

RELIGIOUS VIOLENCE AND ABORTION

THE GIDEON PROJECT

Dallas A. Blanchard
Terry J. Prewitt

Religious Violence Abortion The Gideon Project

Michael Jerryson

Religious Violence Abortion The Gideon Project:

Religious Violence and Abortion Dallas A. Blanchard, Terry James Prewitt, 1993 Reads almost like a well written novel The story it tells is unsettling but important Anyone interested in finding an acceptable solution to the vexed issue of abortion should read it Harvey Cox The Divinity School Harvard University On Christmas Day in 1984 three Pensacola abortion clinics were bombed by four young people who later went to trial and were convicted and sentenced The authors explore this moral drama as a case study of religiously motivated political action the perpetrators identified with Gideon the Old Testament slayer of those who sacrificed firstborn infants to Baal Their analysis sheds light on the violent wing of the anti abortion movement Their detailed account of the nationally publicized trial and the fundamentalist Christian community's response to the bombings will be important and compelling reading for those concerned with the abortion controversy and other issues that encompass social violence and contemporary religion Scholars will be interested in the work as a comprehensive sociological analysis of religious fundamentalism an ideology that the authors tie to a medieval world view Placing anti abortion violence in the context of social movement theory they conclude that persons who are predisposed toward such behavior are likely to be working class males under age 35 socially isolated from countervailing attitudes Religious fundamentalists they warn will continue to utilize violence in reaction to such subjects as pornography homosexuality sex education equality for females and prayer in public schools For this book the authors conducted interviews with local activists on both sides of the abortion issue They interviewed local religious fundamentalists personnel of clinics throughout the United States that have been subjected to arson or bombing and when possible persons who have been tried and convicted of those offenses In addition they attended the Pensacola trial and fundamentalist church services Dallas A Blanchard is associate professor of sociology at the University of West Florida and a United Methodist minister Terry J Prewitt is associate professor of anthropology at the University of West Florida

Religious Violence in the Ancient World Jitse H. F. Dijkstra, Christian R. Raschle, 2020-10-01 Much like our world today Late Antiquity fourth seventh centuries CE is often seen as a period rife with religious violence not least because the literary sources are full of stories of Christians attacking temples statues and pagans However using insights from Religious Studies recent studies have demonstrated that the Late Antique sources disguise a much more intricate reality The present volume builds on this recent cutting edge scholarship on religious violence in Late Antiquity in order to come to more nuanced judgments about the nature of the violence At the same time the focus on Late Antiquity has taken away from the fact that the phenomenon was no less prevalent in the earlier Graeco Roman world This book is therefore the first to bring together scholars with expertise ranging from classical Athens to Late Antiquity to examine the phenomenon in all its complexity and diversity throughout Antiquity

Armed for Life Jennifer Jefferis, 2011-06-17 This book provides a detailed and comprehensive look at the primary players acts motivations and methods of the Army of God in their quest to make abortion illegal in the United States The Army of God

may not be widely known but they are well established as an extremist Christian organization united in their belief that abortion must be stopped at all costs including the use of violence or force Who are the primary players in this underground terrorist group what acts are they responsible for and what are the motivations behind their quest to make abortion illegal in the United States Armed for Life The Army of God and Anti Abortion Terror in the United States addresses these questions and more drawing upon never before published interviews with members of the Army of God and their own writings to reveal the details of this grossly understudied organization and to document what its existence and expansion says about our society

Religious Violence Today Michael Jerryson, 2020-07-15 Through sections containing overview essays and reference entries related to particular religions this resource explores the rise of religious violence hate crime and persecution around the world Religious violence and persecution have been growing steadily both within the United States and around the world Drawing on the expertise of a wide range of scholars this current and comprehensive reference helps readers understand the persecution of members of particular faiths as well as violence committed by members of those faiths In doing so it promotes a greater understanding of the role of religion in global politics domestic and international terrorism and religious bigotry The book contains sections on particular religious traditions from around the world Each section begins with an overview essay surveying violence related to that particular religion whether committed by or against members of that faith Reference entries in each section then provide objective fundamental information about particular topics related to violence and the religion discussed The entries provide cross references and suggestions for further reading and the work closes with a bibliography of resources for further study

