

# The Long Postwar Peace: Contending Explanations and Projections

Kegley, Charles W.

Note: This is not the actual book cover

# Long Postwar Peace

**John Lewis Gaddis**

## **Long Postwar Peace:**

*The Long Peace* John Lewis Gaddis, 1987 In this fascinating new interpretation of Cold War history John Lewis Gaddis focuses on how the United States and the Soviet Union have managed to get through more than four decades of Cold War confrontation without going to war with one another Using recently declassified American and British documents Gaddis argues that the postwar international system has contained previously unsuspected elements of stability This provocative reassessment of contemporary history particularly as it relates to the current status of Soviet American relations will certainly generate discussion controversy and important new perspectives on both past and present aspects of the age in which we live

**The Waning of Major War** Raimo Vayrynen, 2013-10-31 This book is a systematic effort by leading international scholars to map the trends in major power warfare and explore whether it is waxing or waning The main point of departure is that major power war as a historical institution is in decline This does not mean though that wars between states are in general disappearing While there is some convergence in the conclusions by individual authors they are by no means unanimous about the trend The articles explore different causes and correlates of the declining trend in major power warfare including the impact of the international structure nuclear weapons international law multilateral institutions sovereignty and value changes

**Great Powers and World Order** Charles W. Kegley, Gregory A. Raymond, 2020-02-12 Great Powers and World Order encourages critical thinking about the nature of world order by presenting the historical information and theoretical concepts needed to make projections about the global future Charles W. Kegley and Gregory Raymond ask students to compare retrospective cases and formulate their own hypotheses about not only the causes of war but also the consequences of peace settlements Historical case studies open a window to see what strategies for constructing world order were tried before why one course of action was chosen over another and how things turned out By moving back and forth in each case study between history and theory rather than treating them as separate topics the authors hope to situate the assumptions causal claims and policy prescriptions of different schools of thought within the temporal domains in which they took root giving the reader a better sense of why policy makers embraced a particular view of world order instead of an alternative vision

**The Future's Back** Frank P. Harvey, 1997 Arguing that previous critiques of rational choice and deterrence theory are not convincing Frank Harvey constructs a new set of empirical tests of rational deterrence theory to illuminate patterns of interaction between rival nuclear powers He analyses the crisis management techniques used by the United States and the Soviet Union in twenty eight post war crises and isolates factors that promote or inhibit escalation of these crises This crises based data set serves as the basis for identifying patterns of response when one nuclear state is threatened by another The Future's Back offers new directions for testing that emphasize a more unified approach to theory building and assesses the feasibility of alternative courses of action to prevent escalation of future disputes characterized by nuclear rivalry

Point of Attack John Yoo, 2014-03-25 The world today is overwhelmed by wars between nations and within

nations wars that have dominated American politics for quite some time Point of Attack calls for a new understanding of the grounds for war In this book John Yoo argues that the new threats to international security come not from war between the great powers but from the internal collapse of states terrorist groups the spread of weapons of mass destruction and destabilizing regional powers In Point of Attack he rejects the widely accepted framework built on the U N Charter and replaces it with a new system consisting of defensive pre emptive or preventive measures to encourage wars that advance global welfare Yoo concludes with an analysis of the Afghanistan and Iraq wars failed states and the current challenges posed by Libya Syria North Korea and Iran

*Understanding Conflict Resolution* Peter Wallensteen, 2007 This thoroughly revised edition of Peter Wallensteen s text provides a comprehensive guide to understanding conflict resolution in the contemporary global environment Understanding Conflict Resolution draws on recent and classic research from around the world linking the theory of conflict resolution to in depth case studies throughout The first part reviews the development of conflict resolution since the Cold War and demonstrates the various approaches to conflict analysis The core of the book explores the settlement of three major types of international conflict inter state internal and those arising from state formation In the final part regional and international approaches are examined and questions posed regarding the future of conflict resolution This new edition has been brought fully up to date with coverage of the ongoing war on terror as well as events in Sudan Lebanon Sri Lanka and Zimbabwe Part Three considers the developments in UN reform and the increasing importance of civil society organizations Understanding Conflict Resolution remains an essential text for all students lecturers and researchers of peace and conflict resolution in international relations global politics and political science

**The United States and the End of the Cold War** John Lewis Gaddis, 1994-04-28 The Cold War ended with an exhilarating wave of events the toppling of the Berlin Wall the rise of the dissident poet Vaclav Havel the revolution in Romania Americans rejoiced at the dramatic conclusion of the long struggle But victories in wars hot or cold tend to unfocus the mind writes John Gaddis It can be a dangerous thing to have achieved one s objectives because one then has to decide what to do next In *The United States and the End of the Cold War* Gaddis provides a sharp focus on the long history of the Cold War shedding new light on its sudden ending as well as on what might come next In this provocative insightful book Gaddis offers a number of thoughtful essays on the history of international relations during the last half century His reassessments of important figures and themes from the Cold War are sometimes surprising For example he portrays John Foster Dulles and Ronald Reagan as far more flexible and perceptive statesmen than the missile toting caricatures depicted in editorial cartoons And he takes a second look at the importance of espionage and intelligence in Cold War history a field often left to buffs and spy novelists Most important he focuses on the central elements in superpower relations In an eloquent account of the American style of foreign policy in the twentieth century for instance he explores how Americans having learned the lesson of Adolf Hitler consistently equated the forms of foreign governments with their external behavior assuming that authoritarian states would be aggressive states He

