Denny Clark, an abused thirteen-year-old white boy whose life twelve-year-old Claudia saves, complicating her own life for years to come. Robert Moore, a young Black lawyer who becomes Claudia's beloved husband and partner on the explosive front lines of the Civil Rights Movement. Amid the violence of the Ku Klux Klan, Claudia has a shocking personal encounter with unimaginable consequences. Ashley Booth, a Wall Street executive who brings the glamour of New York alive for the now widowed Claudia, introducing her to an elite circle of Black peers. But their long yet uncommitted romance leads Claudia to move on to an overseas assignment at an Italian bank. Giancarlo Pasquale Fortenza, an Italian automobile industrialist once enamored of a young Claudia, handsome, worldly, and twelve years her senior, a man with whom Claudia reconnects, bringing her life full circle in the boldest, bravest, and most unexpected ways. Rich with history and timeless emotion, here is an epic tale of rising through poverty, racism, and heartbreak and the awesome role of our most significant relationships throughout our lives.

Buffy and Angel find themselves launched into a frightening reality where fierce dragons and other fairy tale monstrosities rule supreme. Once they locate each other, they rally the missing teens, including Salma, and attempt to make their way through the interdimensional portal back to Sunnydale. Little do they know that two unlikely allies have also come through to alterity: Spike and the rogue Slayer Faith, both with their own respective and complicated MOs. Back in L.A., gang violence and vigilantism are at a fever pitch. The Slayerettes, now an extended unit, are holding down the fort, awaiting Buffy and Angel's return. But Slayer and Vampire are feeling moral conflict that rivals the physical strain of demon slaying; each wonders if a reality exists where their love could have survived. And when one of the duo's charges is suddenly killed, the portal to Sunnydale is sealed. Now, before they can worry about ridding their own universe of supernatural chaos, they've got to find a way to get back to it.

Long Way Home By Clifford L. Ambers Jr. After about 35 days of travel, the 20 Norsemen landed their long boat on the rocky shore. They had found the fabled land west of their normal travels. They found good timber and started loading their boat with it. A local tribe raided their camp when 10 of them were gone; the 10 in camp were killed, boat and weapons burned. The 10 who were alive had no weapons or boat; they were stranded. They thought their only chance of getting home would be to travel west and go around the round world. They traveled all the way to the big water to the west where they were found almost starved to death. They were saved by a local tribe. Their problems traveling and obtaining food and other obstacles are overcome. A little-known legend that needed to be