Abortion from the Religious and Moral Perspective: George F. Johnston, 2003-03-30 For approximately three decades the abortion debate has polarized America Views range from the extreme conservative position that all abortions are morally objectionable to the extreme liberal position that abortion throughout all nine months of pregnancy is acceptable In the middle are those who advocate laws limiting the number of valid reasons for abortion This comprehensive volume includes bibliographic citations that address the moral and religious aspects of abortion It covers such topics as the various arguments both for and against abortion the status of the fetus and overviews of several religions stances on abortion Citations also include references on how Christianity has influenced abortion politics and law discussions of Operation Rescue and official statements on abortion by the Catholic Church and several Protestant denominations Researchers as well as anyone interested in the moral and religious elements of abortion will find this resource invaluable It covers the literature on abortion and religion found in books essays journal articles academic dissertations and Web sites And unlike many of the available bibliographies this one focuses only on the religious and moral issues therefore providing greater depth on those two issues within one work

Obstacle Course David S. Cohen, Carole Joffe, 2021-07-27 This book tells the real story of abortion in America one that captures a disturbing reality of sometimes insurmountable barriers put in front of women trying to exercise their legal rights to medical services Without the

efforts of an unheralded army of doctors nurses social workers activists and volunteers what is a legal right would be meaningless for the almost one million people per year who get abortions There is a better way treating abortion like any other form of health care but the United States is a long way from that ideal **Is the Fetus a Person?** Jean Reith Schroedel,2000 As much a model for future research as a study of the status of the fetus this book offers an examination of one of the most divisive and complex issues of American life **BOOK JACKET The Making of Pro-life Activists** Ziad W. Munson,2010-07-15 How do people become activists for causes they care deeply about Many people with similar backgrounds for instance fervently believe that abortion should be illegal but only some of them join the pro life movement By delving into the lives and beliefs of activists and nonactivists alike Ziad W Munson is able to lucidly examine the differences between them Through extensive interviews and detailed studies of pro life organizations across the nation Munson makes the startling discovery that many activists join up before they develop strong beliefs about abortion in fact some are even pro choice prior to their mobilization Therefore Munson concludes commitment to an issue is often a consequence rather than a cause of activism The Making of Pro life Activists provides a compelling new model of how people become activists while also offering a penetrating analysis of the complex relationship between religion politics and the pro life movement Policy makers activists on both sides of the issue and anyone seeking to understand how social movements take shape will find this book essential *A Wall of Separation?* Mary Segers,Ted G. Jelen,Clarke E. Cochran,1998-08-27 Should the wall of separation between church and state be permeable or inviolable This question has been hotly contested since the nation s founding and contentious debates persist today With a collection of the most significant documents and an introduction by Clarke E Cochran that provides the historical context of the debate prominent scholars Mary Segers and Ted Jelen debate the impact of organized religion on the democratic process examine its influence on political discourse and discuss its significance for the creation of public policy The authors illuminate the constitutional implications of using religion to cultivate public morality and discuss the complexities of creating a civic minded citizenry in a pluralistic society *Tiny You* Jennifer L. Holland,2020 Caroline Bancroft History Prize 2021 Denver Public Library Armitage Jameson Prize 2021 Coalition of Western Women s History David J Weber Prize 2021 Western History Association W Turrentine Jackson Prize 2021 Western History Association *Tiny You* tells the story of one of the most successful political movements of the twentieth century the grassroots campaign against legalized abortion While Americans have rapidly changed their minds about sex education pornography arts funding gay teachers and ultimately gay marriage opposition to legalized abortion has only grown As other socially conservative movements have lost young activists the pro life movement has successfully recruited more young people to its cause Jennifer L Holland explores why abortion dominates conservative politics like no other cultural issue Looking at anti abortion movements in four western states since the 1960s turning to the fetal pins passed around church services the graphic images exchanged between friends and the fetus dolls given to children in school she

