The background of the image is a large, mature tree with a thick trunk and a wide, spreading canopy of green leaves. The tree is situated in a grassy field. Various names and titles of God are written in white text on the branches and leaves of the tree. The names are arranged in a way that follows the natural growth of the tree, creating a sense of organic unity. The names include: LORD, Alpha, Prince of Peace, Omega, Refuge, Provider, I AM, Helper, Emmanuel, High Priest, Hope of Salvation, Savior, Jesus, Deliverer, Healer, Jehovah, Comforter, Most High, Light, God, Abba Father, Holy Spirit, and Creator.

Early Christian Poetry Jan den Boeft,A. Hilhorst,2015-12-22 This collection of essays deals with the rise and development of early Christian poetry discussing its techniques and its theoretical foundation The individual papers concern specimina of Hebrew Syriac Greek and Latin poetry and study the various and partly conflicting traditions from which it originated The biblical examples e g of the Psalms held great authority but on the other hand it was impossible to break away from the models of classical Greco Roman poetry although these were deemed dangerous because of the pagan content and excessive cult of literary art The book shows how the problems involved were solved in different ways which justified the use of pagan literary accomplishments for singing the praises of the Lord

Poetry and Its Others Jahan Ramazani,2022-12-22 What is poetry Often it is understood as a largely self enclosed verbal system suspended from any mutual interaction with alien discourse in the words of Mikhail Bakhtin But in Poetry and Its Others Jahan Ramazani reveals modern and contemporary poetry s animated dialogue with other genres and discourses Poetry generates rich new possibilities he argues by absorbing and contending with its near verbal relatives Exploring poetry s vibrant exchanges with other forms of writing Ramazani shows how poetry assimilates features of prose fiction but differentiates itself from novelistic realism metabolizes aspects of theory and philosophy but refuses their abstract procedures and recognizes itself in the verbal precision of the law even as it separates itself from the law s rationalism But poetry s most frequent interlocutors he demonstrates are news prayer and song Poets such as William Carlos Williams and W H Auden refashioned poetry to absorb the news while expanding its contexts T S Eliot and Charles Wright drew on the intimacy of prayer though resisting its limits and Paul Muldoon Rae Armantrout and Patience Agbabi have played with and against song lyrics and techniques Encompassing a cultural and stylistic range of writing unsurpassed by other studies of poetry Poetry and Its Others shows that we understand what poetry is by examining its interplay with what it is not

Religious Trends in English Poetry H. N. Fairchild,2010-06-01 Religious Trends in English Poetry

Classical Genres and English Poetry (Routledge Revivals) William H. Race, 2014-08-01 First published in 1988 this study explains how certain genres created by Classical poets were adapted and sometimes transformed by the poets of the modern world beginning with the Tudor poets rediscovery of the Classical heritage Most of the long lived poetic genres are discussed from familiar examples like the hymn elegy and eulogy to less familiar topics such as the recusatio refusal to write certain kinds of poems or formal structures such as priamel By combining criticism with literary history the author explores the degree to which certain poets were consciously imitating models and demonstrates how various generic forms reflect the literary concerns of individual poets as well as the general concerns of their age The poets discussed range over the whole of Graeco Roman antiquity and in English from Wyatt to Yeats and Auden A detailed and fascinating title this study will appeal to teachers and students of both English and Classical literature