also analyzes the tectonics of Cold War history demonstrating how long term changes in international affairs and Soviet bloc countries built up pressures that led to the sudden earthquakes of 1989 And along the way Gaddis illuminates such topics as the role of morality in American foreign policy the relevance of nuclear weapons to the balance of power and the objectives of containment He even includes and criticizes an essay entitled How the Cold War Might End written before the dramatic events of recent years to demonstrate how quickly the tide of history can overwhelm contemporary analysis Gaddis concludes with a thoughtful consideration of the problems and forces at work in the post Cold War world Author of such works as The Long Peace and Strategies of Containment John Lewis Gaddis is one of the leading authorities on postwar American foreign policy In these perceptive highly readable essays he provides a fresh assessment of the evolution of the Cold War and insight into the shape of things to come

**Rethinking the Cold War** Allen Hunter,2010-06-02 A path breaking collection of essays by cutting edge authors that reassess the Cold War since the fall of communism

**What Do We Know about War?** John A. Vasquez,2012-03-15 What Do We Know About War reviews the causes of war and the conditions of peace Drawing analyses from the thirty five year history of this discipline leading researchers explore the roles played by alliances territory arms races interstate rivalries capability and crisis bargaining in increasing the probability of war They emphasize international norms and the recent finding that democratic states do not fight each other as factors that promote peace

Rediscovering Gandhi (Volume 10) R.P. Misra,2018-01-01 This is the tenth volume of Rediscovering Gandhi series of books edited by Prof R P Misra The volume is a collection of papers written by Prof Misra and published in various international and national journals and lectures delivered by him during the last two decades The volume covers all aspects of Gandhi s life childhood adolescence and youth his South African sojourn and birth of non cooperation movement there which was transformed into Satyagraha his return to India and call for Home Rule as the first step to secure Purna Swaraj complete independence for India and his non violent movement Satyagraha to free India from the British Rule Then there are chapters which cover themes like Truth is God Sarvodaya Swaraj Gram Swaraj Gandhian Economics Modernism and Post modernism Democracy Human Rights Ecology Education and Peace

Liberal Peace Michael Doyle,2011-08-05 This volume comprises the key writings of Prof Michael Doyle on the Liberal Peace from the 1980s up to the present day

**The Ambiguous Legacy** Michael J. Hogan,1999-11-13 This collection assesses the record of American foreign policy in the twentieth century

**Fundamental Principles of International Relations** J. Martin Rochester,2010-02-23 This lucid and engaging volume provides an essential framework for introducing students to the fundamentals of world politics by clarifying the complexities of its rapidly changing context

World At The Crossroads: New Conflicts, New Solutions, A: Annals Of Pugwash 1993 Joseph Rotblat,Sven Hellman,1994-11-15 This book focuses on subjects of great topical interest such as nuclear disarmament trade in arms peacekeeping and conflict resolution environmental security and sustainability Major themes include the elimination of nuclear weapons control of the arms trade the role of multinational and international

organizations in peace keeping environmental sustainability and security in the Nordic Baltic region      **International Security** Patrick M. Morgan, 2006-02-27 Conflict be it war between states ethnic violence civil war or terrorist activity endures despite immense efforts to end it How do states cope with conflict minimize future threats and reduce the risk of insecurity Morgan outlines a spectrum of solutions states use to manage violent conflict ranging from strategies that individual governments enact largely on their own such as distribution of power deterrence or arms control to those such as collective security and multilateralism that are more global in nature The book progresses into tactical and practical actions from negotiation and mediation to peace imposition Morgan evaluates each strategy and tactic in terms of how well it addresses three levels of security systemic state and societal to show how they are interrelated and complementary to each other in important ways Addressing insecurity at one level often elicits further insecurity at another Morgan shows students how these various levels interact either to a state s advantage or to its detriment so they can comprehensively analyze the ways that political actors manage or incite conflict Useful pedagogical features help students master the material Terms and Concepts boxes go beyond simple definitions and provide students with a concept s evolution over time or the controversy surrounding the meaning of a certain term Cases and Context boxes offer needed background and interesting detail about pivotal cases of conflict both historical and contemporary in nature Key terms are bolded throughout and compiled in a glossary Annotated bibliographic essays at the end of each chapter point students to additional sources for further study

