Long Shadows Redeeming The Past:

The Long Shadow: The Legacies of the Great War in the Twentieth Century David Reynolds, 2014-05-12 Winner of the 2014 PEN Hessel Tiltman Prize for the Best Work of History Brilliant the most challenging and intelligent book on the Great War and our perceptions of it that any of us will read John Charley The Times London One of the most violent conflicts in the history of civilization World War I has been strangely forgotten in American culture It has become a ghostly war fought in a haze of memory often seen merely as a distant preamble to World War II In The Long Shadow critically acclaimed historian David Reynolds seeks to broaden our vision by assessing the impact of the Great War across the twentieth century He shows how events in that turbulent century particularly World War II the Cold War and the collapse of Communism shaped and reshaped attitudes to 1914 18 By exploring big themes such as democracy and empire nationalism and capitalism as well as art and poetry The Long Shadow is stunningly broad in its historical perspective Reynolds throws light on the vast expanse of the last century and explains why 1914 18 is a conflict that America is still struggling to comprehend Forging connections between people places and ideas The Long Shadow ventures across the traditional subcultures of historical scholarship to offer a rich and layered examination not only of politics diplomacy and security but also of economics art and literature The result is a magisterial reinterpretation of the place of the Great War in modern history Long Shadows Joel Kenneth Eakins, 2002-11-01 This book is a biblical theological psychological guide designed to help persons recover from past hurts with the disruption of relationships It addresses the issue of somebody done somebody wrong and suggest ways to address the trauma and recover from the emotional pain **The Civil Wars After 1660** Matthew Neufeld, 2013 Drawing upon the interdisciplinary field of social memory studies this book opens up new vistas on the historical and political culture of early modern England This book examines the conflicting ways in which the civil wars and Interregnum were remembered constructed and represented in seventeenth and eighteenth century England It argues that during the late Stuart period public remembering of the English civil wars and Interregnum was not concerned with re fighting the old struggle but rather with commending and justifying or contesting and attacking the Restoration settlements After the return of King Charles II the political nation had to address the question of remembering and forgetting the recent conflict The answer was to construct a polity grounded on remembering and scapegoating puritan politics and piety The proscription of the puritan impulse enacted by the Restoration settlements was supported by a public memory of the 1640s and 1650s which was used to show that Dissenters could not and should not be trusted with power Drawing upon the interdisciplinary field of social memory studies this book offers a new perspective on the historical and political cultures of early modern England and will be of significant interest to social cultural and political historians as well as scholars working in memory studies Matthew Neufeld is Lecturer in early modern British history at the University of Saskatchewan Canada **The Long Shadow of Default** David James Gill, 2022-10-25 Rethinking the causes and consequences of Britain's default on its First World War

debts to the United States of America The Long Shadow of Default focuses on an important but neglected example of sovereign default between two of the wealthiest and most powerful democracies in modern history The United Kingdom accrued considerable financial debts to the United States during and immediately after the First World War In 1934 the British government unilaterally suspended payment on these debts This book examines why the United Kingdom was one of the last major powers to default on its war debts to the United States and how these outstanding obligations affected political and economic relations between both governments The British government's unpaid debts cast a surprisingly long shadow over policymaking on both sides of the Atlantic Memories of British default would limit transatlantic cooperation before and after the Second World War inform Congressional debates about the economic difficulties of the 1970s and generate legal challenges for both governments up until the 1990s More than a century later the United Kingdom's war debts to the United States remain unpaid and outstanding David James Gill provides one of the most detailed historical analyses of any sovereign default He brings attention to an often neglected episode in international history to inform refine and sometimes challenge the wider study of sovereign default

Medea's Long Shadow in Postcolonial Contexts Ana Filipa Prata, Rodrigo Verano, 2024-06-10 This interdisciplinary volume explores the ancient Greek myth of Medea and its global analogues found in other mythic and folk tales of deadly exiled women such as those of La Malinche and La Llorona examining the connections between these figures and their depictions from antiquity to modernity The book considers the figure of the foreign woman her exile fratricide and infanticide in its ancient Greek form and in global postcolonial receptions in a range of media including drama film novels and the visual arts The chapters illuminate the contradictions of considering the classical Medea as a central reference point for analysis of other female figures from peripheral territories while simultaneously acknowledging the insights that such comparisons can yield Emphasizing the ways in which Medea's seditious nature enables the establishment of an extensive and heterogeneous intertextual network with other mythic characters who represent a similarly disruptive role in their specific local historical and cultural contexts the book argues for a comparative analysis that is equally attentive to myths and folk tales from all regions These essays by scholars of classics comparative and world literatures and postcolonial studies represent a plurality of perspectives from different academic contexts in Africa Latin America North America and Europe and examine how different cultures have depicted women foreigners crime and abjection The foundations of Greek myth and subsequently of the classical tradition itself are interrogated from a postcolonial perspective In tracing the portrayals of Medea and other mythic women through the overlapping features of different female characters and plots and intertwining local cultural and literary materials with broader debates this volume challenges Eurocentric narratives of power and cultural domination and works to decentralize the discussion of Medea from the exclusive domain of classical studies *Medea's Long Shadow in Postcolonial Contexts* will be of interest to students and scholars working on Greek tragedy and its reception as well as to those studying postcolonial and global approaches to

The Last Light of Carrowmere Prince kachhadiya,2025-04-01 The Last Light of Carrowmere The Sacred Light is fading The kingdom is crumbling And only a fallen mage can save them all Exiled for treason he didn't commit Kaelen Vale has spent five years in the frozen shadows of the Dragon's Teeth mountains nursing the scars of betrayal and forbidden magic But when a dying emissary delivers a cryptic message and collapses at his door Kaelen is thrust back into the heart of a kingdom teetering on the brink of ruin Carrowmere is unraveling its once glorious Light now a flickering flame its people haunted by fear and its king ruled by paranoia Amidst the chaos whispers rise of a child born with the power to reignite the Light or destroy it entirely The Flamebearer Hunted by cults cornered by court politics and shadowed by his own dark past Kaelen must join forces with Princess Idrin a defiant royal imprisoned by her father and the mysterious child whose power could either redeem or doom them all But in a world where magic is fading and loyalties shift like sand the greatest danger may not be the darkness outside but the one within The Last Light of Carrowmere is an epic tale of destiny sacrifice and the razor thin line between salvation and ruin Perfect for fans of Brandon Sanderson Patrick Rothfuss and darkly magical worlds where nothing is as it seems

The Long Shadow of Emile Cailliet Abigail Rian Evans,Clemens Bartollas,Gordon Graham,Kenneth Henke,2011-09-23 This book aims to examine the importance of Christian philosophy in theological education through the prism of the life and teachings of Emile Cailliet The book's primary focus is on his years of teaching at Princeton Theological Seminary to which all the authors are connected This work examines Cailliet as a believer teacher scholar and philosopher Although Cailliet wrote over twenty books none of them articulated his formal position on the nature of theological education However it is clear from his teaching at seminary and his writings on philosophy especially Pascal that he saw philosophy as an integral part of seminary training We want to preserve his work because he was a seminal but neglected thinker whose influence extends from science to literature and from philosophy to spirituality and theology We believe that Emile Cailliet was one of the most influential Christians of the twentieth century We invite the reader to stand in the long shadow of Cailliet and consider how his life and thought can help us tackle some of the knotty questions that face us today