argues that activists made fetal life feel personal to many Americans Pro life activists persuaded people to see themselves in the pins images and dolls they held in their hands and made the fight against abortion the primary bread and butter issue for social conservatives Holland ultimately demonstrates that the success of the pro life movement lies in the borrowed logic and emotional power of leftist activism **T&T Clark Reader in Abortion and Religion** ,2022-12-29 This volume introduces students to the history of cultural and theological responses to abortion as background for understanding a diversity of ethical positions in contemporary Christian Jewish and Muslim writings Politicized debates about abortion are often presented in terms of a binary rhetoric of prolife versus prochoice however this collection of essays shows how that binary often breaks down when abortion is seen from different religious perspectives and in light of the voices of women themselves While abortion is a global phenomenon this volume focuses on the U S context American abortion politics and culture wars have been dominated by Christian voices nevertheless Jewish and Muslim abortion ethics engage many of the same issues from different cultural and religious perspectives Finally this volume presents important examples of recent social scientific studies about the relationship of religion and abortion in the diverse cultural racial and economic fabric of American society Pedagogical features include Introduction to the subject matter by the editors Introductory essays to all five parts of the book Questions for classroom discussion Additional pedagogical materials can be found at <https://abortionreligionreader.com>

Souls, Bodies, Spirits Kerry N. Jacoby,1998-04-23 Jacoby provides a comprehensive social history of the abortion abolition campaign from its beginnings following Roe v Wade through the 1996 elections She explores the abortion abolition effort historically sociologically theologically and politically arguing for a deepened understanding of American abortion opponents The history of the abortion abolition effort in America is examined through three different approaches to the understanding of collective behavior Beginning with the immediate post Roe period the movement is explored as a Catholic moral crusade and Jacoby analyzes why Catholic Americans were particularly prone to such activity as well as why otherwise theologically compatible Protestants were not She then examines the effort as a major social movement beginning around 1980 Finally the late 1980s development of direct action activity most notably in the form of Operation Rescue is viewed in light of its connection to the theology and expectations of religious revivalism In her conclusions Jacoby provides a new model for understanding faith based political action Students teachers and the general public will find this book a thorough comprehensive and accessible examination of the movement Global Rebellion Mark Juergensmeyer,2008-05-16 Why has the turn of the twenty first century been rocked by a new religious rebellion From al Qaeda to Christian militias to insurgents in Iraq a strident new religious activism has seized the imaginations of political rebels around the world Building on his groundbreaking book *The New Cold War Religious Nationalism Confronts the Secular State* Mark Juergensmeyer here provides an up to date road map through this complex new religious terrain Basing his discussion on interviews with militant activists and case studies of rebellious movements Juergensmeyer puts a human face on conflicts that have become

increasingly abstract He revises our notions of religious revolution and offers positive proposals for responding to religious activism in ways that will diminish the violence and lead to an accommodation between radical religion and the secular world

Who Lives, Who Dies, Who Decides? Sheldon Ekland-Olson, 2014-12-02 This second edition of *Who Lives Who Dies Who Decides* has been updated to consider the rising stakes for issues of life and death Abortion assisted dying and capital punishment are among the most contentious issues in many societies and demand debate Whose rights are protected How do these rights and protections change over time and who makes those decisions Based on the author's award winning and hugely popular undergraduate course at the University of Texas and highly recommended by *Choice Magazine* this book explores the fundamentally sociological processes which underlie the quest for morality and justice in human societies The Author's goal is not to advocate any particular moral high ground but to shed light on the social movements and social processes which are at the root of these seemingly personal moral questions and to develop readers to develop their own opinions

Religion and Politics in the United States Kenneth D. Wald, Allison Calhoun-Brown, 2018-01-23 Using an evidenced based social scientific approach to religion Kenneth D Wald and Allison Calhoun Brown challenge the perception that religious influence in American politics is a problem to be solved Instead they contend that religion is a form of social identification that not only shapes our ideas about politics but it also shapes the behavior of political elites and ordinary citizens the interpretation of public laws and the development of government programs Ultimately the authors show how religion plays a fascinating and crucial role in our nation's political process and in our culture at large The eighth edition of *Religion and Politics in the United States* has been fully updated to include the latest scholarship and coverage of the 2016 presidential election It also features a new discussion of the religious right center and left as well as the impact of religion on the fight for equality based on gender and sexual orientation Additional student resources include all new discussion questions and further readings at the end of each chapter as well as a companion website featuring self quizzes

