Reluctant God:

The Reluctant God Pamela F. Service, 1990 Service smoothly weaves fantasy with historical information heightening the effect with an exciting plot BOOKLIST Lorna Padgett an archeologist's daughter has inherited her father's love for ancient Egypt Ameni lived over four thousand years ago The son of a Pharaoh he loved adventure but had no idea what destiny the gods were holding for him These two should never have met But a walk in the hills near her father's dig leads Lorna into strange territory and to an ancient discovery that brings timeless adventure mystery and danger **Reluctant God** Pamela F. Service, 1988

The Reluctant God James Lawson, 2009-07-22 One afternoon in February Michael Movius a thirty six year old neurotic who had suffered a mild nervous breakdown and was recuperating at a small hospital in upstate New York transported Edward Ortega an unloved attendant at the hospital from the physical world to an unused recess of his mind Thus begins a strange and unusual book in a genre all its own the story of an ordinary man who must assume the mantle of a god To accommodate the people he brings into his mind from the real world he must create a world within his imagination make the sun rise and set make rain nourish the land create an environment that can feed and house the inhabitants of his mind even lay down laws of conduct and morality But events in the real world constantly impinge on the world within And the people in Movius mind a microcosm of a normal community influence the world without Movius switches back and forth between man and god incompetence and omnipotence pettiness and profundity Despite its epic scope and philosophical underpinnings exploring the farthest reaches of the imagination The Reluctant God is an entertaining and eminently readable story of real people trying to cope with an unreal world **The Reluctant God** Pamela F. Service, 1989-12-30 Sealed in a secret tomb in a state of suspended animation just as his brother is about to take the throne of Egypt teenaged Prince Ameni is revived four thousand years later by the fourteen year old daughter of an archeologist

God Won't Help Rajiv Grover, 2018-06-26 A chance meeting with a former US Army Special Forces officer AKA Candyman in war torn Kabul sets Shiv a disillusioned civil engineer from the comforts of Mumbai on a journey to find his inner peace The craggy peaks and troughs of the Karakoram Range echo the ups and downs of Shiv's life as he seeks answers to questions of life destiny and happiness In a way Shiv's travails are no different from that of millions of others seeking answers to the apparent unfairness in life's distribution of bounties and miseries Keeping him company in this quest is Nasir a dour faced Pashtun who struggles with his own torments as he despairs at the caprices of fate But what is a former US army officer doing amidst the ruins of Kabul living in a tent house and why does the American go by the moniker Candyman The answer to this innocuous question hides in itself the purpose of life we seek and how and why happiness eludes most despite religion religious structures gods and godmen and most important of all why God won't help Or will He Upperdogs Heather Hughes, Sarah

Thiessen, 2015-04-15 In every moment every situation every relationship every idea or possibility Christians have the upper hand We are the ones who know the truth We are the ones for whom death has lost its sting rendering all threats empty We

are the ones with the ear of Him who holds all resource all potential all power and authority and who has seen the story to its end and called it good We have all that every human being needs We cannot truly be deceived stolen from humiliated or killed We are the upper dogs in the great story of the universe Our God invites us to actively reign with him to be powerful ambassadors and productive partners but we ve been confused about the mechanisms of partnership with him We ve underestimated our role in the story What does it look like on a Tuesday morning to be an ambassador of the living God What is happening when we pray How does creation itself speak to the issue of faith and its development Upper Dogs takes a convicting and inspiring ride through these questions You will come away walking a little bit taller and you will never pray the same way again

Ten Lies About God Erwin Lutzer,2002-02-08 The clearer we see God the clearer we shall see ourselves With this conviction firmly in mind Dr Erwin Lutzer examines ten lies about our Maker that have crept into spiritual thought in postmodern times And he notes that these deceits are prominent not only in non Christian minds but in the professing church as well On the surface each of these lies may appear at least partially true or even harmless But as Dr Lutzer reveals each harbors a distinct danger It isn t biblical so it puts our faith at risk In *Ten Lies About God* he challenges the accuracy of these beliefs Lie 1 God is whatever we want him to be Lie 2 Many paths lead into God s presence Lie 3 God is more tolerant than He used to be Lie 4 God has personally never suffered Lie 5 God is obligated to save followers of other religions Lie 6 God takes no responsibility for natural disasters Lie 7 God does not know our decisions before we make them Lie 8 The Fall ruined God s plan Lie 9 We must choose between God s pleasures and our own Lie 10 God helps those who help themselves The goal of Dr Lutzer s study is not only purity of spiritual belief but an enhanced worship of God

The Burning Bush Gospel Messages Vol. II Wiley Toston,2022-02-03 These pages are written out of a deep concern for the lame the lost and particularly for the Christian community in general The majority of these sermons were delivered in connection with brief revival services throughout America in churches and associations and during conventions local state and national These sermons proved to be such blessings to those who heard them delivered that they are now presented to the public at large with hope that many will be blessed by reading them Every sermon is packed with a challenge to the mind conscience and the heart For more than a decade the idea has used me that the preacheraEURprophet and pastoraEURteacher are among the most pivotal factors and powerful forces in the passing parade of history The mannerism and methodology of the master during his public ministry varnishes and vindicates the soundness and significance of these concepts It was primarily against the religious leadership the soaEURcalled heads of the temple and supervisors of the synagogue whom Christ pressed serious charges and to whom he addressed pestiferous sayings No claim is made to any striking originality scholarly content unusual authority or unique writing They are humble and honest words from my workshop released in the confident hope that they can be a lamp unto the feet and a light unto the pathway