*The Realism Reader* Colin Elman, Michael Jensen, 2014-08-12 The Realism Reader provides broad coverage of a centrally important tradition in the study of foreign policy and international politics After some years in the doldrums political realism is again in contention as a leading tradition in the international relations sub field Divided into three main sections the book covers seven different and distinctive approaches within the realist tradition classical realism balance of power theory neorealism defensive structural realism offensive structural realism rise and fall realism and neoclassical realism The middle section of the volume covers realism s engagement with critiques levelled by liberalism institutionalism and constructivism and the English School The final section of the book provides materials on realism s engagement with some contemporary issues in international politics with collections on United States U S hegemony European cooperation and whether future threats will arise from non state actors or the rise of competing great powers The book offers a logically coherent and manageable framework for organizing the realist canon and provides exemplary literature in each of the traditions and dialogues which are included in the volume Offering substantial commentary and analysis and including enhanced pedagogy to facilitate student learning The Realism Reader will provide a one stop shop for undergraduates and masters students taking a course in contemporary international relations theory with a particular focus on realism      *The Military In New Times* James Burk, Robert J Waldman, David R Segal, Charles C Moskos, 2019-06-26 What role will armed forces play in a world that is turbulent yet no longer organized by the bipolar conflict of East and West In this volume leading experts from several

disciplines assess the rapidly changing global strategic and cultural landscape examining how it will affect the responsibilities and social standing of the modern military There are provocative disagreements among the contributors especially over whether we should expect and prepare for another global war However the contributors generally agree on several broad themes that guide their analysis Arguing that the Cold War has masked basic trends that have been reshaping the international system for a long time they suggest that the sovereign states dominance of the international system is rapidly coming to an end as multinational ethnic regional and religious groups to name a few increasingly affect the course of global affairs In the absence of a clear enemy the military faces an identity crisis In the postmodern atmosphere of this multicentric global order authority is fragmented and the exercise of any one authority is subject to greater scrutiny and challenge The military has become more accepting of a variety of values life styles and attitudes toward its tasks At the same time support for the military s mission is difficult to win requiring endless justification The authors believe that the principal missions for the military in these new times are peacekeeping peacemaking and humanitarian assistance They examine the prospects for successful operations in these areas taking into account the cultural lag between world structures that favor increased multinational peacekeeping forces and individual nations that supply token resources to support such efforts This volume provides a sophisticated and thought provoking perspective on the future role of the military in the coming decades It is sure to enrich the vigorous debate surrounding these issues      The War Puzzle Revisited John A. Vasquez, 2009-07-23

John A Vasquez s *The War Puzzle* provided one of the most important scientific analyses of the causes of war of the last two decades *The War Puzzle Revisited* updates and extends his groundbreaking work reviewing research on the onset and expansion of war and the conditions of peace Vasquez describes systematically those factors associated with wars to see if there is a pattern that suggests why war occurs and how it might be avoided delineating the typical path by which relatively equal states have become embroiled in wars in the modern global system The book uses the large number of empirical findings generated s the basis of its theorizing and integrates these research findings so as to advance the scientific knowledge of war and peace      *International Relations and Scientific Progress* Patrick James, 2002 *International Relations and Scientific Progress* contends that a theory focusing on the structure of the international system explains a wider and more interesting range of events in world politics than other theories Such theorizing appears to be out of favor as the result of the apparent failure by structural realism the most prominent system level theory over the last two decades on any number of fronts most notably an inability to anticipate the ending of the Cold War and its aftermath This new book is put forward as the most comprehensive and innovative theoretical work on paradigms in international relations since the publication of *Theory of International Politics* which created structural realism more than two decades ago With appropriate revisions however structural realist theory can compete effectively and reclaim its primacy The first part of *International Relations and Scientific Progress* assesses the meaning of progress in the discipline of international relations a process that culminates in

the creation of a new concept the scientific research enterprise The second part reviews structural realism within that context and identifies a lack of connection between theory and research that links power based indicators to international conflict crisis and war This part of the book makes the case for an elaboration of structural realism by showing that a system level theory based on structure has great unrealized explanatory potential By comparison the current overwhelmingly research oriented agenda on state dyads imposes severe limitations on understanding that are not currently appreciated Part Three sums up the work and explores new directions most notably as related to empirical testing of an elaborated version of structural realism that focuses on both continuity and change in the international system

This is likewise one of the factors by obtaining the soft documents of this **Long Postwar Peace** by online. You might not require more era to spend to go to the ebook introduction as competently as search for them. In some cases, you likewise realize not discover the broadcast Long Postwar Peace that you are looking for. It will unconditionally squander the time.

However below, subsequently you visit this web page, it will be hence completely simple to acquire as with ease as download guide Long Postwar Peace

It will not give a positive response many mature as we explain before. You can attain it even though law something else at home and even in your workplace. fittingly easy! So, are you question? Just exercise just what we have the funds for below as well as evaluation **Long Postwar Peace** what you subsequently to read!

## **Long Postwar Peace Introduction**

In today's digital age, the availability of Long Postwar Peace books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Long Postwar Peace books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Long Postwar Peace books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Long Postwar Peace versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Long Postwar Peace books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Long Postwar Peace books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Long Postwar Peace books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Long Postwar Peace books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Long Postwar Peace books and manuals for download and embark on your journey of knowledge?

## **FAQs About Long Postwar Peace Books**

**What is a Long Postwar Peace PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Long Postwar Peace PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Long Postwar Peace PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Long Postwar Peace PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Long Postwar Peace PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with

PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