Religion in Sociological Perspective Keith A. Roberts, David Yamane, 2011-06-09 *Religion in Sociological Perspective* is an introduction to the sociology of religion core text designed to present and illustrate the basic theories sociologists use to understand the social dimensions of religion First and foremost the authors seek to help students understand the perspective from which sociologists view religion By the time students have finished this book they should understand the central theories and methods of research in the sociology of religion and they should have an idea of how to apply these analytical tools to new groups they encounter The goal of this text is to be illustrative rather than all encompassing The Fifth Edition continues to draw on a wide range of perspectives The text aims to help students recognize the contributions of various theoretical perspectives and the blind spots of each theory Conflict functional social constructionist and rational choice paradigms are used throughout the text Various middle range theories are also utilized to explore specific processes Despite the effort to introduce many perspectives however we have made an effort to enhance integration of the text by using one framework

throughout the book the open systems model **The Antigay Agenda** Didi Herman,2007-12-01 In *The Antigay Agenda* Didi Herman probes the values beliefs and rhetoric of the organizations of the Christian Right Tracing the emergence of their antigay agenda Herman explores how and why these groups made antigay activity a top priority and how it relates to their political history A penetrating analysis of the Christian Right s antigay agenda and of how that agenda is derived from the Christian Right s peculiar vision of American history and the Christian faith Rev Peter J Gomes Boston Book Review Public intellectualism at its best A comprehensive summary of the conservative Protestant worldview Michael Joseph Gross Boston Phoenix Literary Section Presents considerable information not previously part of the nation s political discourse Herman dissects the Christian Right s antigay stance dispassionately giving as it were the devil his due For anyone on either side of this passionate and important conflict that is an impressive accomplishment Hastings Wyman Jr Washington Post Book World

To Serve God And Mammon Ted Jelen,2019-06-26 This book provides fresh perspective on the origins and persistence of church 8211 state conflict in American political culture exploring the inherent tension between the Establishment and Free Exercise clauses of the First Amendment *Religion in Sociological Perspective* David Yamane,Keith A. Roberts,Jonas M. Hart,2025-08-22 *Religion in Sociological Perspective* Eighth Edition introduces the systems of meaning structure and belonging that make up the complex social phenomena we know as religion The author team uses an active learning approach to illustrate the central theories and methods of research in the sociology of religion and show students how to apply these analytical tools to new groups they encounter The Oxford Handbook of Religion and American Politics Corwin E. Smidt,Lyman A. Kellstedt,James L. Guth,2017 Over the past three decades the study of religion and politics has gone from being ignored by the scholarly 7ommunity to being a major focus of research Yet because this important research is not easily accessible to nonspecialists much of the analysis of religion s role in the political arena that we read in the media is greatly oversimplified This Handbook seeks to bridge that gap by examining the considerable research that has been conducted to this point and assessing what has been learned what remains unsettled due to conflicting research findings and what important questions remain largely unaddressed by current research endeavors The Handbook is unique to the field of religion and American politics and should be of wide interest to scholars students journalists and others interested in the American political scene

When people should go to the books stores, search introduction by shop, shelf by shelf, it is in reality problematic. This is why we offer the books compilations in this website. It will entirely ease you to see guide **Religious Violence Abortion The Gideon Project** as you such as.

Religious Violence Abortion The Gideon Project Introduction

Religious Violence Abortion The Gideon Project Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Religious Violence Abortion The Gideon Project Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Religious Violence Abortion The Gideon Project : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Religious Violence Abortion The Gideon Project : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Religious Violence Abortion The Gideon Project Offers a diverse range of free eBooks across various genres. Religious Violence Abortion The Gideon Project Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Religious Violence Abortion The Gideon Project Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Religious Violence Abortion The Gideon Project, especially related to Religious Violence Abortion The Gideon Project, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Religious Violence Abortion The Gideon Project, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Religious Violence Abortion The Gideon Project books or magazines might include. Look for these in online stores or libraries. Remember that while Religious Violence Abortion The Gideon Project, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Religious Violence Abortion The Gideon Project eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Religious Violence Abortion The Gideon Project full book , it can

give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Religious Violence Abortion The Gideon Project eBooks, including some popular titles.

FAQs About Religious Violence Abortion The Gideon Project Books

What is a Religious Violence Abortion The Gideon Project PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religious Violence Abortion The Gideon Project PDF?**

There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religious Violence Abortion The Gideon Project PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religious**

Violence Abortion The Gideon Project PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religious Violence Abortion The Gideon Project PDF?** Most PDF

editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
