Alwin, Diane H. Felmlee, Derek A. Kreager, 2018-03-06 This volume engages the interface between the development of human lives and social relational networks It focuses on the integration of two subfields of sociology social science the life course and social networks Research practitioners studying social networks typically focus on social structure or social organization ignoring the complex lives of the people in those networks At the same time life course researchers tend to focus on individual lives without necessarily studying the contexts of social relationships in which lives are embedded and linked to one another through social networks These patterns are changing and this book creates an audience of researchers who will better integrate the two subfields It covers the role of social networks across the life span from childhood and adolescence to midlife through old age Monthly Catalogue, United States Public Documents, 1993 **ERIC Educational Documents** Index Educational Resources Information Center (U.S.), 1966 A subject author institution index which provides titles and accession numbers to the document and report literature that was announced in the monthly issues of Resources in education earlier called Research in education **Resources in Education** ,1997 ERIC Educational Documents Index. 1966-69: Minor descriptors and author index ,1970 Forthcoming Books Rose Arny, 1997 **Current Index to** Paperbound Books in Print ,1991 Journals in Education ,1983
