

Mouth to Mouth: Contemporary German Poetry in Translation

Edited by Thomas Winkler and Tiller Schneider

Mouth To Mouth Contemporary German Poetry In Translation

EPUB 2-3

Mouth To Mouth Contemporary German Poetry In Translation:

Mouth to Mouth Thomas Wohlfahrt, Tobias Lehmkuhl, 2004 Mouth to Mouth had its origins in the Translation Workshop held at the Berlin Poesiefestival in June 2003 when ten German speaking poets and ten Australian poets met over three days to translate each other's poems. The selection has been expanded to include the work of fifteen poets from Germany, Switzerland and Austria: Thomas Kling, Kathrin Schmidt, Peter Waterhouse, Kerstin Hensel, Ulf Stolterfoht, Joachim Sartorius, Ursula Krechel, Marcel Beyer, Ulrike Draesner, Nico Bleutge, Sabine Scho, Raphael Urweider, Sabine Naef, Uwe Kolbe and Anja Utler. The translators are Australian poets Luke Davies, Dorothy Porter, Robert Gray, Judith Beveridge, Anthony Lawrence, Gig Ryan, Antigone Kefala, Samuel Wagan Watson, Joanne Burns and Peter Skrzynecki as well as the European poet translators Michael Hofmann, Andrew Duncan, Richard Dove, Andrew Shields and Tony Frazer. The fact that the translators are themselves poets of distinction ensures that Mouth to Mouth can be read as a testament both to the vitality of the poetry being written in German today and to the art of poetic translation.

9/11 in European Literature Svenja Frank, 2017-11-28 This volume looks at the representation of 9/11 and the resulting wars in European literature. In the face of inner European divisions, the texts under consideration take the terror attacks as a starting point to negotiate European as well as national identity. While the volume shows that these identity formations are frequently based on the construction of two Others, the US nation and a cultural/ethnic idea of Muslim communities, it also analyses examples which undermine such constructions. This much more self-critical strand in European literature unveils the Eurocentrism of a supposedly general humanistic value system through the use of complex aesthetic strategies. These strategies are in itself characteristic of the European reception as the Anglo-Irish, British, Dutch, Flemish, French, German, Italian and Polish perspectives collected in this volume perceive of the terror attacks through the lens of continental media and semiotic theory.

The Facts on File Companion to World Poetry R. Victoria Arana, 2008 The Facts On File Companion to World Poetry 1900 to the Present is a comprehensive introduction to 20th and 21st century world poets and their most famous, most distinctive and most influential poems.

Die Römische Republik EPUB 2-3, 2015-04-22 Provides a comprehensive introduction to 20th and 21st century world poets and their most famous, most distinctive and most influential poems.

16 New (to American Readers) Poets, 2008 The poets in this magazine issue, mostly in their thirties and forties, show great formal diversity. The works range from the sound explorations of Anja Utler to the camp sonnets of Ann Cotten, from Czernin's puns and permutations to Rinck's and Falb's deceptively simple parlando, from Donhauser's grammatical disruptions to Papenfuss's baroque lists and sassy East tone. But they all share a concern with form and with language as material.

Burning Deck Ice Memory Joachim Sartorius, 2006 Based on encounters, observations and gleanings while traveling the world, this collection of Joachim Sartorius' eclectic and esoteric verse ranges in topic from the yellow cabs of Lagos and the horseshoes on Hitler's favorite steed to North African guards loading bottles of butane onto a trolley outside a crematorium. Poignant and timely, these poems speak to a global