Chapters into Verse: Poetry in English Inspired by the Bible Robert Atwan, Laurance Wieder, 1993-05-06 For generations poets have turned to the Bible for insight and inspiration What did so many creative minds find in scripture Is the Bible still a vital source of poetic inspirations Chapters Into Verse is the first comprehensive collection ever made of poems written in English inspired by the Bible A groundbreaking anthology it introduces readers to a distinct heritage of English poetry the scriptural tradition Though frequently ignored and sometimes suppressed this tradition rivals the classical and is every bit as venerable Drawing a unique map of the history of English poetry the two volumes of Chapters Into Verse survey and define the literary legacy of the Scriptures from the fourteenth century to the present Each volume is arranged in scriptural order and each poem is preceded by the biblical passage that inspired it Thus readers can conveniently witness the various ways sacred text has sparked the imagination of poets throughout the ages In Volume I which covers Genesis to Malachi almost every book of the Old Testament is represented The collection features verses both famous and unfamiliar from Milton's Paradise Lost and Lord Byron's Hebrew Melodies to Christopher Smart's hymns and Mary Herbert's psalms The editors have included poems by virtually all the prominent religious poets among them John Donne George Herbert Henry Vaughan Edward Taylor and Gerard Manley Hopkins Included too are devotional and visionary works from a wide range of vintage poets Robert Burns William Blake Walt Whitman Emily Dickinson Christina Rossetti Alfred Tennyson and Robert Browning Proving that the Bible is just as powerful a source of inspiration today as it was in the past the collection assembles a mixed congregation of modern and contemporary poets such as Marianne Moore Delmore Schwartz Dylan Thomas Robert Frost William Carlos Williams Countee Cullen e e cummings William Butler Yeats Robert Lowell Hugh MacDiarmid Laura Riding Jackson Charles Reznikoff A D Hope Geoffrey Hill Denise Levertov Philip Levine John Ashbery and Derek Walcott Of enduring interest to readers of both scripture and literature this anthology illuminates key passages of the Old Testament The measured speech and inspired leaps of poetry offer a spirited alternative to the textual exegesis usually supplied by prose commentary As such Chapters Into Verse is truly a poets Bible In selection after selection readers will encounter an astonishing variety of religious experiences as a

host of poets from many eras and many backgrounds respond to Holy Scripture spiritually profoundly and imaginatively

The Poetics of Early Modern English Psalm Translations Janina Niefer, 2018 This study is concerned with Early Modern English psalm translations It focusses on the connection between inspiration and formal perfection as it appears in George Wither's A Preparation to the Psalter Philip Sidney's The Defence of Poesy The Sidney Psalter and The Bay Psalm Book Taking into account theological philosophical and literary contexts of the time it reveals the struggle to find a suitable language in praise of God as a main concern of Early Modern religious writers and presents concepts which are highly relevant for the religious poetry of the time Dissertation Series Religion and Literature Religion und Literatur Vol 5 Subject Religious Studies **The Poetry of the Self-taught** Julie D. Prandi, 2008 The Poetry of the Self Taught demonstrates the characteristic strengths of self taught poetry and analyzes the factors that have caused most selftaught poets to disappear from anthologies and from literary history Raising the question of whether or not their work should be read today and taken seriously instead of being relegated to separate and unequal categories like women's or peasant poetry the book highlights interesting contrasts between the poetry of eighteenth century autodidacts such as Robert Burns Mary Leapor C D F Schubart and Anna Louise Karsch and the work of their contemporaries mainstream poets like Alexander Pope James Thomson C F Gellert and Barthold Heinrich Brockes Self taught poetry is often treated as an index to the lives and times of the poets but this book explores it with a different purpose to understand and illustrate the commonalities in autodidactic poetics imagery rhetorical strategies and themes Concurrent with a recent upturn of interest in laboring or self taught poets both in England and in Germany The Poetry of the Self Taught will be useful for courses focusing on such poets or those dealing with eighteenth century literature Scripture, Metaphysics, and Poetry Robert MacSwain, 2016-04-01 This book offers a critical edition of arguably the greatest work of English theology in the 20th century Austin Farrer's Bampton Lectures published as The Glass of Vision in 1948 Farrer was an interdisciplinary genius who made original contributions to

philosophy theology and biblical studies as well as to our understanding of the role of imagination in human thought and Christian doctrine According to Farrer the three primary themes of these lectures are scripture metaphysics and poetry individually and in relation to each other The lectures defend his famous theory of divine revelation through images rather than propositions or events a provocative account of the place of metaphysical reasoning in theology and a literary approach to the Biblical text that was decades ahead of its time and is still controversial The Glass of Vision has generated a rich and interesting interdisciplinary conversation that has lasted for decades starting with commentators such as Helen Gardner and Frank Kermode In addition to Farrer s full text this critical edition also contains an introduction to the significance and context of Farrer s thought and a selection of thirty years worth of commentary by leading British and European theologians and literary scholars David Brown Ingolf Dalferth Hans Haug Douglas Hedley David Jasper and Gerard Loughlin Of interest to literary and biblical scholars theologians and philosophers this book holds particular value for those exploring the nature of imagination in contemporary thought and scholarship
