**The Ministry of Paul the Apostle** G. Roger Greene, 2019-06-20 Everyone knows the supposed life story of Paul the apostle but then again they may not As it is generally drawn from the book of Acts Paul had a dramatic conversion on the road to Damascus undertook three missionary journeys and returned a final time to Jerusalem He was arrested for creating a riot held prisoner in Caesarea and upon his appeal to Caesar was finally transported to Rome as a prisoner Dotted dashed or colored lines on countless numbers of maps document Paul s three missionary journeys and his journey to Rome as these are commonly discerned in the book of Acts Paul s letters and the book of Acts itself however may tell a different story than the one customarily perceived perhaps a less familiar story but perhaps a more factual one The Ministry of Paul the Apostle represents a significant paradigm shift for understanding Paul s ministry which involves two major campaigns an ordered awareness of Paul s ministry as far as Illyricum a revision of Paul s Corinthian ministry an historical confirmation of visits to Jerusalem an appropriate ordering and reaffirmation of Paul s letters including Romans 16 as a letter to Ephesus In addition the current study offers a new paradigm for correlation between our sources of Paul s letters and the book of Acts with the development of an underlying source tradition behind Acts The reader is thus invited to participate in a significant re evaluation of Paul s ministry and a proposed solution to a long standing mystery of correlation between Paul s letters and Acts When one travels with Paul one engages in a voyage of discovery This book makes sense of the mystery of Paul s ministry which when properly understood becomes an illuminating foundational window of clarity for sorting out a bewildering multitude of theological formulations of the enigmas of Paul s thought It is through a thorough awareness of the ministry of Paul that one comes to appreciate the contextual nature and depth of Paul s theological thought One comes to a new appreciation of Paul s place in early Christianity relevant even for those who live in a post modern age

thinkers of the various Christian traditions this Handbook provides an introduction As the divisions in Christian sacramental understanding and practice are certainly evident in this Handbook it is not thereby without ecumenical and missional value This book evidences that the story of the Christian sacraments is despite divisions in interpretation and practice one of tremendous hope

*The Mystery Mission of Salvation in Christ Jesus* Dr Ibim Alfred, 2017-08-26  
For the past twenty years I have thought and developed an interest in what I call the mystery mission of salvation in Christ Jesus This curiosity has intensified over the past three years and I am compelled by the divine spirit of Christ Jesus to put my belief and faith in ink on paper Apostle Paul the greatest theologian stated Yet when I preach the gospel I cannot boast for I am compelled to preach 1 Cor 9:16 Like Paul I am writing this book not of my own choice but of necessity I believe I have been entrusted with this assignment to unveil the mystery mission of salvation in Christ Jesus Paul stated For Christ's love compels us because we are convinced that one died for all and therefore all died 2 Cor 5:14 The love shown by Christ Jesus Gal 2:20 Rom 8:35-38 is the model of authentic existence and compels believers like Paul who thought that he had no choice but to imitate the selflessness of Christ Jesus to preach the Gospel of salvation in Christ Jesus As a believer in the Savior our Lord and God Christ Jesus I am obliged to write this book about the Son of God who wrought salvation to the universe through his birth on the first Christmas Day his mission on earth for about three years his cruel death on the cross on the first Good Friday and his ultimate resurrection on the first Easter Sunday morning My purpose in this book is not to boast on human intelligence or ability on the contrary it is to show the love of Christ Jesus who condescended and descended humbly from his divine heavenly city to this sinful earthly city in order to bring eternal salvation to all those who believe in him I do hope and pray ardently and fervently that this book might help just one person to come to know salvation in Christ Jesus for the first time or open the spiritual eye and mind of a believer to have a deeper and more holy understanding of the amazing grace and love of Christ Jesus who brings salvation to humanity by his wonderful and mysterious mission of salvation which is unveiled in this book That person in either situation could be you

Introducing Christianity Sally Bruyneel, Alan G. Padgett, 2003 Offers a basic introduction to the nature of sacred time and space explaining who Jesus is the Jewish world in

Original **Life in Abundance** John R. Donahue, 2005 At his sudden death in August 1998 Raymond E Brown S S was acknowledged internationally as one of the greatest New Testament scholars Writings on the Gospel and Letters of John spanned his whole career In tribute to his life and work St Mary s Seminary and University Baltimore Maryland hosted a conference in October 2003 Life in Abundance The conference did not focus directly on the work of Brown but followed his lead in discussing the state of Johannine studies the relation of John to first century Judaism and Johannine theology and issues of interpretation This volume brings together presentations by scholars on these subjects *Hebrews, the General Letters, and Revelation* Charles B. Puskas, 2016-10-28 Most New Testament NT introductions because of page limitations and other reasons tend to minimize their treatment of the last nine books of the Christian Bible from Hebrews to Revelation The focus in these introductions is often on the four Gospels and the Letters of Paul As important as these books are one should not neglect with only a brief survey the treatment of Hebrews the General Letters and the book of Revelation The title given later to the collection Catholic Epistles or General Letters is a reminder of its general appeal to the whole church despite its slow canonical recognition and authorship issues Nevertheless these writings from Hebrews to Revelation continue to capture our attention and ignite our imagination My purpose for this book is to supplement my NT introduction and others like it with a focus on specific questions about each book from Hebrews to Revelation When and why was each book written By whom and to whom was each book written What are some special features of each book How soon or late was each book included in the NT collection Answers to many of these questions are tentative The assured results of scholarship are in continual need of reevaluation Since the 1980s a host of diverse studies have emerged and I have endeavored to include them when they are relevant to the discussion
