Pinkham,2019-07-26 One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study every verse in God s Word that links a name for one or more members of the Godhead with a nearby word or concept for God Nearly a thousand verses meet this condition Collating them into logical categories reveals the eight and only eight possible ways and combinations that could help us understand that the Father Son and Holy Spirit is Three in One Moreover when the verses in each of these eight ways are further organized they provide deep insights into the nature of God And when the eight ways are woven together they reveal a startling symbol with relevance to Judaism Christianity Islam geometry and our neural network Furthermore these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol The book incorporates mathematics and science especially the biological sciences written with plain language into the discussions of the Trinity Some of the proposed connections have never been posited elsewhere It also considers other symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead The Trouble with the Trinity is not written for the theologian although it includes a section that presents a theological discussion of the Trinity Rather it is written for those who are curious about or confused by the Trinity For more information and to view Images About the book Appendixes and more as well as contact information please go to <https://www.thetwtt.com> You can also visit the author s Facebook page <https://www.facebook.com/TTWTTrinity> view\_public\_for 100820838002256 The Crimson Path Robert D. Finley,2016-03-08 Have you ever wondered

why John the Baptist introduced Jesus Christ as the Lamb of God Why not introduce Him as the promised heir to the throne of King David Why is a crimson path essential for the plan of redemption This book will answer these questions and take the reader on a journey through the ages This journey will reveal the foreshadows that foretell the redemptive mission of the Lamb of God In this exposition the foreshadows recorded in the Old Testament will be identified and the resemblance of each foreshadow will be correlated with the plan of fulfillment recorded in the New Testament God's Medicine Cabinet Second Edition Michael Fugett, 2005-05 **Healed Without Scars** David G. Evans, 2003-08-01 The Past Has No Power Over Your Future Have you been hurt by past disappointment fear rejection abandonment or failure If so you've probably learned that time doesn't necessarily heal all wounds When pain from the past lingers in your life and causes emotional scars you need to understand that God is always ready to help you be healed without scars Filled with contemporary and biblical accounts of those who have emerged victorious from life's tests and trials Healed Without Scars will show you how to Overcome depression anger fear and hopelessness Discover the path to personal wholeness Find peace in the midst of life's storms Renew your hopes and dreams Experience a life of freedom and joy For years author David Evans has helped people from all walks of life learn how to live in victory Let him guide you to a joyful life of wholeness in Christ The Father We Never Knew Phelim Doherty, 2017-02-28 The gospel of God's grace announces nothing less than the abolition of religion But we have taken a supernatural message and turned it into a mere natural one and the result is a spiritually immature church that sees strength primarily in natural terms and church growth as being about congregation sizes and resources rather than revelation When the glitter of religious performance what we can achieve for God is peddled in the church as real gold for long enough then we raise a generation of believers who know how to do things for God but not how to be the children of a joyful Father We raise a nation of holy orphans who not knowing their Father's righteousness as their spiritual DNA live constantly trying to prove their parentage through their performance The result is a church so sin conscious and self conscious that she is like a bride so insecure in her identity that she has buried the likeness of her Father beneath layers of makeup In this book the author begins to peel back that makeup to reveal the simple beauty of the gospel Christ in us *Minutes of the ... Session of the New England Annual Conference of the Methodist Episcopal Church*, 1894
