Never Pick Up Hitch Hikers:

Never Pick Up Hitch-Hikers! Ellis Peters, 2016-03-01 An English hitchhiker disrupts a criminal's plans in this caper gone wrong from the Edgar Award winning author of the Chronicles of Brother Cadfael On the road to a new town and a new life William Banks is grateful to Alf the somewhat seedy stranger who gives him a lift In return the unworldly young man is more than happy to deliver a package for his benefactor to a specific address in Braybourne He has no idea however that his driver has chosen him to serve as a patsy in a sinister plot to retrieve 250 000 stolen earlier from a Braybourne bank and that if the scheme succeeds William Banks will be dead before sundown But with the help of Calli a lass William encounters along the way and a dose of blind luck he is able to avoid a most unpleasant end Now he and Calli will somehow have to steer clear of London gangsters as well as the original thief and his vengeful entourage while further derailing Alf's insidious plot without getting shot stabbed strangled or blown to smithereens in the process The Edgar Agatha and Gold Dagger Award winning author delivers a funny edgy stand alone crime novel Charm is not usual in murder mysteries but Ellis Peters stories are full of it The Mail on Sunday Never Pick Up Hitch-hikers! Ellis Peters, 1992 Into The Never-Never Brian Johnston, 2016-10-18 After a long sojourn in China Brian Johnston arrived in Cairns to join his sister on a campervan trip across the top end Into the Never Never is a beautifully written and often hilarious account of their adventures in the remote outback and on to the coast and the cities in search of the Australia they knew only from tourist brochures and soap operas The book is suffused with Johnston's growing affection for the country and its people It is also shadowed by an acute awareness of Australia's underlying cultural tensions From warts and all accounts of casual racism in the outback to unabashed delight in Sydney's Mardi Gras Into the Never Never presents Australia's burgeoning cultural diversity in microcosm In his second traveller's tale Brian Johnston's dry wit and wonderful descriptive powers are once again in evidence Whether bogged on a beach in Broome sightseeing in Canberra with a Laotian friend or speaking with the traditional owners on a cliff top in Kakadu he never loses his keen sense of the absurd and his sensitivity to the nuances of everyday encounters **No More Prisons** William Upski Wimsatt, 2008-09-30 A truly remarkable collection of activist writings across all topics and perspectives all while recounting a personal evolution from idealistic urban wanderer to community organizer from graffiti writer to renowned essayist Author William Upski Wimsatt delivers stories strategies suggestions straight talk and conversations with maverick activists He advocates youth taking charge of their own education whether it's in or out of school and promotes the power of young people engaging in philanthropy A truly original treatise from the paradigm flipping theorist of youth activism No More Prisons goes beyond pinpointing problems to hone in on solutions and declares that today's youth is poised to surpass the activist efforts of the 1960s generation **Twentieth Century Crime & Mystery Writers** NA NA, 2015-12-25 **The Lily Hand** Ellis Peters, 2016-03-01 Sixteen unforgettable stories from a beguiling writer and the Edgar Award winning author of the Chronicles of Brother Cadfael The Daily

Telegraph Expanding her horizons far beyond the boundaries of crime fiction Ellis Peters offers a broad range of short stories in this collection Two friends cruelly torn apart when their country is violently sundered reach a surprising understanding An Englishwoman's life changes in a foreign land after she accepts a young light boy's offer to show her a god And in the bewitching titular story an inquisitive reporter investigates the strange hidden history of an elegant London stylist after the body of the enigmatic icon is discovered immaculately dressed lying in the ebony coffin that he kept at the side of his bed for years Exploring life and death opera and art love and vengeance grace and goodness the poison of prejudice and the horrors of war these remarkable stories are as surprising and enthralling as the author's acclaimed award winning novels proving once again that Peters writes with undiminished skill The Times London **The Will and the Deed** Ellis Peters, 2016-03-01

A shocking revelation in a diva's will leads to murder in this chilling whodunit from the Edgar Award winning author of the Chronicles of Brother Cadfael It's not surprising that adored British opera star Antonia Byrne would want her death to be as dramatic as the roles she performed on the world's great stages Even so the existence of a new will surprises everyone especially the six loved ones gathered at her deathbed in Vienna When the mourners' private plane is brought down by a blizzard trapping them together in the Swiss Alps they decide to unseal Antonia's final testament rather than wait till they're back home in England But no one is prepared for what the diva stipulated as her final wishes especially not her ex-lover Richard who has been burdened with a most unwanted responsibility And as the storm continues keeping the local constabulary snowbound and out of reach the stranded six will now have to struggle to stay alive Because suddenly it's not only nature's fury threatening their survival but the murderous wrath of one of their own The Will and the Deed is at once an intriguing puzzle and a breathtaking survival adventure from the Edgar Agatha and Gold Dagger Award winning author and cult figure of crime fiction Financial Times *Funeral of Figaro* Ellis Peters, 2016-03-01

An opera singer drops dead onstage in a pitch perfect puzzler from the Edgar Award winning author of the Chronicles of Brother Cadfael A plane crash kills the lead actor of the Leander Theatre's production of The Marriage of Figaro in the middle of their rehearsals The crew based on the outskirts of London is shaken Luckily or not owner Jimmy Clash has found a replacement in world class baritone Marc Chatrier a notorious womanizer liar and all around cad Chatrier's presence immediately causes tensions to rise dramatically among a close knit opera family especially when he starts paying too much attention to Jimmy's star struck teenage daughter Then without warning the despised singer drops dead in the middle of a performance That's the cue for audience member Detective Inspector Musgrave to make his grand entrance But the able police investigator is unprepared for the complex drama awaiting him backstage and a tragically twisted plot that includes dark secrets jealousies old grudges and murder most foul As always the Edgar Agatha and Gold Dagger Award winning author of the Brother Cadfael Mysteries writes with undiminished skill The Times London Most Loving Mere Folly Ellis Peters, 2016-03-01

A post WWII love affair is eroded by suspicions of murder from the Edgar Award winning author of the Chronicles of Brother Cadfael Talented potter Suspiria

Freeland and her painter husband Theo survived the Blitz and are living among fellow artists in a bombed out London suburb But since the war s terror ended Theo s drunken self loathing has become even harder for his long suffering wife to bear When Dennis Forbes enters their lives Suspiria is immediately drawn to the handsome young mechanic Though he obviously shares her passionate attraction he is fourteen years her junior and she of course is married until Theo s lifeless body is discovered Theo s death from poison leaves his widow free to love and marry her much younger paramour But their newfound happiness is soon threatened on all sides by a community s gossip and mistrust by a legal system determined to enact justice at any price and by the lovers themselves as suspicion continues to mount that one of them is a murderer This stand alone novel of forbidden love suspicion and suspense is further evidence why the Financial Times called Edgar Agatha and Gold Dagger Award winning author Ellis Peters a cult figure of crime fiction

Adverbs and Modality in English Leo Hoyer, 2014-06-03 This new study on modality in English represents a departure from more traditional approaches to the subject where the modal auxiliaries have been the usual focus of attention by examining in detail the nature of their association with different categories of modal adverb Modality is notoriously complex but the present work offers an accessible introduction to the topic a comprehensive account of modal adverb co occurrence and a reappraisal of the English modal system The descriptive framework draws fresh insights from syntactic semantic and pragmatic approaches to the study of language and communication and from recent work in corpus linguistics The book includes contrastive reference to the expression of modality in Spanish and a discussion of modality in such applied contexts as language teaching A major feature is its reliance on authentic spoken and written language data The study is suitable for undergraduate and postgraduate students of linguistics English language communications studies and related disciplines
