**Creating Aztlán** Dylan Miner,2014-10-30 Creating Aztl an interrogates the important role of Aztl an in Chicano and Indigenous art and culture Using the idea that lowriding is an Indigenous way of being author Dylan A T Miner M etis discusses the multiple roles that Aztl an has played at various moments in time engaging pre colonial indigeneities alongside colonial modern and contemporary Xicano responses to colonization **Mestiz@ Scripts, Digital Migrations, and the**

**Territories of Writing** D. Baca,2008-05-26 Conventional scholarship on written communication positions the Western alphabet as a precondition for literacy Thus pictographic non verbal writing practices of Mesoamerica remain obscured by representations of lettered speech This book examines how contemporary Mestiz scripts challenge alphabetic dominance thereby undermining the colonized territories of writing Strategic weavings of Aztec and European inscription systems not only promote historically grounded accounts of how recorded information is expressed across cultures but also speak to emerging studies on visual multimodal education Baca Espinosa argues that Mestiz literacies advance new ways of reading and writing applicable to diverse classrooms of the twenty first century **Looking 4 Aztlan** Apaxu Maiz,2004-01-01

**Proud Boys and the White Ethnostate** Alexandra Minna Stern,2019-07-16 What is the alt right What do they believe and how did they take center stage in the American social and political consciousness Historian Alexandra Minna Stern excavates the alt right memes that have erupted online and digs to the root of the far right s motivations their deep seated fear of an oncoming white genocide that can only be remedied through aggressive action to reclaim white power The alt right has expanded significantly throughout America s cultural political and digital landscapes racist sexist and homophobic beliefs that were previously unspeakable have become commonplace normalized and accepted endangering American democracy and society as a whole When asked to address the Proud Boys and growing far right violence President Trump directed the group to stand back and stand by and just two weeks before President Joe Biden s inauguration a white supremacist mob breached the US Capitol earning praise from the Proud Boys leader amongst threats of future violence In order to dismantle the destructive movement that has invaded our public consciousness and threatens American democracy we must first understand the core beliefs that drive the alt right Through careful analysis Stern brings awareness to the underlying concepts that guide the alt right and its overlapping forms of racism xenophobia and transphobia She explains the key ideas of red pilling strategic trolling gender essentialism and the alt right s ultimate fantasy a future where minorities have been cleansed from the body politic and a white ethnostate is established in the United States By unearthing the hidden mechanisms that power white nationalism Stern reveals just how pervasive the far right truly is *Disenchanting Citizenship* Luis F. B. Plascencia,2012-07-04 Central to contemporary debates in the United States on migration and migrant policy is the idea of citizenship and as apparent in the continued debate over Arizona s immigration law SB 1070 this issue remains a focal point of contention with a key concern being whether there should be a path to citizenship for undocumented

migrants In *Disenchanted Citizenship* Luis F B Plascencia examines two interrelated issues U S citizenship and the Mexican migrants position in the United States The book explores the meaning of U S citizenship through the experience of a unique group of Mexican migrants who were granted Temporary Status under the legalization provisions of the 1986 IRCA attained Lawful Permanent Residency and later became U S citizens Plascencia integrates an extensive and multifaceted collection of interviews ethnographic fieldwork ethno historical research and public policy analysis in examining efforts that promote the acquisition of citizenship the teaching of citizenship classes and naturalization ceremonies Ultimately he unearths citizenship's root as a Janus faced construct that encompasses a simultaneous process of inclusion and exclusion This notion of citizenship is mapped on to the migrant experience arguing that the acquisition of citizenship can lead to disenchantment with the very status desired In the end Plascencia expands our understanding of the dynamics of U S citizenship as a form of membership and belonging

*Latinx Experiences* Maria J. Villasenor, Hortencia Jimenez, 2023-07-12 This reader introduces students to the variety and complexity of Latinxs experiences in the U S and prepares them for further study in this interdisciplinary field The opening essay written by the editors offers a broad overview of the approximately 59 million people in the U S who identify as Hispanic The rest of the book will consist of contributed essays from Latina o Chicana o scholars on a range of subjects including immigration citizenship and deportation racial identities political participation and power educational and economic achievement family religion media and popular culture Although the essays are written for lower division undergraduates they reflect many of the leading theoretical and methodological approaches in the field The essays are unified by an intersectional approach demonstrating how experiences and life chances of Latinxs are also shaped by gender social class sexuality age and citizenship status
