Susanna Centlivre, 2021-08-31 Susanna Centlivre s play The Busy Body A Comedy in Five Acts is a classic work of English comedy that combines witty dialogue with intricate plot twists Written in the early 18th century Centlivre s play is a prime example of the Restoration comedy style with its focus on mistaken identities romantic entanglements and social satire The play s fast paced nature and clever wordplay make it an engaging read for those interested in the history of English drama Centlivre s skillful use of language and her keen observations of human behavior are evident throughout the work making it a delightful exploration of the comedic genre Centlivre s own background as a successful actress may have influenced her writing style as she was intimately familiar with the theatrical world and the dynamics of performance Her experiences on the stage likely informed the vibrant characters and lively dialogue found in The Busy Body I highly recommend The Busy Body A Comedy in Five Acts to readers who appreciate sharp wit clever plotting and a good dose of humor *Witnessing America* Noel Martin Douglas Rae, 1996 **Year of the Chick series (Romantic Comedy boxed set)** Romi
