nineteenth century for example or with globalization in recent years The book engages with history theology and art and draws on imagery and archival photographs that have been largely neglected As a study of the social and cultural histories of communities that have survived over many centuries this book offers a new view of Catholicism in China one that sees its history as more than simply a cycle of persecution and resistance

The Academic Study of Religion During the Cold War Iva Dolezalova, Luther H. Martin, Dalibor Papoušek, 2001 While the academic study of religion in the former Soviet Union had to contend with an official ideology of scientific atheism such study in the West particularly in the United States was being re-invented in the 1960s during the very midst of the Cold War The twenty one contributions to this volume by scholars from North America Europe Russia and eastern Europe examine the

ideological and theological influences on the academic study of religion during the period from 1945 to 1989 and thus raise the question of whether an academic study of religion Religionswissenschaft might be defined in ways that avoid the extremes of both ideology and theology **Religion and the American Experience, The Twentieth Century** Arthur P. Young, E. Jens Holley, Phyllis C. Watts, 1994-12-12 The first comprehensive listing of doctoral dissertations related to American religious history this volume is a companion to Young and Holley's earlier work covering 1620 to 1900 A Protestant Church in Communist China John Craig William Keating, 2012-02-16 Freedom of religious belief is guaranteed under the constitution of the People's Republic of China but the degree to which this freedom is able to be exercised remains a highly controversial issue Much scholarly attention has been given to persecuted underground groups such as Falun but one area that remains largely unexplored is the relationship between officially registered churches and the communist government This study investigates the history of one such official church Moore Memorial Church in Shanghai This church was founded by American Methodist missionaries By the time of the 1949 revolution it was the largest Protestant church in East Asia running seven day a week programs As a case study of one individual church operating from an historical rather than theological perspective this study examines the experience of people at this church against the backdrop of the turbulent politics of the Mao and Deng eras It asks and seeks to answer questions such as were the people at the church pleased to see the foreign missionaries leave Were people forced to sign the so called Christian manifesto Once the church doors were closed in 1966 did worshipers go underground Why was this particular church especially chosen to be the first re opened in Shanghai in 1979 What explanations are there for its phenomenal growth since then A considerable proportion of the data for this study is drawn from Chinese language sources including interviews personal correspondence statistics internal church documents and archives many of which have never previously been published or accessed by foreign researchers The main focus of this study is on the period from 1949 to 1989 a period in which the church experienced many ups and downs restrictions and limitations The Mao era in particular remains one of the least understood and seldom written about periods in the history of Christianity in China This study therefore makes a significant contribution to our evolving understanding of the delicate balancing act between compromise co operation and compliance that categorizes church state relations in modern China **China Review International** ,1995 The University of Chicago Magazine ,1993 Church History James E. Bradley ,Richard A. Muller, 2016 In their acclaimed much used Church History James Bradley and Richard Muller lay out guidelines methods and basic reference tools for research and writing in the fields of church history and historical theology Over the years this book has helped countless students define their topics locate relevant source materials and write quality papers This revised expanded and updated second edition includes discussion of Internet based research digitized texts and the electronic forms of research tools The greatly enlarged bibliography of study aids now includes many significant new resources that have become available since the first edition's publication in 1995 Accessible and clear this

introduction will continue to benefit both students and experienced scholars in the field Modern American Popular Religion Charles H. Lippy, 1996-01-19 Lippy makes a case for the importance of exploring popular religion if one is to understand the dynamics of modern religious life The first annotated bibliography on the subject this work features over 550 entries topically arranged Lippy provides a critical assessment of the state of the study of popular religion including an examination of theoretical materials that wrestle with trying to define precisely what popular religion is This book is of interest to scholars students and anyone concerned with understanding today s religion The bulk of the work consists of critical annotations of books articles and dissertations that deal with various aspects of popular religion in the United States from 1870 to the present The topics covered include background studies biographical works titles dealing with fundamentalism and evangelicalism expressions of popular religion in the arts the use of mass media and personal spirituality The work is of great importance as long as Americans engage in the human quest to make sense out of their own experience and look beyond themselves to a supernatural realm that will assist them in ordering their lives

Embracing the Track of Term: An Emotional Symphony within **Religion In Postwar China A Critical Analysis And Annotated Bibliography**

In a world consumed by monitors and the ceaseless chatter of instantaneous interaction, the melodic elegance and psychological symphony developed by the published word often fade in to the background, eclipsed by the relentless sound and interruptions that permeate our lives. However, nestled within the pages of **Religion In Postwar China A Critical Analysis And Annotated Bibliography** a charming fictional prize overflowing with fresh thoughts, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, this interesting masterpiece conducts readers on a mental trip, well unraveling the concealed songs and profound impact resonating within each carefully constructed phrase. Within the depths with this touching examination, we shall examine the book's main harmonies, analyze their enthralling publishing type, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.
