The Adversity Maze Cheryl Bignell,2024-12-01 If there was an overall equation for every adversity what would it be If there was an answer to every adversity where would it originate from Does our constant overturning of a problem enable us to work it out Truthfully not always Some problems and adversities seem like enigmas How do we find our way out of the Adversity Maze What about that constant daily problem that grinds at our energy Day in and day out we wake up with it like Groundhog Day It steals our time our energy and our joy There is no problem that is unique to one individual Meaning somebody has gone through something you are going through right now and come out the other side That gives us hope that we can be on the other side of it too What did they do that you need to do Let s unpack that in our book This book is meant to be an encouragement for you I want to join you on your journey towards living with the Lord in a way which embraces this time of difficulty with an overcoming mindset Our problems can cloud our minds so much that we struggle to see the Lord in the midst of them Or to even turn to the Lord Don t let that happen Don t give up your hope and faith in God

The Bible Exposed - Why God has Left the Building Keith Crowley,2012-07-19 In The Bible Exposed Why God has left the building the author deconstructs many of Christianity's most cherished illusions He lifts the lid off the Christian Bible's collection of scientific errors ancient myths legends and constant contradictions and demonstrates that the Bible can only be a man made artefact untouched by divine involvement or inspiration The difference between what the Bible actually says and what Christianity teaches will astonish you For instance who killed Goliath Everyone thinks that they know the answer Everyone is amazed when they read what the Bible actually says

Embracing Vulnerability Roberto Sirvent,2017-04-27 Arguments in favour of divine impassibility take many forms one of which is moral This argument views emotional risk vulnerability suffering and self love as obstacles to moral perfection In Embracing Vulnerability Human and Divine the author challenges these mistaken assumptions about moral judgment Through an analysis of Hebrew thought and modern philosophical accounts of love justice and emotion Roberto Sirvent reveals a fundamental incompatibility between divine impassibility and the Imitation of God ethic imitatio Dei This book shows that a God who is not emotionally vulnerable is a God unworthy of our imitation But in what sense can we call divine impassibility immoral To be sure God's moral nature teaches humans what it means to live virtuously But can human understandings of morality teach us something about God's moral character If true how should we go about judging God's moral character Isn't it presumptuous to do so After all if we are going to challenge divine impassibility on moral grounds what reason do we have to assume that God is bound by our standards of morality Embracing Vulnerability Human and Divine addresses these questions and many others In the process Sirvent argues for the importance of thinking morally about theology inviting scholars in the fields of philosophical theology and Christian ethics to place their theological commitments under close moral scrutiny and to consider how these commitments reflect and shape our understanding of the good life

What Do You Mean You Got Saved? Robert Hogan,2014-04-09 Do you ever wonder if people know the meaning of the words they speak When you hear someone say they saw a bad ride do they mean they saw a broken down vehicle Maybe the roller coaster at the amusement park wasn't operational If you say your alarm is going off is it making some audible alert to wake you or is it having a temper tantrum How do I really know what you mean Many factors go into determining the meaning of words and

phrases communicated to the listener Knowing this when I hear someone say they got saved if I don't know their understanding of the term I have to wonder what they mean Here I try to explore what people mean when they use this common phrase heard in the Baptist churches of the American South It is a serious question with eternal consequences What do you mean you got saved [Lamb's Got to Do What Lamb's Got to Do](#) John Lamb,2010-03-31 There is no available information at this time

The Revolutionary War JOURNAL OF WILLIAM THOMAS EMERSON is now in paperback with an exciting repackaging On an early summer morning in 1774 William Emerson on the run from his abusive foster parents awakens to a dusty faced stranger who has discovered his roadside bed After hearing the boy s story Mr John Wilson a writer for and organizer of the revolutionary cause invites Will to accompany him into Boston From that day forward Will lives and works at the Seven Stars Tavern gradually earning the trust of the colonial patriots who spend their time there Through listening to tavern talk and closely observing Mr Wilson Will begins to grasp the importance of the colonial cause But when conflicts between the citizens of colonial Boston and the British lobsterbacks escalate Will is confronted with an impossible question how much is he willing to sacrifice for the revolution and the freedom of his fellow citizens In the pages of his diary Will captures the patriotic spirit of the revolutionary period and the camaraderie that comes with fighting for a common cause God's Voice Riaan Engelbrecht,2023-10-12 There is this strange notion these days that God no longer speaks to His people It is said that God spoke in the Old Testament and that God today only speaks these days through His Word Yes it is true that God does speak through His Word but the wonderful and glorious news is that God does speak to His children He has a voice we have ears and there is definite communication Some even say that one is crazy to think one hears from God voices in the head apparently speak of a deep seated disorder Others claim it is purely your imagination This is sad because God is an incredibly personal God who wants to communicate with His children He wants to talk to us and He wants us to talk to Him Just because someone has not heard from God does not mean He doesn t speak Think about it The Creator of all actually speaks to us He does not just speak to the apostles or the prophets but to each and every believer This is the God whom we serve An awesome God who is not distant but a God who wants a personal relationship with us Yes we can hear from God as His children There is no simple formula but it boils down to relationship fellowship intimacy and willing to follow and listen
