Wellness Twelfth Edition covers many facets of personal health including physical emotional mental social environmental and
spiritual perspectives Written in a personal and engaging style the *Twelfth Edition* encourages students to make the right
health choices and gives them the tools and information they need to improve their health habits *Hard Labor* Susan L.
Diamond,1996 In *Hard Labor* Susan L Diamond B S N R N shares a unique insider s view of childbirth Diamond s lifetime of
experience as a prepared childbirth instructor as an obstetrical nurse who spent nearly a decade working on labor and
delivery wards and as a mother of two has given her an unmatched perspective on giving birth and on the impact of modern

medicine on this most special time for mother and child Too often in American hospitals today the process of labor and delivery is treated as an illness not as a natural if life altering event Women are dehumanized by artificially established labor curves and confined by often unnecessary machinery their personal needs even their privacy subsumed under the rules of the system Fear of malpractice has added to the rigidity of the system but so has a lack of true caring and a fondness for expediency Diamond s vision of childbirth as a natural normal event one that should be enhanced not corrupted by modern medicine shines from every page of this powerful emotionally evocative work Hard Labor introduces readers to dozens of mothers fathers and families and reveals the wide spectrum of triumph and tragedy that fills labor and delivery wards Diamond s fellow nurses and the doctors with whom they work also spring to life in her vivid recountings of medical disasters and miracles From accounts of the sadness of death in utero to the joy of unexpectedly delivering twins Hard Labor is a moving reading experience But more it offers women the information they need to make informed choices about their own plans for childbirth BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
