Rem Documental:

Rem: Documental Dave Bowler, Bryan Dray, 1995-08 An account of the rise of the American rock group REM from the underground to the international stage *R.E.M. Documental* Dave Bowler, Bryan Dray, 1995 **The Encyclopedia of Popular Music** Colin Larkin, 2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day **The Guinness Encyclopedia of Popular Music: Primitives-Three's A Crowd** Colin Larkin, 1995 **The Virgin Encyclopedia of 80s Music** Colin Larkin, 2003 A complete handbook of information and opinion about the history of the most fragmented decade in the history of popular music It contains 1000 entries on every band musician songwriter producer and record label that had a significant impact on the development of rock and pop music in those ten years **Arendt sobre la arquitectura** Carlos Lacalle, 2025-11-13 La fil sofa Hannah Arendt es una pensadora fundamental para entender el devenir de la sociedad contemporánea y la relevancia de lo social en la arquitectura Esta publicación articulada bajo la forma del encuentro nos posiciona en el aprendizaje abierto y en la escucha atenta Arendt nos aporta matices clave para la comprensión de conceptos arquitectónicos y sociales que podemos descubrir y verificar en ciertas actitudes de arquitectos y arquitecturas contemporáneas A través de Constant Anton Nieuwenhuys Rem Koolhaas Cedric Price Anne Lacaton y Jean Philippe Vassal podemos interpretar ideas clave de la pensadora *The Virgin Encyclopedia of Nineties Music* Colin Larkin, 2000 The Nineties has been a thrilling and varied decade for pop with a renaissance of both rock and roll and pop music Along with new acts like the Spice Girls Oasis Beck Bjork and Nirvana there has been an explosion of dance music and the emergence of powerful new genres like drum n bass and thrash metal All the entries have been created from the massive data base of the Encyclopedia of Popular Music first published in 1992 which is the acknowledged champion of contemporary music reference books **The Encyclopedia of Popular Music: Morricone, Ennio - Rich Kids** Colin Larkin, 2006 Containing 27 000 entries and over 6 000 new entries the online edition of the Encyclopedia of Popular Music includes 50% more material than the Third Edition Featuring a broad musical scope covering popular music of all genres and periods from 1900 to the present day including jazz country folk rap reggae techno musicals and world music the Encyclopedia also offers thousands of additional entries covering popular music genres trends styles record labels venues and music festivals Key dates biographies and further reading are provided for artists covered along with complete discographies that include record labels release dates and a 5 star album rating system **Boundaries of Personal Property** Arianna Pretto-Sakmann, 2005-08-15 This study of the boundaries of personal property has an inward and an outward perspective with the intellectual emphasis on the latter The inward looking inquiry considers shares as items of personal property Nowadays those who think of themselves as shareholders often stand one step removed from the share itself They hold what this book christens a sub share This part of the book asks in what sense shares and sub shares can be conceived to be things how those things are alienated and how they are protected in litigation The outward looking inquiry

then asks whether personal property can be contemplated as a sub category of the law of things and more particularly as the law of all things locatable in space alienable or vindicable in court The outward inquiry considers three boundaries Within the law of property the line between realty and personalty proves relatively uncontroversial the second boundary lies between property and obligations the third between wealth and non wealth The second boundary is the main concern Respect for it necessitates a differentiation between the law of property in the strict sense and the all encompassing law of wealth even where the consequence might be to exclude shares and sub shares from the law of property In maintaining the value of careful proprietary taxonomy and in reviving the underlying concepts on which it depends this book opposes modern scepticism as to the possibility and desirability of precision in legal classification In these commitments it could fairly be styled a post modern study of personal property Winner of the SLS Birks Prize for Outstanding Legal Scholarship 2006 Second Prize

El documental expandido : pantalla y espacio Jacobo Sucari,2012-12 El documental contemporáneo despliega la pantalla bidimensional de la televisión o del cine en nuevos formatos en los que el recorrido espacial del espectador por la sala de exposiciones como la multiplicidad narrativa o el acceso aleatorio a la información tienen especial incidencia a la hora de concebir y desarrollar nuevos procesos de representación documental El Documental expandido sugiere as nuevas fórmulas y maneras de representación que podemos englobar en un ámbito post media es decir que trasciende las características propias de una técnica tradicional visual para generar un modelo en el que se añaden el cine el video la fotografía el texto el sonido la informática y la instalación Esta singular estrategia expositiva del documental contemporáneo es consecuencia de un proceso de hibridación motivado por las nuevas tecnologías de la imagen la búsqueda de nuevos canales de difusión y el desarrollo de lenguajes expresivos ligados a la necesidad de pensar un presente complejo Digitalia
