Life & Duty Les Joslin,2014-06-04 The fact of being a citizen of the United States of America offers the opportunity not the guarantee but the opportunity to live an extraordinary life Les Joslin writes in the introduction to *Life Duty* an autobiography in which he proves his thesis as he relives the first seventy years of his American adventure He shares these years in twenty chapters that comprise this three part volume Part I covers his family heritage and early years from 1943 to 1967 Part II his U S Navy career from 1967 to 1988 and Part III his life in Oregon from 1988 from Part I Chapter 5 Summer 1965 on the Toiyabe National Forest That wasn t the first time I d dealt with an armed citizen and it wouldn t be the last Some of the challenges of my fire prevention job had nothing to do with wildfire prevention but everything to do with the fact I was sometimes the only public servant around to handle a situation It had to do with that sometimes gray area between official duty and moral obligation the previous summer on my way to Twin Lakes I detoured to check the dump I d burned a few days before Suddenly I heard shots just as the Lone Ranger and Tonto did in the opening scene of almost every episode and what I saw as I neared the dump scared me A big beefy fortyish man standing next to a late model Cadillac sedan was firing a high powered rifle He d heard me coming and turned as I stopped the patrol truck He didn t look particularly threatening But there were serious unknowns I didn t know him I didn t know what he might shoot at I didn t know he wouldn t shoot at me from Part II Chapter 10 November 1979 aboard USS Kitty Hawk on November 28 I got up showered and shaved put on clean khakis as usual and started toward the wardroom for breakfast the usual scent of salt and jet fuel was in the air and I had a lot on my mind I descended two ladders to the hangar bay only to be brought up short by bumping my head on a helicopter that wasn t supposed to be there A quick look around revealed seven more RH 53D Sea Stallion helicopters that their HM 16 markings told me belonged to Helicopter Mine Countermeasures Squadron Sixteen not part of the ship s air wing So that s why the swing south to Diego Garcia They d been flown there probably in C 5As and had flown aboard last night Had I actually slept through flight quarters I forgot about breakfast climbed the ladders back to the 02 level and knocked on the door of the flag N 2 s office This isn t going to work I said as he opened the door We can t fly those helicopters into a city of five million hostiles and rescue fifty hostages They don t want to hear that he replied and closed the door from Part III Chapter 15 Summer 1992 on the Deschutes National Forest As I walked toward the fire I began to think Am I doing the right thing After all I m just a contract wilderness information specialist not part of the fire organization I hadn t been to the Deschutes National Forest s fire school I didn t have fire clothing I didn t have a fire shelter Except for a canteen I didn t have any water and I d turned in my last red card the fire qualification card that rated me as a crew boss in

1966 when I d left the Toiyabe National Forest to go on active duty in the Navy That was twenty six years ago Should I be doing this Sure I answered my own question I d started out in the old Forest Service where everybody did everything I d done this many times before in the days before fire shirts and Nomex britches and fire shelters I d had five fire seasons on the Toiyabe been on a couple big fires I knew this business I knew how to keep out of trouble About the time I resolved that little issue I was at the fire Hiking Washington Oliver Lazenby,2020-06-01 Lace up your boots and sample more than fifty hikes in spectacular Washington with its densely forested trails abundant wildlife lush foliage and hundreds of miles of cascading streams Inside this new edition you ll find up to date trail information detailed maps and clear directions from major access points as well as information on nearby lodging restaurants and events Whether you re a day tripper or long distance hiker old hand or novice you ll find trails suited to every ability and interest throughout Washington state Look inside to find Hikes suited to every ability Mile by mile directional cues Difficulty ratings trail contacts fees permits and best hiking seasons An index of hikes by category including easy day hikes and hikes to waterfalls Invaluable trip planning information including local lodging and campgrounds Full color photos throughout The Mountaineer ,1981 *National Woodlands* ,1982 The Publishers Weekly ,1981 **American Bookseller** ,1981 **The Forest Service** Michael Frome,1984-04-02
