

Jonah, The Reluctant Prophet: *Preaching*

A detailed illustration of the prophet Jonah. He is depicted from the chest up, wearing a white head covering and a brown robe. His right arm is raised high, with his hand clenched in a fist, as if he is shouting or preaching with great passion. His facial expression is one of intense emotion, with his mouth open and eyes looking upwards. The background is a solid, vibrant blue.

Trepanier Roger Henri (author),1901 *The Reluctant Prophet* Nancy Rue,2010-10-01 At age forty two Allison Chamberlain is still making a half hearted attempt to figure out what she wants to be when she grows up Although she has been a pew sitting member of a church for seven years prophet has never been on the short list of possible careers Then one Sunday Allison senses a divine nudge to buy a Harley motorcycle and go wherever it takes her Soon she is wondering if she is called to present the reality of Christ to one of society s darkest corners and challenge her own church to look beyond their fears The first in a brave trilogy from seasoned author Nancy Rue The Reluctant Prophet shows how one person s response to God s call can change a community forever *The Reluctant Prophet* Ron Davis,2013-06-17 Twelve carefully selected individuals venture from their Southern U S location to a predestined site to serve as witness to the return of the Son of God That witness will then allow them to authenticate and spread the message of this momentous event to a corrupt and violent world Guiding the groups members to their objective is divine inspiration emanating from an enigmatic figure named Paolo His choice to lead the group on the mission is a man named is Timothy an individual who is relentlessly beset by self doubt and uncertainty The journey takes the group through hazardous terrain As they make their way they are constantly under attack from the forces of evil Their primary opponent is Satan who becomes aware of the mission hopes to thwart the groups effort and employs the creatures of iniquity to confront and destroy all twelve group members The reader is introduced to each individual comprising the venture The nine male members and the three female members relate in first person narrative their personal feelings fears and expectations that they experience along the way A climactic battle determines whether the group members are successful in their mission **Jonah, God's Reluctant Prophet!** Roger Henri Trepanier,2020-08-13 Have you ever struggled with God s will for your life We all likely have at one time or another This is why God gave us the book of Jonah so that we might learn the lessons He wants us to know and learn for when we are in that situation We will never be the same after we have learned those life changing lessons that Jonah personally experienced *Jonah* Erica Brown,2017-08-30 In *Jonah The Reluctant Prophet* Dr Erica Brown takes us on a journey over land and sea in the footsteps of the Bible s most recalcitrant prophet Melding traditional commentators rabbinic literature modern biblical scholarship psychological sensitivity and artistic imagination Brown travels through the four chapters of Jonah s story tracing his call to leadership his subsequent intransigence his momentary rise to duty and his tragic resignation in an effort to discover God s ultimate lesson for him With insight and feeling Brown provides us with a glimpse into the tormented soul of the prophet as he grapples with the notion of a forgiving God who is concerned even with the welfare of Israel s strongest adversary As God struggles to teach His prophet to expand his vision and take up his divine mission we come to understand the Divine call given to each of us to rise up to the possibility of greatness After all if God can change His plan we can change as well

Jonah Mary Ann Bishop, 2020-07 Jonah's struggle is our struggle His pride and presumption is a reflection of our heart His reluctance to do what God asked of him is a reminder that we too find it difficult to trust God when we do not understand His ways By examining God's work through the reluctant ministry of Jonah this book will strengthen the faith of every serious student of God's word whose desire is to better understand His heart for all people and our responsibility to reach them with the gospel

The Reluctant Prophet Uri Brito, Rich Lusk, 2021-10-25 In their commentary on the Book of Jonah Uri Brito and Rich Lusk outline the ways in which the prophet to Nineveh embodies Israel's disobedience to testify to the Gentile nations and how God's lovingkindness exceeds that of His stiff necked people Bible reading is more of an art than a science The Bible is a story not a lexicon of systematic theological definitions With this in mind the Through New Eyes Bible Commentary Series builds on the foundational Biblical theology work of James B Jordan and other like minded scholars in bringing you a set of commentaries that will help you read teach and preach through the Bible while picking up on the rich symphonic themes and the literary symbolism of the Scriptures Because they are written for thoughtful Christians without being overly academic these commentaries will serve as valuable resources for family worship Sunday school or Bible studies

Men in the Bible John F.

O'Grady, 2005 *MEN IN THE BIBLE* explores the lives of twelve men whose lives figure prominently in Scripture six each from the Old and New Testaments Throughout the text John O Grady is careful to keep these stories in perspective and focuses on the historical and archaeological evidence surrounding them The profiles presented here represent the entire span of biblical history from Adam and Abraham to Jesus and his followers Among them are such familiar figures as Moses David Jeremiah Jesus John the Baptist Peter and Judas Apart from Jesus all the subjects in this book have flaws some of them quite serious Often their noble qualities are obscured by such negative traits as pettiness meanness jealousy anger and pride These bad and ugly aspects make the rough edges more than evident Yet these same individuals are bound together by a common faith in God Even Judas must have had considerable talents and generosity to be included among the twelve disciples As in biblical times people today also represent a spectrum of traits some good some bad and some downright ugly But the author demonstrates that because of the goodness of God the bad and the ugly never eradicate the presence of goodness He explains how such stories from the past can serve as examples for people today By fully understanding the character of each of the men covered in this work we can overcome the dark side of our natures and learn to become stronger and better people