Secrets of the Most Holy Place, Vol. 2 Don Nori,2011-07-28 Heaven is my destination but it is not my destiny Many will reach their destination but few will achieve their

destiny Prophetic parable matures into prophetic reality as His presence draws us into the realm of all God Here what we believe becomes what we experience and what we know becomes flesh in mere mortal man When we leave Egypt we leave the bondage we hate but when we leave the wilderness we must leave the sin we crave But He will not condemn what He has redeemed His Blood covers us until His Power delivers us This book is not for the casual reader It is for those who hunger not for education but for reality not for religion but for Him The world awaits the love of a people who know they are forgiven

"No Remedy but Continual Prayer" Mark Murphree,2025-08-19 John Wesley was a powerful leader in the Evangelical Revival of eighteenth century England He traveled across the land preaching the doctrine of justification by faith facing unruly mobs and nurturing a network of small groups of committed Christians called Methodists In the face of all distractions and temptations he found there was no remedy to preserve his relationship with God but continual prayer Mark Murphree surveys Wesley s sermons journals and diaries and voluminous correspondence to articulate Wesley s underlying theology of prayer and outline how that theology was expressed in practice in the varied circumstances of Wesley s life and ministry

and for their advancement from purgatory and sometimes even for the deliverance of the unsaved from hell Understanding Prayer for the Dead defends all three kinds of prayer It challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well James B Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the Church He also discusses the logical assumptions prayer for the dead requires that prayer is effective that the dead are conscious and that the afterlife involves change and lays out a theological framework for such prayers Prayer for the departed raises the most basic of theological questions matters that go to the centre of God s purpose in creating spiritual beings and redeeming sinful humankind The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned *Washington News Letter*

,1901 **The Possibility of Salvation Among the Unevangelized** Daniel Strange,2007-01-01 In the area of systematics known as the theology of religions those who affirm the particularity of Christ in terms of truth revelation and salvation have always had to deal with the problem of the unevangelized those who have never heard of Christ through no fault of their own For evangelical theologians this issue impinges on fundamental tenets of evangelical identity Recently the fate of the unevangelized has received detailed attention from evangelicals and has been fiercely debated because of the wider doctrinal issues it raises The position known as inclusivism has been most fully developed by Clark H Pinnock an influential and controversial evangelical theologian known as being the leading spokesman of Arminianism and a new theistic paradigm entitled the trinitarian openness of God Through a detailed analysis and critique of his work this book examines a cluster of issues surrounding the unevangelized and its implications for Christology soteriology and evangelical identity Dead Sea Rising Jerry B. Jenkins,2025-05-01 From 1 New York Times bestselling author Jerry B Jenkins comes a heart stopping adventure of historical proportions Nicole Berman is an archaeologist on the brink of a world changing discovery Preparing for her first dig in Jordan she believes she has found concrete evidence of a biblical patriarch that could change history books forever But someone doesn t want the truth revealed While urgently trying to connect pieces of an ancient puzzle a dangerous enemy is out to stop her

A Beautiful View F. Morgan Roberts,2018-06-29 God will never be mad at you Although the Bible assures us that God s essential nature is love how seldom one hears such encouraging words in church Maybe you are one of the many people who have dropped out of the church because of its prevalent portrayal of God as an unfriendly old man who is always angry with those who don t shape up and worse yet plans to punish those who don t believe and behave correctly with eternal conscious torment If you ve ever wondered whether the Bible supports such an irritated image of God this book is for you Looking closely at major beliefs and key passages of Scripture author Morgan Roberts introduces us to a friendlier God a God who is incapable of anything other than love a God who will never give up on anyone

a God who even loves our enemies Such a beautiful view of God is the result of the author s lifetime journey as a pastor and teacher a journey that began when as a teenager he happened to find a copy of the New Testament and began reading about a God who is endlessly foolishly and incredibly merciful **In the Midst of Much-Doing** Charles R. Ringma,2023-05-31

How are we to sustain activism and compassion amidst the never ending crises of the twenty first century While the concern for social justice is deeply biblical cynicism burnout and despair are all too common side effects when action is divorced from contemplation To effectively serve as the hands and feet of Jesus the church must attend to the revitalization of its inner life through the spiritual practices which feed support and sustain the work of the kingdom Rather than the fragmentation and dualism that have led denominations to choose between prayer and service evangelization and justice the church must integrate heart mind and body in order to fulfil its calling to transform the world from within Drawing from Scripture and a wide range of Christian traditions from the monastic to the evangelical this book inspires its readers to integrate spiritual renewal and prophetic witness for the glory of God and the good of his creation **A Larger Hope?, Volume 1** Ilaria L. E. Ramelli,2019-07-15

In the minds of some universal salvation is a heretical idea that was imported into Christianity from pagan philosophies by Origen c 185 253 4 Ilaria Ramelli argues that this picture is completely mistaken She maintains that Christian theologians were the first people to proclaim that all will be saved and that their reasons for doing so were rooted in their faith in Christ She demonstrates that in fact the idea of the final restoration of all creation apokatastasis was grounded upon the teachings of the Bible and the church s beliefs about Jesus total triumph over sin death and evil through his incarnation crucifixion resurrection and ascension Ramelli traces the Christian roots of Origen s teaching on apokatastasis She argues that he was drawing on texts from Scripture and from various Christians who preceded him theologians such as Bardaisan Irenaeus and Clement She outlines Origen s often misunderstood theology in some detail and then follows the legacy of his Christian universalism through the centuries that followed We are treated to explorations of Origenian universal salvation in a host of Christian disciples including Athanasius Didymus the Blind the Cappadocian fathers Evagrius Maximus the Confessor John Scotus Eriugena and Julian of Norwich
