Bowker Company, 1982 New Directions in Budget Theory Irene Rubin, 1988-01-01 This collection is the first book length work in many years to provide new theoretical direction to budget theory Written by several of the most respected people in budgeting including Allen Schick Naomi Caiden and Lance LeLoup it explores such current topics as the scope of budgeting the degree and source of variation in budgeting and changes in budgeting process over time New Directions will help to build a framework that is less confining than incrementalism and will stimulate and guide future research Some of the essays deal with the implications of looking at budgeting from a multi year perspective and the importance of allocating sources other than money such as personnel ceilings others pose questions about what a budget theory should look like and how many budget theories are needed **Resources in Education**, 1998 Index of Economic Articles in Journals and Collective Volumes, 1988

Subject Guide to Books in Print, 2001 **New Directions in Old-Age Policies** Janie S. Steckenrider, Tonya M. Parrott, 1998-09-11 Provides a comprehensive assessment of the political environment and the state of old age policy and politics and discusses specific realistic policy options for the future *New Directions in Judicial Politics* Kevin T. McGuire, 2012-03-15 With its often vague legal concepts and institutions that operate according to unfamiliar procedures judicial decision making is in many respects a highly enigmatic process New Directions in Judicial Politics seeks to demystify the courts offering readers the insights of empirical research to address questions that are of genuine interest to students In addition to presenting a set of conclusions about the way in which courts operate this book also models the craft of political research illustrating how one can account for a variety of factors that might affect the courts and how they operate The renowned scholars and teachers in this volume invite critical thinking not only about the substance of law and courts in America but also about the ways in which we study judicial politics American Book Publishing Record, 1987 **The Mediating Effect of Public Opinion on Public Policy** Richard E. Chard, 2004-07-15 Examines how public opinion has influenced health care policy *Recording for the Blind & Dyslexic, ... Catalog of Books*, 1996 **A London Bibliography of the Social Sciences**, 1931 Vols 1 4 include material to June 1 1929 **Books in Series**, 1985 Vols for 1980 issued in three parts Series Authors and Titles *Subject Guide to Children's Books in Print* 1997 Bowker Editorial Staff, R R Bowker Publishing, 1996-09 Whitaker's Books in Print, 1998 Financialization, Austerity, and Inclusion in Latin America and the Caribbean Rana S. Gautam, Diogo L. Pinheiro, Dwight Wilson, 2023-12-06 Financialization Austerity and Inclusion in Latin America and the Caribbean examines the spread of financialization since 1980 highlighting the ideational origins of financialization outside the region its effects on government budgeting and social inclusion and options for increased inclusivity Rana S Gautam Diogo L Pinheiro and Dwight Wilson argue that rather than a mechanistic implementation of

external pressures financialization is a complex social process with ideational origins in which national level actors participate Ultimately the authors find that deeper financial integration the expansion of credit and reliance on international bond markets drives governments to cut certain areas of social spending and drives inequality but ameliorates absolute poverty There is therefore space for agents to mold financialization and its inclusiveness
