Piety, Politics, and Everyday Ethics in Southeast Asian Islam Robert Rozehnal, 2018-12-27

This book explores the diversity and dynamism of Islam in Southeast Asia through the concept of *adab* or beautiful behavior. Amid the complexity of Islamic civilization, *adab* provides Muslims with a shared sense of sacred history, identity, and morality. In the context of Islamic ethics, *adab* defines the rules of personal and public etiquette, good manners, proper conduct, civility, and humaneness. Featuring the interdisciplinary research of nine prominent scholars of Islam, the book offers new perspectives on *adab*'s multiple meanings and myriad applications for Muslim communities in Malaysia and Indonesia. The chapters examine a wide range of texts, spotlighting the writings of prominent Muslim thinkers and contexts focusing on the everyday experiences of lay Muslims. Drawing on a variety of theoretical and methodological lenses, the essays reveal how beautiful behavior impacts local institutions, cultural practices, and religious imaginations via politics and law, spirituality and piety, ethics and experience. With its careful textual analysis, detailed case studies, and attention to historical continuities and disjunctures, *Piety, Politics, and Everyday Ethics in Southeast Asian Islam* is essential reading for students and scholars interested in global Islam and the
