Dad...What's Sex? Jessica Thompson, Joel Fitzpatrick, 2018-05-08 A Healthy View of Sexuality Starts with God God created sex to be good But our culture is drifting away from a biblical worldview and is promoting an unhealthy view of sexuality The church has taken a defensive approach giving our kids a long list of do nots with few words of hope or redemption Do you want something better for your child Rediscover God's plan for sexuality and instill a positive perspective of sex and identity in your children Mom Dad What's Sex will equip you to help your child learn what God's Word and today's culture say about sex understand the influence pop culture and social media have on your kid share a gospel centered hopeful message with your son or daughter Give your child a healthy view of sexuality grounded in biblical truth recognizing the gift of intimacy the reality of brokenness and the redeeming work of the Savior Everything You Need to Know About Sex in Order to Get to Heaven

Fr. Paul Bresnahan, 2005-11-03 Everything You Need to Know About Sex In Order to Get to Heaven A Synopsis The Title The above title is an eye catching twist on a best selling book that was written by David Rubin in the seventies Woody Allen went on to make a movie based on the title which took lots of liberties with the text My book connects human sexuality with human spirituality While that connection is nothing new in literature the way it is done in this book is very refreshing creative and humorous There's a good deal of pop theology of the sort we haven't seen much from the mainstream The title brings a smile to the face and a curiosity as to what might lie under the covers The title will appeal to many inside and outside the church To my amazement church people seem to like it at least in my congregations Most of the folks I know are impatient with the media frenzy and the church's skittishness about sexuality and orientation Even more gratifying I have found the book to be of interest to the LGBT crowd in several colleges in Southwestern West Virginia and among my children and their friends all of whom are 20 Somethings The Dedication In a departure from customary book dedications I've written a short chapter for my immediate family Two of my children are gay the middle child is a rebellious poet My wife counts these as her blessings So do I Thus I dedicate my book to each of them I think it important to go on record at the outset that

my love for my children is unconditional Still I let the reader know that I have some ambivalence about homosexuality as the whole culture does This is a story of how a Priest who was brought up by a gay uncle and then who became the father of two gay kids can make peace within himself The pilgrimage to that peace is what this book is all about The Introduction As a reader I like to know what Im getting into when I open up a book I try to give my readers some helpful handles to guide their way from chapter to chapter I think that what I have produced here is a readable interesting and thought provoking treatment of a hot topic in the church and the culture In point of fact my family and my church are a microcosm of what is tearing us apart as a nation We are deeply divided over questions of personal morality while at the same time we look the other way when the weightier issues of justice that are staring us in the face The introduction gives a good summary of what is to follow in the rest of the book It is a well executed treatment of what confuses many people in the pews Thus church people as well as the unchurched may very well be attracted to these pages since it makes sense of what confuses so many Just a Simple Parish Priest It makes sense to introduce myself to the reader It seems especially appropriate to share the story of how I came to be a priest The context of that call comes out of the experience of the loss of my dad at Christmas when I was a child Tracing the events of that death to a grandmothers love to an experience of the reality of God I invite the reader to consider how childhood becomes the parent to the adult another familiar theme in literature Still as familiar as that theme is it is a good hook to help the reader go on What happens in this chapter is the use of the utterly ordinary to help the reader see God in the midst of the living and breathing of life itself The question of heaven then arises and how to get my daddy there Most of my readers find this some of my most compelling writing All I Want to Do is Get my Family to Heaven A father who frittered away his earnings and died godless for all we know a mother with several divorces and an abortion an uncle who is gay how in the world do we get a crowd like that into hea Everything You Always Wanted to Know About Sex David Reuben,2000-10-15 The bestselling book on human sexuality ever has been completely revised for the new century with up to date information In a Q A format Dr Reuben sheds new light on topics ranging from sexual acts to impotence from birth control to AIDS **Crash Course on Sex for Christian Couples** S. What Does the Bible Really Teach about Homosexuality? Kevin DeYoung, 2015-04-16 In just a few short years, massive shifts in public opinion have radically reshaped society's views on homosexuality. Feeling the pressure to forsake long-held beliefs about sex and marriage, some argue that Christians have historically misunderstood the Bible's teaching on this issue. But does this approach do justice to what the Bible really teaches about homosexuality? In this timely book, award-winning author Kevin DeYoung challenges each of us—the skeptic, the seeker, the certain, and the confused—to take a humble look at God's Word. Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, DeYoung responds to popular objections raised by Christians and non-Christians alike, offering readers an indispensable resource for thinking through one of the most pressing issues of our day.

The Unexpected Connection Dena Levin, 2019-01-15 While sitting poolside near her grandmother's West Palm Beach condo, young millennial Vanessa overhears a strange conversation: "What you want to have phone sex?" Accustomed to little more than old folks with their card games and early bird dinners, Vanessa is shocked but intrigued and soon makes the acquaintance of Michelle. As it turns out, Michelle is a widow trying online dating while Vanessa is single and still recovering from tragic loss. Their morning meetings become a comforting daily occurrence. Separated by decades in age, the two women are extremely similar in many other ways and become fast friends. For Michelle, being single, no matter what age, is a roller coaster; one can accept the excitement and unpredictability or get off the ride. Michelle has learned to embrace the ride and she encourages Vanessa to do the same, no matter past trauma. Michelle even gifts Vanessa with her memoir *Keep Walking*, based on her life as a widow and her baby boomer dating experience. At home in New York, Vanessa will have decisions to make as she has a new job waiting and a possible relationship in the wings. Michelle's insights and optimism change everything. Surviving life is a challenge, but to thrive, young Vanessa must find her authentic self, all with the help of a serendipitous friendship by a Florida pool. *The Unexpected Connection* is a provocative book filled with timely stories, insightful reflections, and humor that readers of all ages, gender, and personal status can relate to. As the tales are told, the reader becomes witness to the inner struggles and ultimate growth both Michelle and Vanessa experience. As with *The Dance Partner*, we may love to dance, but finding the right partner is a challenge.

One Parent's Story, Struggle "Teenagers" What Was I Thinking! Leon Segers Jr., 2012-10-25 Although the title of this book indicates One parents story struggle its actually about the battle between all parents and teens or simply adults and teens in general I say battle but it has actually risen to the potential for what I call generational warfare Basically teenagers have little respect for adults especially parents The protocol is simple and yes most adults do recall progressing strategically in the same way during their own youth Even before were born we make demands Then after weve grown a few years we make many more demands By the age of ten to thirteen we more than expect those demands to unquestionably be met Finally by the last 3 to 5 years of youth while living at home with our parents weve assessed who our biggest enemy is and how we would like to take down who we now see as both an enemy and a dictator Simply put after youve bitten the hand that feeds you for so long that hand begins to appear useless And once that represents uselessness the person behind that outreaching hand also serves no purpose to you So the stage is set Teenagers wont look back with any sense of appreciation and parents who also continued to grow will look back and wonder was it all worth it Many are optimistic while others are in denial But most can only feel one thing What was I thinking
