Away applies the principles of God found in the Book of Proverbs to daily living. Illustrations are used to trigger the memories of its readers to past and present experiences in life hopefully causing the lesson of each devotion to profoundly impact the reader. These illustrations stem from relationships, home, work, play, decisions, reactions, thoughts, injustice and justice. Some are humorous and some very serious. Each one demonstrates the theme of that verse. The Book of Proverbs is as timely as time itself. Times have changed but people have not. They still face the hard issues of life, the same fears and hurts, the same temptations and sin, the same struggle with what is right and wrong and the same questions about what role God really plays in their life. This devotional study aids its readers in getting a grip on these challenges.

Going Deeper with God Douglas L. Mead MSSW, 2021-06-30. Thank you very much for inviting me to read this book. I found it to be a real spiritual journey, a refresher to a relationship I have enjoyed with our Lord for sixty years and a treasure trove of new insights and clarifications that serve to strengthen my faith in God. Jack Conlin CPA CGMA, retired director of corporate finance, the Salvation Army US Southern Territory. God Wants a Deeper Relationship with You. This book digs deeper into exploring many of the challenges we face in establishing and maintaining a meaningful relationship with God. Unfortunately, there are many differing viewpoints out there in the Christian community about this, which is creating much confusion. We hear messages saying God is in control of every single thing. We hear we must listen for the voice of God. We hear God has a plan for our lives. We hear we are to get out of the way and let God handle our problems. We hear various ideas of how the Holy Spirit works. We hear God's providence will protect us from harm. Many people are being drawn to Christian teachings which speak of a mighty God who wants to regularly do big, audacious and miraculous things in people's lives. Although this sounds enticing, how does God really interact with us and our world? To dig deeper we must question more. Therefore, topics are addressed with probing questions and insightful analysis. So we ask: How important

is it for us to find the truth about God If faith is built on false premises how good can that faith be Many topics are addressed and each chapter is full of interesting details This book is also a great resource for Bible classes and sermon material
