## Lord Conrads Crusade:

**Lord Conrad's Crusade** Leo Frankowski, Rodger Olsen, 2005-01-01      **Conrad's Crusade** Leo Frankowski, Rodger Olsen, 2005-08 This is book seven in the Conrad Stargard Radiant Warrior series In this book Conrad goes on Crusade very unwillingly and gets in more trouble than he has ever seen before He finds out that there are worse problems than the Mongols he faced last year      *Caffaro, Genoa and the Twelfth-Century Crusades* Martin Hall, Jonathan Phillips, 2016-04-15 This volume provides the first comprehensive English translation with a substantial introduction and notes of the writings of Caffaro of Genoa as well as related texts and documents on Genoa and the crusades The majority of early crusading historiography is from a northern European and clerical perspective Here is a very different voice one with a more secular Mediterranean tone To see the similarities and differences with the mainstream sources offers an exciting new dimension to our understanding of the reception of crusading ideas in the Mediterranean and given Genoa's prominence in the commercial world can help to illuminate the complex and controversial relationship between holy war and financial gain Caffaro's main composition the Annals of Genoa began with the First Crusade and extended down to 1163 It also covers the city's dealings with the Papacy the German Empire Sicily Muslim Spain and Pisa as well as the development of Genoa itself Sections from Caffaro's continuators take the story down to the Third Crusade Caffaro's two other texts are exclusively about the crusades The Liberation of the Cities of the East and The Capture of Almeria and Tortosa while associated with him but of a later date is the Short History of Jerusalem Alongside these narratives are a number of charters and letters that relate to and complement the main texts These relate to matters such as Genoese privileges in the Holy Land and form a valuable resource in their own right Placed alongside Caffaro's narratives they can show the blend of commercial energy civic pride and religious conviction that were the basis of Genoese activity in the complex world of the medieval Mediterranean      *The Crusades* Alan V. Murray, 2006-08-30 The first multivolume encyclopedia to document the history of one of the most influential religious movements of the Middle Ages the Crusades The Crusades An Encyclopedia surveys all aspects of the crusading movement from its origins in the 11th century to its decline in the 16th century Unlike other works which focus on the eastern Mediterranean region this expansive four volume encyclopedia also includes the struggle of Christendom against its enemies in Iberia Eastern Europe and the Baltic region and also covers the military orders crusades against fellow Christians heretics and more This work includes comprehensive entries on personalities such as Godfrey of Bouillon who refused the title King of Jerusalem and St Bernard of Clairvaux who tore up his own clothing to make symbols of the cross for crusaders as well as key events countries places and themes that shed light on everything from the propaganda that inspired crusading warriors to the ways in which they fought Special coverage of topics such as taxation pilgrimage warfare chivalry and religious orders give readers an appreciation of the multifaceted nature of these holy wars      The Concise History of the Crusades Thomas F. Madden, 2014-03-16 What is the relationship between the medieval crusades and the problems of the

modern Middle East Were the crusades the Christian equivalent of Muslim jihad In this sweeping yet crisp history Thomas F Madden offers a brilliant and compelling narrative of the crusades and their contemporary relevance Placing all of the major crusades within their social economic religious and intellectual environments Madden explores the uniquely medieval world that led untold thousands to leave their homes families and friends to march in Christ s name to distant lands From Palestine and Europe s farthest reaches each crusade is recounted in a clear concise narrative The author gives special attention as well to the crusades effects on the Islamic world and the Christian Byzantine East *Crusade and Christendom* Jessalynn Lea Bird,Edward Peters,James M.
