Just Be Bridgid F Simon, 2017-02-28 This book was inspired by the concept of Wholesome Wellness. Core Health Well-being is an important aspect to every living thing. Wellness and development contribute hugely to happiness, joyful experiences, being, and feeling loved. Wholesome Wellness refers to our overall well-being, all areas of our existence. The Core of each individual being represents the root, the foundation to our well-being. YOU are the core of your own well-being. You are the champion to giving yourself permission NOW to take the next step, the way forward in your life. Take small, manageable steps, one day at a time, to make positive changes which add significant value and purpose to who you are in this life. Embrace an Old Life, sculpt it into a New Life. A New Beginning toward how you choose to live your life. How you wish to be remembered. It is true, you can be the author of the rest of your life; all you need to do is to start now, write the first chapter of your life, how you want to, and will live your life, one month at a time, then take action and live out those aspirations. The contents of this book have been compiled based on my personal experiences throughout my personal and work life. All the studies, training, workshops, career, and personal challenges I personally experienced, I have taken all that has strongly resonated with me, what has contributed to my successes, and I have compiled a practical guide to help others easily shift positively in their personal growth experiences in their life. I welcome you to undertake the next step in YOUR personal exploration towards your Life Journey.
